GREAT GROWTH OF MONEY ORDERS.

Legislation for the Protection of the Public Asked For.

NEW POSTOFFICES INCREASING PAST

WASHINGTON, Dec 1 .- The annual report of E C. Fowler, Acting First Assistant Postmaster General, estimates the amount needed for the next useal year at \$26,265,000, an increase of \$1,170,000. The report shows that at the end of the fiscal year 1892, there were 508 free delivery officer with a carrier force of 10,737 men, an increas

The total number of money order office in operation June 30, 1891, is shown to have been 10,070. Two thousand and twenty-three additional offices of this kind were estab lished during the year following, while at 24

lished during the year following, while at 24 places the money order business was discontinued. On June 39 there were, therefore, in operation 12,000 money order offices. Since the latter date 4.630 mames have been added to the fist of offices transacting domestic money order business, while at ten post-offices that business has been discontinued, leaving at the present time 16,690 authorized to issue and pay domestic money orders and postal notes. The increase of 1,939, made during the last-fiscal year, in the number of money order offices, was by far the largest effected in any one year in the history of postal money order offices, was by far the close of the year ended June 30, 1892, there were in operation 711 small offices authorized under the net of 1887 to issue postal notes but not to pay them.

The number of postal notes issued during the year was 7,62,043, of the total value of \$11,895,765; the number of notes paid and repails an ounted to \$11,871,333; the gross amount of fees received for duplicates of invalid notes, was \$211,895. A comparison of the above with the postal note transactions of the previous year shows an increase of \$7,472 or 2,55 percent in the gross amount of fees received. The annual report of Fourth Assistant Postmaster General Rathbone shows that the number of establishments of new post-offices during the past year was 4,105, a prester number than during any previous year shows an increase of \$7,472 or 2,55 percent in the gross amount of the shows that the number of establishments of new post-offices during the past year was 4,105, a prester number than during any previous year shows an increase of \$7,472 or 2,55 percent in the gross amount of the post offices in any state was in Georgia -220. Texas was next with 211, and Pennsylvania followed with 201. The greatest number of postoffices in any one State is 4,482 in Pennsylvania.

Major Rathbone suggests that the Revised Statutes be so mended da to make the multing of "reen goods" circulars and literature a continuous offense from

same in effect as is embodied in the Torrent lottery not.

The annual report of D. P. Leibhardt, Superintendent of the Dead Letter Bureau, shows that there were 5,510,788 domestic maliable letters received, a decrease of 71,175 as compared with the previous year. There were 557,648 domestic unmailable letters received, of which 994 contained unmailable articles, 95.449 were held for postage, 449,944 were misdirected, 32,612 were wholly without address and 2,667 were of a miscellance.

were misdirected, 32.612 were wholly without address, and 2,667 were of a miscellaneous character.

The sinual report of Chief Postoffice Inspector Wheeler shows that the total number of arrests for all kinds of offenses during the year as 1,384. Of this number only 231 were postal employes. Of the cases arred 273 resulted in conviction, while only 51 resulted in acquittal. The number of turglars of postoffices arrested was 203, against 178 hast year.

The annual report of J. Lowrie Bell, Second Assistant Postumaster General, renews his past recommendation regarding those dependent on cierks who meet death at their post of duty.

KLEIR's liquors are the best, and yet the bleapest. Call on him and he will explain. Don't Do It.

Don't worry yourself baking cakes and plesand bread these holiday times. It doesn't pay. You can get the daintiest of pies, the most delicious cakes and the sweetest, lightest bread imaginable from Marvin. You can get them Just whenever you want them, and the quality will always be the same. The price will be right, too. You'll find that it is cheaper to buy than to make these things yourself. Try it and see. Your grocer keeps Marvin's goods.
