NOVELTY WORKS.

WEST ST. RALEIGH, NORTH-CAROLINA.

SILAS BURNS, PROPRIETOR.

BUILDER OF

Steam Engines & General Machinist.

THE above establishment has been in successful operation about one year, and has turned out some of the best STEAM ENGINES and SAW MILLS that have ever operated in this or any other State.

Orders are solicited for Steam Engines and Saw Mills, Mill Gearing and Machinery of every description to be completed during the Summer and Fall. The improved condition of the Raleigh and Gaston Rail Road will enable me to fill with dispatch and punctuality all orders after the 1st of July.

The following certificate will show the character of the work executed at the above Works:

AUBURN, Cumberland, May 15, 1852.

Mr. SILAS BURNS, Our Engine and Mills, made at your shops, have been at work nearly two months, and fully meet our expectations. The ENGINE, as to FINISH and STRENGTH, PERFORMANCE and DURABILITY, is inferior to none in the State of the same class made here or elsewhere. The MILLS run with a smoothness and speed truly astonishing. In ordinary sawing we cut in a common sized log, foot in 2 seconds and 15 feet per minute. We have run, however, through an 18 foot log in 32 seconds or at the rate of 33 feet per minute, by running to the top speed we fully believe we can cut 40 feet per minute. The only objection we can hear urged against it is two many hands to haul up logs and carry away lumber. Yours, &c.,

JONES & BARBER.

GREENSBOROUGH

Mutual Life Insurance & Trust Co's.

THIS Company, as its name indicates, is upon the mutual principle, and embraces two distinct departments, to wit: Life Insurance and Trust Department. This attractive combination offers to Policy holders double the ordinary security, without destroying their right to a full participation in the entire profits of the Company. Premiums will be received, in cash, either annually, semi-annually, or quarterly, as may be agreed upon at the time the Policy is issued.

In the TRUST DEPARTMENT, or Deposit System, the payments made to the Company are entirely optional with the Depositor, as regards the amount and the time at which they are made. A party may pay in as much or as little, (not less than one dollar), and as often as may be convenient for him, without any obligation upon him to continue his payments—and may withdraw them at his pleasure.

So that, on the plan of this Company, there is created at one and the same time an assurance payable, at the option of the insured, in sickness—and a provision for old age.

To Tobacco Planters and Dealers.

HAVING been appointed Inspectors of Tobacco, at all times and places, in the city of Petersburg, we respectfully offer our services as such, to all Planters and Dealers in that article.

We trust, that after an experience of some ten years, by one of us, as Commissioner of Tobacco, when Tobacco was one of the chief articles of trade, and an experience of some thirteen years, by the other, as Inspector at this same Warehouse, we do not presume too much confidence from the public, and to assume a liberal and extended patronage from the old patrons of West-Hill, and from our personal friends especially.
