The marked and ever extended popularity of SINGER'S SEWING MACHINES.—
The marked and ever extended popularity of SINGER'S SEWING MACHINES, both in America and Europe, is such as best to establish their superiority over all others in the market. Sewing Machines, so called, may be bought, it is true, for a smaller, amount of dollars, but it is mistaken economy o invest anything in a worthless or unreliable article, and those who will do so must abide the consequences.

SINGER'S NEW FAMILY MACHINES
In order to place the very best Family Machines, in the tworld within the reach of all, we have reduced our Letter A, or transverse Shuttle Machines, beautifully ornamented, to FIFTY DOLLARS.

SINGER'S No. 1 AND 2 STANDARD SHUT-Both of very general application and capacity, and popular both in the family and the manufactors. Prices reduced respectively from \$135 and \$130 to \$90 and \$100.

SINGER'S No. 3 STANDARD SHUTTLE MACHINE.

For carriage-makers and heavy leather work. Prices, including iron stand and drawers, \$100, cheaper at that, in view of its value, than the machines of any other maker as a gift.

All of Singer's Machines make the interlocked stick with two threads, when is the best stitch known. Every person desiring to procure full and reliable information about Sewing Machines, their sizes, prices, working capacities, and the best method of purchasing, can obtain it by sending for a copy of "I.
