

DECLINES TO ARBITRATE.

MR. HOXIE WILL NOT APPOINT A COMMITTEE.

Attacks on the Militia at East St. Louis--Deputy Sheriff Bidley Beaten.

St. Louis, Mo., April 16.--Late last night the militia patrolling the yards in East St. Louis were startled by hearing several shots fired, it is supposed, at them from the direction of several houses near the junction of the Cairo Short Line and Pittsburg railroads.

Two Deputy Sheriffs, while guarding the Vandalia railroad yards last night, were approached by a number of men, supposed to be strikers, who engaged them in conversation, during the progress of which they attacked the deputies and beat them badly.

Last night an unknown head, who has occupied a position made vacant by one of the strikers of the Chicago, Burlington and Quincy yards, was attacked while standing on Main, corner of Fourth street and Missouri avenue, in East St. Louis, by a party of men, who knocked him down and beat him severely before he could escape.

The three citizens, Messrs. N. O. Nelson, James B. Amernann and Prof. Woodward, the committee appointed by the meeting held at the courthouse Tuesday evening to call upon Vice-President Hoxie and request him to appoint a committee of three of the resident directors of the Missouri Pacific to consult with the Missouri Pacific and a committee from the Knights of Labor to settle the strike, met at the Mercantile Club yesterday afternoon to talk the matter over and devise the best method of approaching Mr. Hoxie.

At the Madison school thirty of the scholars failed to respond at roll-call this morning, but these are all who have actually struck.

At the Higdon school a notice signed by the "St. Louis School Association," calling upon the scholars to strike to day, was found posted upon the school building this morning, but three members of the association were convicted of being guilty of issuing the obnoxious notice, and a sound thrashing administered at the right time averted a general strike of all the scholars.

FORTY-NINTH CONGRESS.

THE INTERSTATE COMMERCE BILL IN THE SENATE.

Senator Dolph's Speech on Indian Depredations--Routine Business in the House.

WASHINGTON, April 16.--No messages having been received from the President, a motion was made by Senator Voorhees at 12:25 o'clock to go into executive session.

Senator Dolph said he had given notice of an intention to address the Senate this morning on the Indian depredations bill, and Senator Voorhees withdrew his motion.

Senator Riddleberger objected to taking up any bill or having any business done at this time that would interfere with the resolution relating to open executive sessions.

Senator Dolph then addressed the Senate on the "Indian depredations" bill, and a bill (also introduced by him) appropriating \$5,000,000 to compensate citizens for losses suffered by them through such depredations.

Senator Call offered the following resolutions: Resolved, That R. A. Finell, a Democrat, heretofore employed as a skilled laborer on the Senate roll of employees, was discharged yesterday by the Sergeant-at-Arms without cause except to make a place for a Republican, be reinstated on the roll of the Senate employees.

Resolved, That the Republican majority of the Senate will allow the Democratic minority the same number of employees with the same proportion of salaries as were allowed by the Democratic majority to the Republican minority in 1879.

At 3 o'clock the interstate commerce bill was placed before the Senate, on which Senator Camden was entitled to the floor.

Senator Camden then addressed the Senate on the interstate commerce bill. The bill before the Senate would, in the main features, Senator Camden thought, meet the views of the Senate and the people.

Senator Edmunds remarked that the Committee on Foreign Relations had subjects of special importance, which Senators understood, for the consideration of the Senate with closed doors.
