

NOT POPULAR ENOUGH.

The Work of the Local W. C. T. U. Criticized by Its Members.

A RIVAL TO THE KEELEY CURE.

Ashead of the Headquarters of the Prohibition Party.

RECEPTION TO RAILROAD EMPLOYEES

At a meeting of the W. C. T. U., in the Smithfield M. E. Church yesterday, Mrs. Martin asked: "Where are the Prohibition headquarters in this city? I looked for them a long time and finally found a little room in an out-of-the-way place. I was ashamed of the place and would like to know what has become of the grand headquarters we used to have?"

After the business meeting had been called to order the treasurer reported a balance of \$138.37 in the treasury. In speaking of the work of the W. C. T. U. and the trouble to raise funds, Mrs. Dr. Page said that the Union should do something to popularize the work. There were a thousand and one things which could be done. The Sterritt Union had popularized itself by caring for neglected women and children. This was a practical work and the speaker thought that they should go into the streets and do something which would popularize their work and bring them money and not forever be crumbling about their treasury.

Mrs. E. C. Maier made an appeal for help in behalf of a reception to be tendered to Baltimore and Ohio Railroad employees on Thursday of next week in the freight sheds at the foot of Ross street. This reception is to consist of a luncheon to be served at 12 o'clock. The delegates present assured Mrs. Maier of their hearty support and the reception will be no doubt a success.

Mrs. Dr. Twing, of New York, who was a delegate to the Denver convention and who is on her way home, made a short address, telling of the work done by the convention.

Mrs. R. H. Jones spoke of the Keeley cure and the good results, and thought that the W. C. T. U. should do something toward reforming men in this measure. Mrs. Jones also intimated that there was one woman who did not favor the measure. The name of this woman was demanded by a delegate, but the chair ruled that it would not be right to indulge in personalities.

Another delegate spoke of a cure by a Dr. Thompson, who not only took away the appetite for drink but also attempted to cure women's souls, and all for \$20, which was much less than the Keeley cure.

The chair ruled that they were not advertising any particular cure and advised the delegates to inquire into the Keeley cure so as to be able to vote on the subject at the next meeting.

Mrs. Jones said that the practical way to work would be to establish homes where men might go after they had been saved from drink.

One of the delegates thought that as the Government granted licenses they should establish the homes.

Mrs. Dr. Twing suggested that if the Government built these homes they would be filled with politicians. The meeting adjourned without taking any action.

In Olden Times People overlooked the importance of permanent beneficial effects and were satisfied with transient action, but now that it is generally known that Syrup of Figs will permanently cure habitual constipation, well-informed people will not buy other laxatives, which act for a time, but finally injure the system.

Had No Energy No Strength, No Appetite, Could Not Sleep.

What a Change Hood's Sarsaparilla Effected! That miserable tired feeling, nearly everyone knows, but words fail to properly describe it. Hood's Sarsaparilla quickly drives it away and gives vigor, appetite and health.

Last March I was in a very serious condition. My appetite was very poor, my bowels in bad shape, I had no strength, could not sleep even when I was tired, and when I would get out of bed in the morning felt more weary than if I had walked 30 miles. I had no heart for anything in fact I cannot describe that miserable tired feeling which clung to me night and day. I was very nervous and

Life Seemed A Burden.

I thought I should have to give up work. A friend said Hood's Sarsaparilla was the only medicine which would do me good. So I began taking it. I need hardly say, what thousands have said before, that Hood's Sarsaparilla worked wonders for me. I am now taking my fifth bottle. It has given me strength, a good appetite, vigor and energy for work. I sleep well nights, and instead of waking tired as before, in the morning I feel thoroughly refreshed and in the best of spirits. I don't feel now that

Life is Worth Living.

I am so grateful for the good Hood's Sarsaparilla has done me that I feel it my bounden duty to write this voluntarily. Three of my friends, seeing how much good Hood's Sarsaparilla did me, have also begun taking it. EDWARD O. DOHERTY, 7 Chapel Street, Dorer, N. H. He did not do her any good. I saw the advertisement of CUTICURA REMEDIES in the paper, and I said to my wife, "I am going to try them." I took her what I saw, she was so thick with sores that we had to soak her clothes to take them off. I took her what I saw, she was so thick with sores that we had to soak her clothes to take them off. I took her what I saw, she was so thick with sores that we had to soak her clothes to take them off.
