THE TRIUMPHANT SUCCESS OF THE GREAT ARABIAN REMEDY FOR MAN AND BEAST.

CELEBRATED ARABIAN LINIMENT. It is causing counterfeits to spring up all over the country, spreading their baneful influence over the land, robbing the people of their health and wealth, and poisoning their blood, for the genuine H. G. Farrell's Arabian Liniment. Fellow Citizens! Look well before you buy, and see that the label of the bottle has the letters H. G. Farrell & Co. on it, for if it has not, it is a counterfeited. The label around each bottle of all my liniment reads thus, "H. G. Farrell's Celebrated Arabian Liniment;" and my signature is written upon the glass bottle, and is blown in the glass bottle, "H. G. Farrell's Arabian Liniment, Peoria."

This truly great medicine still goes on, conquering disease, and snatching many a poor, powerless victim from the grasp of death, and restoring vitality, penetrating and Anodyne qualities, it restores the use of limbs which have been palsied for years; and by its singular power of reproducing the Synovial Fluid or Joint water, it cures Rheumatism, and affections of the Spine and Spleen, it has proved itself a specific; and for affections of the Lungs, Liver and Kidneys, it is a most valuable and powerful remedy. It cures all diseases of the Glands, Scrofula, Gout or Swelled Neck, &c. &c. And indeed for almost any disease where an external application is required, this medicine stands unparalleled.

From the Hon. Peter Minard, one of the Oldest Settlers in Illinois. It gives me pleasure to add my testimony to the virtues of your great medicine. I use it on my blooded horses had a swelling over the cap of the knee, about the size of a hen's egg. Some said it was a strain, and some that it was the joint water from the knee, and could not be cured. I tried oil of sweet almond, and all kinds of ointments, and they did no more good than water. I then, by persuasion of my friends, tried H. G. Farrell's Arabian Liniment, and I was happy to find it take effect after a few days, and it cured the swelling entirely. I think it is decidedly the greatest liniment for horses as well as human flesh, I ever knew.

[Esg. Barker, of New Canton, Ill. says:] Mr. H. G. Farrell's Arabian Liniment has cured some bad cases here, which every other remedy had failed in; one was a white swelling and contracted cords in the leg of a boy twelve years old who had been in the water, and it cured him entirely. The boy's father was induced to try the medicine, and he came to Mr. Barker's store, and the first words he said were, "Mr. Barker, I want all that Liniment you have in the store; I will have it all, and will give you as much as you like, and has free use of his legs. It is good for sprains, bruises, cuts, burns and swellings."

Being fully satisfied that H. G. Farrell's Arabian Liniment is the best medicine in the world, I cheerfully recommend it. I had been afflicted for 16 years with a most severe pain in my breast and shoulders, which was so bad that I could hardly do any work, and it was so bad that I was forced to stop for two weeks at a time with it. I used your liniment on it, and it cured me sound and well. I had at the time of using your liniment, one of the worst cases of rheumatism I ever had, and it cured me. I rubbed it in well over my breast and shoulders. It is also excellent for frost-bitten feet, sores, swellings, sore throats, mange, erysipelas, &c. KICKAPOO, Peoria, Co., Ill.
