Price \$1 per bottle, which lasts from six to eight weeks. Recommendations. Mrs. B. Norris: Dear Madam—It gives me great pleasure in recommending to public favor your valuable medicine (Cedar Tar) as an excellent preventative or curative in the first signs of colds, inflammations, or diseases of the lungs, and also as a very valuable tonic. Yours, very respectfully, T. H. WRIGHT, M. D.

Home Testimony. Dr. William C. Bryant, Doctor of this city, has been suffering from Consumption of the Lungs for the last six or seven years, and has tried almost every article recommended in his case, without any real benefit. He purchased a bottle of your medicine, and immediately derived benefit from its healing and strengthening properties. At the time he commenced taking it, he was very low, inasmuch that he was obliged to give up his office for practice. He is now able to attend to his patients, and by continuing the medicine, he confidently hopes to be fully restored. Dr. C. has kindly volunteered that his case should be made public, and that others might be benefited.
