DOCUMENTS FOR THE SOUTHERN HISTORICAL SOCIETY.

The Southern Historical Society has received at its office, in the capitol, since its last acknowledgment, the following valuable documents: The account of the capture of the city of Richmond, and the account of the capture of the city of Petersburg.

ARREST OF A FUGITIVE FROM JUSTICE.—Mr. William F. Knox has been engaged for some days past in working up the case of a negro named Richard Johnson, who was charged with stealing about \$1,000 worth of goods from a store at Martin's Cross-roads, Calhoun county, Ala., and on Saturday succeeded in arresting him. Johnson, it appears, fled from Alabama to Virginia, and went to Louisiana. Hearing that he was in Louisiana, Mr. Knox went up on the train on Saturday morning, but failing to find him, came back to Richmond, and on the following morning, and when at Buckner's station, meeting the accused took him in charge and brought him to Richmond. Mr. Knox was accompanied by Sheriff Morse. The prisoner was brought to Richmond and locked up at the station-house to await a requisition from the Governor. Wren served the warrant upon Johnson when he reached the city.

ENTERTAINMENT AT TRINITY CHURCH.—Professor Worcester, of New York, will give two very instructive and entertaining exhibitions in the lecture-room of Trinity church to-night and to-morrow night. The entertainment consists of brilliantly-illuminated views of interesting places and objects seen in a tour through Palestine, together with splendid views of works of art and architecture in Italy, Paris, and Great Britain, scenes in the life of the Saviour, &c. These views are brilliantly illuminated with the oxyhydrogen light, and cover a canvas as large as the room will allow. Over one hundred views will be shown each night. The choir of Trinity church will furnish instrumental and vocal music for both occasions. The proceeds will be devoted to church purposes.

REAL-ESTATE TRANSFERS.—The following is a list of the conveyances of real estate for the week ending March 27, 1875: Lois fronting 28 feet on Cary street, between Seventeenth and Shockoe creeks, for \$1,600; 22 feet on Union-street for \$1,151; 41 feet on Duval street for \$600; 30 feet on Clay street for \$1,800; 30 feet on Twenty-seventh street corner of Lewis for \$1,150; 15 feet on Belvidere street for \$135; 17 feet on Main street between First and Second for \$3,875; 33 feet on Clay street corner of Twenty-ninth for \$1,070; 33 feet on Grace street between Twenty-sixth and Twenty-seventh for \$900.

A GRAND MEDICAL EXHIBITION IN PROSPECT.

The Second Baptist church, under the patronage of the Second Baptist church, and under the patronage of the Second Baptist church, will give a grand medical exhibition in the lecture-room of the church to-night and to-morrow night. The exhibition consists of brilliantly-illuminated views of interesting places and objects seen in a tour through Palestine, together with splendid views of works of art and architecture in Italy, Paris, and Great Britain, scenes in the life of the Saviour, &c. These views are brilliantly illuminated with the oxyhydrogen light, and cover a canvas as large as the room will allow. Over one hundred views will be shown each night. THE ICE-GORGE.

Water Gap, Pa., March 27.—The ice-gorge, which is several miles above the Gap, still remains the same. The strong resistance by the ice in the Gap has been lessened by cutting a channel through the middle. The rain last night has made no visible impression. The weather is warm and snow melting rapidly. Should the weather remain thus for three days the break is inevitable. This gorge consists of one hundred and fifty miles of ice thrown into a space of eighteen miles. It is now thirty feet thick.

MURDERER HESITATED.

MOREHEAD CITY, March 27.—Lawyer Bryan, who was to have been executed yesterday for the murder of Michael T. Langley, has been respited till September next. This is occasioned by the resignation of the sheriff and all other county officers who were responsible for the execution of the sentence. The reason given is that the negro belonged to Onslow county, and not Carter county, whither the case had been removed and tried. The execution is postponed till September 3d, when new officers will have been elected.

ANTI-CIVIL RIGHTS LAW IN DELAWARE.

DOVER, Del., March 27.—The Legislature has adopted a bill which gives the Governor the power to remove any person from office who is guilty of a crime. It does not mention color, but provides that hotel-keepers, railroad companies, steamboat-owners, and others, may provide separate accommodations for any class of persons objectionable to their customers and passengers.

DESTRUCTION OF PROPERTY BY STRIKING MINERS.

LOUET GAP, Pa., March 27.—The striking miners have dumped the loaded cars, and burned the depot and telegraph office. Police from Reading and Philadelphia have been sent to protect the property.

RHODE ISLAND DEMOCRATIC NOMINATION.

PROVIDENCE, March 27.—The Democrats have nominated Charles P. Carter for Governor. The convention was the largest that the Democrats have held for years.

JOHN MITCHELL.

NEW YORK, March 27.—The parade in honor of John Mitchell has been postponed. A meeting will be called shortly, at which arrangements will be perfected to carry out the programme on a week-day.

A Destructive Fire.—Special telegram to the Dispatch. Norfolk, March 27.—Colonel George T. Wallace, of Norfolk county, sustained a severe loss by fire on his beautiful estate (Glenloch) this morning. His stables were burned, and forty horses, two mules, two oxen, a number of hogs, and a large quantity of corn and provender were consumed. The origin of the fire is unknown. No insurance.

Captain Winbush Was Killed.

DANVILLE, March 27.—The condition of Captain Abram Winbush, who was thrown from his horse last night while returning from a fish-ery, and so severely injured by the fall, whose death was reported last night, is much improved to-day, though he sustained a compound fracture of the skull.

The West Virginia Capital Question.

CHARLESTON, W. Va., March 27.—First-district men are getting very sore of the capital question. The injunction has thrown a damper over the Revivalists. The Wheelingians have advised the Governor to pay no attention to the injunction suit.

The Louisiana Judgeship.

WASHINGTON, March 27.—The best legal opinion is that neither the President, Mr. Justice Bradley of the Supreme Court, or Circuit Judge Wood of Louisiana, can designate a successor to Judge Durrell as district judge of Louisiana. The bench must remain vacant until Congress meets.

Washington Items.

WASHINGTON, March 27.—The President goes to New York to-morrow. It is likely the resignation of Colonel McCarty as superintendent of engraving and printing will not be accepted. General Augur has relieved General Emory as New Orleans.
