

MAY REPORT TO-DAY.

The U. P. Synod Waiting on a Committee in Rev. Dr. Reid's Case.

THREE BUSY SESSIONS ABE HELD.

Addresses Before the Christian Missionary Societies.

HOW THE GREAT WORK IS PROGRESSING

At yesterday morning's session of the United Presbyterian Synod the case of Dr. W. J. Reid came up. Dr. Reid was tried by the Presbytery for the marriage ceremony officiating Rev. R. B. Ewing with his deceased wife's sister, Miss Agnes Stevenson. The Presbytery adopted resolutions more of regret than rebuke. This action was protested against by Revs. H. A. McLean, D. S. Little, Dr. Young, B. C. Boyd and others. They wanted stricter methods used and appealed to the General Assembly.

The matter was brought up yesterday when Dr. Speer, clerk of Synod, announced that the appeal had been withdrawn. This placed the matter in its original shape. The case was referred to the Committee on Revision of the Minutes of the Monongahela Presbytery. The Synod decided to await the report to the committee before taking any further action on the case. It was expected the report would be presented in the afternoon or evening, but it was not.

OBJECT TO LICENSED HOTELS.

The question of where the next meeting of Synod shall be held occupied considerable time. Rev. J. D. Sands suggested Connellsville. Several members objected because hotel accommodations could not be secured there except at licensed houses. Indiana was suggested, but Connellsville was finally selected by a vote of 60 to 7.

Rev. J. S. Shaw, of Braddock, was chosen Moderator, vacancies on committees were filled and numerous reports were referred to their proper places. A request for the transfer of the Franklin Church to Patterson Mills was received. Devotional exercises occupied the remainder of the morning session.

In the afternoon the report of the Board of Home Missions was received. It showed, among other things, stations granted aid during the year, 219; Presbyteries represented, 51; stations reporting, 597; average attendance in stations reported, 16,325; communicants, 12,538; not gain, 1,303; teachers in Sabbath schools, 1,432; scholars in Sabbath schools, 15,428; contributions to the boards, \$12,701.

The financial condition is shown as received from Presbyteries, \$45,745.92; from Sabbath schools, \$177.22; from ladies' missionary societies, \$172.56; from individuals, \$4,402.22; from legacies, \$4,639.84; from investments, \$1,284.08; total receipts, \$56,422.82; total expenditures, \$59,638.72. The report was adopted.

MISSIONS IN FOREIGN LANDS.

The statement of the Board of Foreign Missions was then received. It showed the presence of 26 missionaries in India and 24 in Egypt. The receipts from Presbyteries, individuals, ladies' societies, etc., were \$105,116.71, leaving a balance over the expenditures of \$1,821.57. Schools have multiplied until there are now 245 and 10,347 pupils in them; there are now 30 organized native churches, with 2,828 native communicants; the active working force numbers 588 persons.

The report of the Board of Church Extension was read by Dr. A. G. Wallace. It showed a great need of money. Both of the above reports were adopted.

NO ORGANS AT MEETINGS.

Resolved, That this Synod expects and desires that hereafter at this and subsequent meetings all the devotional exercises shall be so conducted that no violence shall be done to the conscientious convictions of any of its members by the use of the organ or any other instrumental accompaniment in the praise service.

Dr. Carson said it meant future meetings for all time to come. Dr. Sands objected to this and was about to make an argument when the Moderator read section of the church law showing that a resolution on this subject could not be discussed at the session of 1891. The resolution was laid on the table.

At the evening session Rev. M. L. Garlin and Rev. S. V. McIvride conducted the devotional service. Rev. H. Hood discussed the subject, "Claims of the Boards of the Church—Why They Are Not More Fully Met." Colonel E. A. Stewart also spoke on this subject. Rev. H. L. Wilson discussed the "Tilbe System," and the meeting adjourned.

THREE MISSION SESSIONS.

At the First Christian Church, Allegheny, the morning session of the convention of Foreign Christian Missionary Society was opened by Rev. F. D. Power, pastor and intimate friend of President Goodrich. The business session began at 10 o'clock and some routine matters were disposed of, after which Rev. Mr. Meigs, chief missionary of the society at Nankin, China, made an address.

A large audience was present in the afternoon. The session was opened at 2 o'clock by a brief praise service. Rev. H. O. Breeden, of Des Moines, Ia., presented a report on the work in Turkey, Japan, and the Philippines. Both were very interesting. The President then introduced C. E. Garst, a missionary to Japan who has just returned to the United States after a journey of eight years in the various missionary fields. He made a lengthy address on the work in Japan, where there are now 300,000 Christians.

CHRISTIAN ENDEAVOR WORK.

The reports of the committee on Japan were adopted by the convention, after which Dr. B. B. Tyler, of New York, arose and in a most impressive manner the speaker of the afternoon, Dr. Francis E. Clarke, President of the United Young People's Society of Christian Endeavor. As Dr. Clarke spoke he was greeted by vigorous applause. Half the audience arose, and each one waved a handkerchief. He gave a long talk on the objects of the society, how it has found footing in all the countries of Europe and all the islands of the sea. Today there are 17,500 societies, with a total membership of 1,100,000.

At the close of Dr. Clarke's address, the report of the Committee on Nominations of Officers for the ensuing year was read, as follows: C. L. Loos, of Kentucky, President; Vice Presidents, R. T. Matthews, of Kentucky; J. C. Tyler, of Ohio; H. McKeen, of C. W. Talbot, of H. C. Bush, of Ohio; Recording Secretary, R. T. Kilgour, of Ohio; Treasurer, W. S. Dickinson, of Ohio; Corresponding Secretary, J. M. Van Horn, of Ohio. The name of A. M. McLean, the former secretary, was substituted for "Come Into Me," and the report was adopted.

The report of the Committee on Work in China was also read and adopted. During six years the number of missionaries has increased from 15 in five large cities and many towns.

MONEY RAISED RAPIDLY.

It was announced that since Dr. Meigs had asked for \$5,000 at the morning session for a hospital for medical missionaries over 20,000 had been raised. The statement was received with applause. The report on Indispositions was then read. Word was received from Rev. G. L. Wharton that he was just on his way back to India with two young men, G. J. McGowan and J. H. Humber and wife. They are going into the work.

In the evening the convention of the General Board of Home Missions opened. A. M. Atkinson presided. After a selection by Prof. Woodin, entitled "Come Into Me," Miss Jessie Brown, of Cleveland, associate editor of the Christian Standard, made an address. She spoke

on the needs of missionary work. Among other things she said that young people often look upon missions as dull and uninteresting. They seem to think the facts and statistics do not amount to anything, any more than the average student fills a book. They are mistaken. The best romance that was ever written is colorless and falls into utter insignificance besides the matchless beauty of thought and action in this wonderful romance of missions.

CAPUCHIN MONKS CONVERE.

The New Officers Selected for a Term of Three Years.

Yesterday was the second day of the Capuchin Order of Priests' Convention now in session in the residence attached to St. Augustine's Church, Lawrenceville. The principal feature of the convention was the election of new officers. The delegates number 11, and the convention has not much interest to those outside of the church circles.

The Capuchin Order in this country is divided into provinces. The one meeting here is called the Eastern. It has 2 churches in Pennsylvania, 2 in Illinois and 1 each in Michigan, Kansas, West Virginia and Ohio. The other Province is the Northwestern Province, which embraces Canada. This peculiar order of priests, who try to follow as closely as possible in the footsteps of the Savior, has one recognized head and he is called General. The General is Father Bernard Christian. He is stationed in Rome, and it is his duty to attend the meetings of the Province, which occur every three years. At these meetings a head of the Province, four counselors to the head father and two delegates, who stand ready at anytime to visit Rome and elect a head of the order, should a vacancy occur, are elected. The officers chosen yesterday were as follows: Rev. Father Hyacinth, Head of Eastern Province; Fathers Monica, Gregory, Felix and Boniface, Counselors, and Father Amatae and Father Pravis delegates. The convention will continue on Friday morning. On Friday when General Bernard Christian will go to Canada to attend the meeting of the Northwestern Province.

SHOT IN HER FATHER'S ARMS.

Sad Accidental Death of Gottlieb Rometsch's Little Daughter.

A sad case of accidental shooting, in which the life of a 16 months old child was sacrificed, was reported to the Coroner yesterday from Cochran's Mills, a coal mining settlement on the Baltimore and Ohio Railroad, 16 miles from this city and just inside the county line. She was the only child of Gottlieb Rometsch, a coal miner. His nephew, Gottlieb Weidle, aged 16 years, makes his home with Rometsch. On Tuesday morning young Weidle and a companion went out hunting and on their return, Weidle, to accommodate his companion, took charge of his rifle. Before going into the house Weidle discharged his own gun and then hung both firearms on the wall inside. During the latter part of the day Weidle lay down on a bed in the house to take a nap, but was interrupted by Rometsch, who came in with the baby in his arms. Rometsch playfully ordered Weidle from the bed, but Weidle refused to get up and the two men indulged in a good-natured scuffle. Finally Weidle jokingly exclaimed: "Go way, or I'll shoot you!"

He reached for his gun, but unfortunately, took down the other man's rifle by mistake and just as he was about to turn around the rifle exploded. The ball struck the child in her father's arms in the right side, sounding her fatally, though she lived until yesterday afternoon.

Coroner McDowell authorized Justice of the Peace Kautz, of Cochran's Mills, to hold an inquest last night, and the jury returned a verdict of accidental death.

A BIG J. O. U. A. M. MEETING.

Colonel William A. Stone Makes a Speech on Immigration.

A union meeting under the auspices of the Advisory Council of the J. O. U. A. M. of Western Pennsylvania was held in the hall of the Sons of Liberty Council, Sixth avenue, last night. Over 400 members of the order were present, representing 75 different councils.

Colonel William A. Stone made a very interesting and conservative speech on restrictive immigration. Prof. O. P. Shane, of McKeesport, also spoke on this topic. President W. T. Kerr, of the Advisory Council, and A. D. Wilkin made talks on relation of the J. O. U. A. M. to the public schools. O. P. Cochran closed the meeting by a few well chosen words, explaining the objects of the order.

WISCONSIN'S SOOTHING SYRUP FOR CHILDREN teething softens the gums and allays pain. 25c.

ORIGINAL No. 4.

5 O'Clock Cake.

BY NELLIE CAMPBELL BEDFORD.

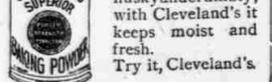

Four cups flour, Two-thirds cup sugar, One egg, Two scant cups milk, One tablespoon butter, One-half teaspoonful salt, Two teaspoonfuls Cleveland's Baking Powder.

Mix, turn in two shallow pans and bake twenty minutes in a hot oven.

Use only Cleveland's baking powder, the proportions are made for that.

There is a difference. With some baking powders, breads and cakes are coarse grained, as if the sugar was too coarse; with Cleveland's they are fine grained and spongy. With others, cake gets husky and crumbly; with Cleveland's it keeps moist and fresh.

Try it, Cleveland's.
