Brain Food Nonsense.

Another ridiculous food fad has been branded by the most competent authorities. They have dispelled the silly notion that one kind of food is needed for brain another for muscles, and still another for bones. A correct diet will not only nourish a particular part of the body but it will sustain every other part. Yet, however good your food may be, its nutrition is destroyed by indigestion or dyspepsia. You must prepare for their appearance or prevent their coming by taking regular doses of Green's August Flower the favorite medicine of the healthy millions. A few doses aids digestion, stimulates the liver to healthy action, purifies the blood, and makes you feel buoyant and vigorous. You can get this reliable remedy at B. H. Gorrell's Drug Store, Lexington, Va. Get Green's Special Almanac.

He was about seventy years of age and never did anything but hunt for bruin. He was a typical mountaineer, warm-hearted and true to a fault. He leaves an aged wife, his pack of hounds and his old gun, which he loved so well.

Beautiful Marriage at Glasgow.

A pretty church marriage was solemnized this morning at 10 o'clock at St. John's Episcopal church, Glasgow, when Miss Julia Evelyn Gerow was wedded to Mr. William Russell Moose. The ceremony was performed by Rev. Maxwell Robeson of Buena Vista, rector of the church, to which was assisted by Rev. Dr. F. T. McFaden of Lynchburg. Mrs. J. P. Cleveland played the wedding marches, and during the service rendered soft music. The church was tastefully decorated with running cedar, palms, ferns, and white chrysanthemums, and softly lighted with pink-shaded lamps.
