Democratic Conservative Ticket FOR PRESIDENT, HON. HORATIO SEYMOUR, OF NEW YORK.

The circulation of the "SPECTATOR" is about as great as the combined circulation of both the other papers published in this place.

Good County Roads.

A few weeks ago, we offered some suggestions in reference to the great importance of having good county roads.

The South asks nothing but what the North promises—equal rights in a new constitution.

The Radicals, says the Charlottesville Chronicle, exempt the rich people of New England from their share in the burdens of taxation.

The ladies of Staunton, with a commendable spirit of love and patriotism, are exerting every means in their power to preserve the graves of those loved and noble heroes.

The immediate cause of the outbreak was a personal difficulty between the editor of the St. Landry Progress, a Republican newspaper.

Ec. Gov. Joe. Brown, of Georgia, a famous red mouthed secessionist, and who has done nothing to injure his fellow citizens of Georgia.

The report of Captain Mills of the Camilla riot states that there were nine negroes killed and twenty-five wounded.

On this day, Tuesday the 13th, State elections take place in Pennsylvania, Ohio, Indiana, Iowa, and Nebraska.

The Difference. The infamous carpet-baggers who have infested the South since the war, have practised deception upon the poor deluded negroes.

Escape of Negro Convicts. On Tuesday last, the train took a number of negro convicts to Allegheny county work up on the Railroad.

Foreign News. MADRID, October 10. The Provisional Junta has issued a programme guaranteeing many reforms.

INCENDIARIES ABOUT. Within the past six weeks there have been three large and destructive fires in this city.

On Tuesday evening last, the Tobacco Factory of Mr. Jno. M. Carroll, Lynchburg—

Dr. Wm. N. Anderson, aged 62 years, died in Buchanan, Botetourt county, Va., on the 3rd inst.

The largest gun in the world has been cast in Prussia. It is to carry a shot weighing 1,200 pounds.

Another letter from Hon. B. H. Hill.

The New York Herald publishes another letter from Hon. B. H. Hill, of Georgia.

How long will it take to improve the temper of the Southern people by continuing that policy which alone has disturbed that temper since the surrender.

You say Gen. Grant will be elected. Possibly so, but it cannot fix a limit to fanatic infatuation.

Staunton by a Correspondent.

"Frank," a correspondent of the Petersburg Express, wrote a letter to that Journal dated Staunton, October 3rd, from which we take the following extracts:

Editor Express: In my peregrinations through the glorious Old Dominion, and the bastards State of West Virginia, the past two months, I have not had the pleasure of "hauling up" at any town or "burg" half so lively or cheerful as Staunton.

You say Gen. Grant will be elected. Possibly so, but it cannot fix a limit to fanatic infatuation.

Will we have war if Seymour is elected?

Mr. Pendleton, in the able speech delivered by him at the immense Democratic mass meeting held at Pittsburg, on Monday night week said:

Now gentlemen, I do not intend to speak to you further on the idea on which I started out, which was the immense of Pennsylvania, the interest of Pittsburg, more than any other part of Pennsylvania.

You say Gen. Grant will be elected. Possibly so, but it cannot fix a limit to fanatic infatuation.

Auction Sales.

TRUST SALE.—Pursuant to a deed of trust, dated the 13th day of June, 1853, and recorded in the Clerk's Office of the county of Augusta, I shall offer at public auction, on

THURSDAY, the 5th day of November next, 29 acres of land, Situate on Christian's Creek in this county, called the "St. John's tract," adjoining the lands of Cyrus Koerner and Geo. B. Baiman.

The quality of the land is very good. It will be sold subject to the widow's dower. The title is believed to be good, but such only will be conveyed as is vested in me as trustee.

AGUSTA LAND FOR SALE.—The undersigned, one of the heirs and as agent for the other heirs of Robert M. White, dec'd., will sell at public auction, on the premises, on

THURSDAY, OCTOBER 22ND, the farm owned by the decedent, situated on the Greenville road, and containing 162 acres, and 10 miles from Staunton, containing 162 acres, of which 120 acres are cleared and in good state of cultivation, and are well adapted to the growth of all kinds of grain and grasses. The balance is heavily timbered. It contains an orchard of 200 fruit trees of select fruit. It is watered by a stream which runs through the farm six months in the year, and has two good wells, one in the yard near the house, and the other near the barn.

It contains a good dwelling house with eight rooms conveniently arranged, and the necessary out-houses.

Terms.—One-third in hand, and the balance in two equal annual payments, the purchaser executing bonds with approved security, and lien retained as ultimate security.

W. M. SHIREY, Agent for the heirs of Robt. M. White, dec'd., of Waynesboro', Augusta, Co. Va.

The undersigned, as administrator of the es of Robt. M. White, dec'd., will sell, at the time and place above mentioned, all personal property belonging to the estate, consisting, in part, of Horses, Hogs, Cattle, the growth of all kinds of grain and grasses, of wheat in the mill, some rye, oats, and hay, farming implements, and Household and kitchen furniture.—For all sums of ten dollars and under cash, for larger sums a credit of six months, the purchaser executing bonds with approved security, and lien retained as ultimate security, on the premises, on

THURSDAY, 22ND OF OCTOBER, on the premises, that valuable estate, known as the "RICHMOND," situated on the Rappahannock River, in Calpelcounty, Va., above and in sight of the Orange & Alexandria Railroad, and one mile from Rappahannock Station, and one mile from the depot. It contains 400 acres, first class in a general allotment, about 280 acres lay first class river-bottom, and the balance of the finest quality of Red Land in the State, and is almost entirely in pasture. In describing this peculiarly attractive and valuable farm, I can hardly do it justice. It is the finest farm in the South, to the Mountains, and is not the finest in Va.—not one of the most desirable poor land on the entire tract. Its healthful location and facilities to markets, added to the fertility of its soil, make it one of the most desirable of cultivation, about 200 acres newly set in Grass, and the balance in corn, and wheat, and other crops now in corn, and about the same amount of wheat just sown. The farm is well watered, and has on it a sufficiency of heavy timber.

The improvements consist of a Large and Newly-built Frame House, containing 8 rooms, with all the modern improvements and conveniences, and is nearly finished inside and out, besides all necessary Out-houses. The improvements are located upon a beautiful eminence, overlooking the Rappahannock River, and in full view of the Railroad for nearly a mile. The farm is entirely enclosed, a good portion of the fencing being post and plank, and post and rail. Terms made known on day of sale.

WILLIAM CALDWELL, Exr. of A. Inch, dec'd.
