MUSTANG LINIMENT.—Mustang Liniment, Arabian Liniment, Rose's Magic Liniment, Hunt's Liniment, with a variety of external applications for Rheumatism, on hand and for sale by O. J. STRECKER.

W E daily bear of the most astonishing cures being effected by that great and popular medicine, the genuine H. G. FARRELL'S CELEBRATED ARABIAN LINIMENT. The greatest remedy ever discovered for almost all complaints requiring an external application, either in man or beast. In the short length of time it has been introduced to the people of the United States, it has gained a reputation unequalled by any other medicine in the known world. Why is it? The answer is plain: because no medicine of the kind has ever been put before the public so deserving of the rich reward it has acquired; and who can give a trifle for a few lines of the most extraordinary cures of various descriptions, after the doctors and other remedies had failed. We do not only say that the genuine H. G. Farrell's Arabian Liniment can and does perform cures which no other medicine can do, but you have here certificates of what it has done.

THADDEUS SMITH, of Mudd Creek, Tazewell county, Illinois, says: I had lost the use of my arm more than a year by palsy or paralysis; the flesh had entirely withered away, leaving nothing but skin, muscle and bone. I tried all the best doctors and all the remedies I could hear of, without success. I was then recommended the use of H. G. Farrell's Arabian Liniment, and a few bottles entirely cured me, and my arm is now as strong and fleshy as the other. It is also first rate for burns, sprains and bruises.

My daughter, when six months old, was taken with a swelling in the tonsils which grew larger and larger, till when six years old, she had great difficulty in swallowing her food. Every night, watch was kept, fearing she would suffocate. The best doctors attended her, but could give no relief. I took her to the most eminent doctor in the East; he said there was no help for her but to oust her. With a sad heart I returned home with her, when she became so much worse that the doctors had to be called again. She is now ten years old, as fleshy and healthy as could be desired. Your Liniment is also the best in use for sprains, bruises, cuts, burns, headache, &c.; and it will remove the most severe pain in a few minutes. It is also cured in my cow in a few days.

GEORGE FORD. Mr. H. G. Farrell: Your Arabian Liniment is the greatest medicine for horse flesh in the world. I had a mare about to foal, which she became so nervous that she could not rise from the ground; she was in this way for several days, when with seven others I succeeded in raising her up, which was the only way to save her. I continued to use your Arabian Liniment, rubbed in well over the loins, and astonishing as it may appear, before I used up a bottle of the dollar size, she was able to get up and feed herself. I could not have given ten dollars for her help, and she is now in good health to put her to other uses; she is now one of my best mares. I suppose it was a strain in the loins. G. W. HUNT. Va, 10th, July 2, 1849.

To guard against imposition, read the following carefully: The public are particularly cautioned against a base counterfeit which has lately made its appearance, and is called by the impostor "Farrell's Arabian Liniment." This is a dangerous fraud, and more liable to deceive from its bearing the name of Farrell. Therefore be particular in your purchases, and insist on the genuine "Farrell's Arabian Liniment," for unprincipled dealers will impose this spurious mixture upon you for the genuine, but always ask for H. G. FARRELL'S ARABIAN LINIMENT, and take care, as the genuine always has the letters "H. G." before "Farrell's," and these words blown in the glass bottle. "H. G. FARRELL'S ARABIAN LINIMENT, PEORIA."

RECOMMENDATIONS. BALTIMORE, March 17, 1851. Mrs. B. B. Norris: Dear Madam—It gives me great pleasure in recommending to public favor your valuable medicine (Cedar Tar) as an excellent preventative or curative in the first signs of bronchial affections, or diseases of the lungs, and also as a very valuable tonic.

Home Testimony. Dr. William C. Crump, Dentist, of this city, has been suffering from Consumption of the Lungs for several years, and has had almost every article recommended in his case, without any real benefit. When the Cedar Tar was advertised for sale in this city, he purchased a bottle, and immediately commenced its use, and to his great surprise, he found it to be very useful, inasmuch that he was obliged to give up his office for practice. He is now so much relieved, that he is able to attend to his business, and he has continued the medicine, he confidently hopes to be fully restored. Dr. C. has kindly volunteered that his case should be made public, that others might be benefited. There are many who are suffering from Consumption of the Lungs, who can be referred to, besides a number of Physicians in Baltimore, who are administering it in their daily practice.
