THE next session of this School will be opened the 15th of January, on the first day of the month. The course of studies is extensive and about the same as in our female Colleges. A philosophical and chemical apparatus sufficient to illustrate most of the principles in these sciences, is connected with the school. There is also a library of well selected books to which the young ladies have access, and they are encouraged to spend their time not devoted to study in reading useful books.

The School continues under the superintendence of the Rev. James A. Dean, A. A., as Principal, and Mr. B. F. Larabee, B. A. as Associate. The Academy building is new, and is so constructed as to accommodate three or even four Teachers. It is hoped that the friends of the institution will rally around it, and furnish a sufficient number of students to test its capability.

Three objects will constantly be kept in view:
1st. To promote thorough scholarship. 2nd. To secure the students from the contamination of vice, and to inculcate into their minds moral and religious principles. 3rd. To cultivate taste for good reading.

PLEASANT GROVE ACADEMY,
FRANKLIN COUNTY, N. C.

THE Exercises of this Institution will commence on Monday the 6th of January next, under the charge of Mr. Edwin L. Barrett, a gentleman eminently qualified to instruct in all the branches taught in preparatory Schools. The Academy will be neat and comfortable, situated about 300 yards from the residence of the subscriber, known to be one of the most healthy locations in the State, and equidistant from Louisburg and the Shocho Springs.

Board can be had with the subscriber, at \$6 50 per month, and also in the families of Mr. Joseph J. Jones, Mr. Thomas A. Parson, Mrs. Elizabeth Branch, and others, all convenient to the Academy, at the above rates.

Parents and guardians may rest assured, that every attention will be paid, both to the morals and literary pursuits of the students; and owing to the healthiness of the situation, the purity of the water, and the moral influence of the neighborhood, the public and particularly those living in the lower country, would do well to give this institution a trial.

Miss E. W. CURTIS, Instructress on Piano and Vocal Music. Miss R. S. FAIRBANK, Instructress on Guitar, and in Vocal Music, Drawing, Painting, Gaiathetics, &c. Other assistance as it may be needed.

THE Spring Session of 1851, (the 17th under the 6th of January) The Trustees are highly gratified to be able to announce to the public, that hereafter the entire and undivided attention of both the Principals will be devoted to the interests of this Institution—Mr. Ray having relinquished a profitable and successful Male school, in order to add his personal efforts to those of the former very efficient corps of Teachers, in making this all that a good Female Institution ought to be.

The Board recommends, with very great confidence, the Louisburg Female Seminary to the patronage of the public. For cheapness, soundness of instruction, impartiality and ability in teaching, high-toned moral and religious influences, and strictness in regulating the expenditures of pupils, this institution will compare successfully with any in the State. In point of health, the Board give it as their deliberate opinion that this Village is not surpassed by any location in the Central portion of the State; and in support of this opinion they may add that among the large number of pupils from the Eastern part of the State, there has not been a death in the eight years of the present Principals; and there have been, for several years, very few cases requiring the attention of a Physician; and they understand, from the most reliable sources, that for the last four years, Medical bills among the pupils have been nearly unknown; and throughout the community there has been almost uninterrupted good health.

A Circular, prepared by the Principal, setting forth in detail the government, course of studies, text books prices, &c. will be issued soon, and sent on application to all who may feel interested in the minutiae of the School Economy. By order of the Board,
T. K. THOMAS, Sec'y.
