DIRECTNESS--NO DISSIMULATION!

The public, reading our advertisements, deal in absolute facts. Chicago, Ill., June 29.--The races at Washington Park today drew an attendance of 12,000 spectators and were splendidly contested all through. The weather was hot and the track very fast. The principal feature was the performance of the great two-year-old El Rio Rey in competing weight to all his opponents in the Kenwood stakes and winning in exceedingly fast time, after a hard struggle with Protection.

Betting: 6 to 5 against Joe Walton, 4 to 1 against Girondes, 15 to 1 against Serenader and Aloha, 15 to 1 to 7 to 1 against the others. The race throughout was confined to Aloha and Serenader. Aloha led to the stretch, where Serenader came to the front and won by an open length, with Aloha second and Vidette third. Time--1:14.

Betting: 6 to 5 against Irene, 5 to 2 Sallie Hagan, 6 to 1 Grace Ely, 7 to 1 Geraldine, 10 to 1 to 50 to 1 the others. Irene and Geraldine were first away, and Irene led to the end. Harbina led to within 100 yards of the wire, where Stovall's determined riding with Irene won by a short length, with Marchmont only a nose behind Geraldine. Time--1:14.

Third Race--Handicap sweepstakes, \$15 each, with \$500 added. One mile and an eighth. Starters: Bonita 108, Stovall; Elyton 106, Brown; Bridglight 104, Freeman; Garsman 107, Famine 107, Stoney Montgomery 107. To a fine start Bridglight took the lead and kept it until well down the stretch, with Bonita and Elyton alternately second and third. In front of the stand Bonita made a rush and won by two lengths, while Elyton beat Bridglight a head for the place. Time--1:33--very fast.

The fourth race was the Kenwood stakes, for two-year-old colts, \$50 each h. l., with \$1,000 added, worth \$2,900 to the winner, five-eighths of a mile. Jaja, Protection and Honduras were first away. Protection led at the half with Honduras second and Jaja third. At the three-quarters Honduras was a head in front of Protection with El Rio Rey third. In the stretch it became a three-cornered fight between El Rio Rey, Protection and

Penn P. and at the end of a desperate race home El Rio Rey won by a nose from Protection, with Penn P a length farther back. El Rio Rey's performance was one of the greatest ever achieved by a two-year-old. Time--1:01.

M'DOW ACQUITTED.

The Jury Says Not Guilty, After Two Hours' Deliberation.
CHARLESTON, S. C., June 29.--The jury in the M' Dow case were charged by Judge Kershaw at half past 2 o'clock, and after deliberating for two hours returned with a verdict of "Not guilty."

ALEXANDER SULLIVAN Not Yet Indicted, Though He May Be by the Next Grand Jury.

CHICAGO, Ill., June 29.--None of the suspects were represented in Court when the Grand Jury reported to Judge Shepard.

After the last formalities of the long inquisition were ended State's Attorney Longenecker told a number of reporters that he had not yet dropped the case in its relation to Alexander Sullivan. The State's Attorney claimed that the Grand Jury had been unable, owing to the expiration of its term, to hear all the evidence that could be presented against Mr. Sullivan. The inquiry as to Sullivan would be continued to the next Grand Jury. Whether it would be another special panel or the regular body could not at present be stated. It was conceded by Mr. Longenecker in private conversation that up to the moment that the term of the Grand Jury expired the authorities had not secured sufficient evidence upon which Sullivan could be convicted. An indictment of him, therefore, so the State's Attorney reasoned, would undoubtedly result in an immediate trial or acquittal, barring forever any further proceedings, a result which, from Mr. Longenecker's standpoint, was not to be desired. Another reason for the State's Attorney's course is said to be a hope on his part that before the trial of the men indicted is ended some of them may be induced, through hope of saving their own necks, to give evidence directly incriminating Sullivan.

WIMBERLY'S APPOINTMENT. It is Indorsed by the Republicans of Coahoma County, Miss.

Special Dispatch to The Appeal.
LELA, Miss., June 29.--A convention of the Republicans of Coahoma County assembled today at Friars Point and passed the following resolution:

Resolved, That the Republican party of Coahoma County, in mass meeting assembled, hereby tender to President Harrison our grateful thanks for the distinguished honor he has conferred on our fellow-citizen and party leader, Capt. A. T. Wimberly, by his appointment as Internal Revenue Collector of the District of Mississippi and Louisiana; that in honoring Capt. Wimberly he has honored and greatly benefited the Republicans of this county and the district; that the honor has been worthily bestowed.

SULLIVAN AND KILRAIN.

PREPARATIONS BEING MADE FOR THE GREAT FIGHT.

Sullivan Said to Be in Fine Condition and Disposed to Concede Everything to His Opponent to Insure a Battle.

NEW ORLEANS, La., June 29.--Preparations for the Sullivan-Kilrain prize fight is progressing smoothly. Bud Rennaud, who has charge of the exhibition, is receiving constantly applications for tickets and special cars. All parties of sixty will be furnished a special car, and can equip themselves as they wish in the matter of personal comforts. The Southern Athletic Club, of this city, has engaged three special coaches for members and their guests, and the social clubs of the city have engaged several more. The first train to leave the city, about 4 o'clock a. m., July 8, will be the special train of ten cars or more, the occupants paying \$15 each. This train will be followed a few minutes later by a train of twenty cars or more if required, all reaching the battleground in an hour. The ring will be pitched before daylight and be in readiness for use when the excursionists arrive. It is confidently expected that the fight will commence at 8 o'clock a. m. and the excursionists return to the city by noon. The managers think there will be 5,000 people at the ring side.

Capt. Tom Jamieson, of Meridian, Miss., with twenty specials, will probably have charge of the police regulations. Capt. Jamieson is known as an efficient and resolute officer who can always have a posse of good men at his command, and should be undertake the job the very best of order will be assured.

J. W. Barnett, who left John L. Sullivan Wednesday evening at his training quarters in New York, arrived here this morning to receive notice as to the selection of the battle ground. Being interviewed, Mr. Barnett said: "Sullivan never looked better. I knew him when he fought Ryan, and I tell you frankly he is in better shape at present than ever in his life. As far as I can see there is not a bit of surplus flesh on him, and the story that he is flabby-looking about the muscles is all bosh. His wind is excellent and his legs are as solid and as strong almost as bars of steel."

"Just before I left he skipped the rope 800 times without a break. And a man must have pretty good legs and mighty good wind to do that."

Mr. Barnett had plenty of interesting things to tell about the New Orleans favorite. He says Sullivan is taking naturally to training as a duck does to water. His docility is something to be remarked. He does everything Muldoon tells him, and he realizes perfectly that he must show the country just what he is made of. When he strips the public will be amazed to see the magnificent specimen of combined muscle he is. He is really a Hercules, and all his prating strength of limb and vigor of soul have come back. The big fellow himself has a little fear about the result as he would have if Andy Bowen was to be his opponent. Barnett gives Muldoon great credit for what has been accomplished in training Sullivan and giving him a taste in wrestling. He says when Sullivan gets into the ring he will know a post or two about wrestling that have never occurred to Kilrain.

Mr. Barnett does not know who will be

A CLOSE ELECTION.

Special Dispatch to The Appeal.
COUNTY, Miss.
ABERDEEN, Miss., June 29.--The Democratic primaries to elect candidates for the Legislature and county officers were held in this county today. Unusual interest has been shown, especially in the choice for Sheriff. The principal contestants for that nomination were Joseph A. Johnson and J. J. Bassham, and the contest is so close that it will take the official count to determine who has been indorsed by the people. No election was held at Muldon precinct. A committee has been appointed to receive the count and announce the result, which will not be done until Monday.

INHUMAN PUNISHMENT.

A Judge Fines a Jailer for Maltreating a Prisoner.
MADON, Ga., June 29.--Judge Emory Speer, in the United States Court, imposed a fine on Nat Birdsong, State Jailer, for chaining up by the neck for several hours Joe Warren, a colored United prisoner. Warren had been disorderly. The Judge held that the punishment was cruel and unusual, and inflicted unjustifiable torture on the prisoner. The jailer's counsel demurred to the jurisdiction of the court, but it held that as to the United States prisoner the jailer was an officer of the court and as such was amenable to punishment for cruelty. The case creates some excitement.

THE IRONWORKERS.

No Strike This Year, as the Scale Will be Signed.
PITTSBURGH, Pa., June 29.--It can be safely said that there will be no strike in the iron mills over the wage question this year. The officials of the Amalgamated Association of Iron and Steel Workers were notified today that sixteen firms had signed the scale. A number of others have signified their intention of signing as soon as necessary repairs at their plants have been made, and within a month it is thought all union mills in the country will be in operation under the new scale.

THE NAVAL CADETS.

Suggestions of the Board of Visitors in the Matter of Their Employment.
