MASK BALL.

The Fireman's Mask Ball given by the Reliance Hose Company Thanksgiving evening was a success socially as well as financially.

A goodly number were in mask all well represented some in pretty costumes while others were grotesquely dressed affording much amusement to the spectators and helping to make the occasion an enjoyable one.

Mr. and Mrs. Will Eades, the former representing an Indian and the latter a cow girl carried off the head prizes, while Miss Selma Vachon as a dutch lady and Norman Lease as a comedian were awarded the bobby prizes.

The fire laddies are to be congratulated on the success of the undertaking and the people look forward to a re-occurrence of another such occasion.

OVERTAXED

Hundreds of Wahpeton Readers Know What It Means.

The kidneys are overtaxed; Have too much to do.

They tell about it in many aches and pains—

Backache, sideache, headache.

Early symptoms of kidney ills.

Urinary troubles, diabetes, Bright's disease follow.

Mrs. J. Kvam, living at 212 Second St., Fargo, N. D., says: "I am glad to endorse Doan's Kidney Pills in view of the gratifying results obtained from their use by my husband. A few months ago he was suffering from kidney disease. His back was so lame that he was unable to stoop or lift and he was much annoyed on account of the irregular action of the kidney secretions. He finally procured a box of Doan's Kidney Pills and used them a short time in accordance with

the directions when his trouble disappeared. His kidneys are now in a healthy condition and his general health greatly improved. He is very grateful to Doan's Kidney Pills for what they have done for him." Plenty more proof like this from Wahpeton people. Call at Keca's drug store and ask what customers report.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's and take no other.

OBITUARY.

Shocking indeed was the news received here Friday by relatives, of the sudden death of Baby Marcella, only child of Mr. and Mrs. J. A. Ambrosich, of Mankato, Minn., formerly of Esterville, Iowa.

Mrs. Ambrosich, who had been spending a few weeks here visiting her sister, Mrs. Theo. Hintgen, departed with her mother, Mrs. Gephardt, Wednesday for their new home at Mankato, Minn., and all seemed well and anticipating a pleasant Thanksgiving, when without warning little Marcella was stricken with spinal meningitis Friday morning, death coming to relieve the sufferings of the little one the evening of the same day.

The funeral services were conducted at St. John's church in this city by Rev. Fr. Ridder, at nine o'clock Monday morning. The four flowers girls, the little girls who carried the casket, also the one carrying the cross wore white, making a very pretty and impressive ceremony. But fairest of all the flowers like a broken lily on its stem, was the fair little child who had lived but ten short months to brighten the lives of those around it. Our heart goes out to the stricken parents who needs must return to their desolate home and take up the thread of life once more, trying to see that our

ways are not His way and God knows best.

A SAD DEATH.

Very sad was the death of Mrs. Albert Nelson which occurred Friday evening, having been stricken with a kidney trouble in an acute form early in the morning of that day.

Mary Coppin at the age of 21 was united in marriage to Albert Nelson New Years night 1908 and was the only daughter of Mr. and Mrs. A. Coppin living west of this city.

She was of a loving disposition and leaves a large circle of friends and relative with a father, mother, husband and two brothers, Archie and Alfred to mourn her departure.

The M. B. A. Lodge, of which the departed was a member attended the funeral in a body.

The floral offerings given by the friends of the deceased were very beautiful.

The funeral services were conducted at the Congregational Church at 1:30 Tuesday afternoon by Rev. Gallagher and laid to rest in Wild Rice Cemetery.

Our sympathy is extended to the bereaved relatives and friends in their hour of sorrow.

THE MAN OF THE HOUR.

"Every woman will love this play! She will love every character in it, even to the men who are not as good as some of the others, and she will love every word they speak. And why? Because the men in the play talk like the husbands, brothers, fathers, sons, and sweethearts of real life; because the women in the play are like the women we like to have round us at home; because what they all say, the men and women of 'The Man of the Hour,' is the speech of human beings, and sounds like what we hear every day at home and in the street. In short, 'The Man of the Hour' is bound to succeed wherever it is acted in the United States, because it shows American men and women of all classes as they really are."

The foregoing was written by Amy Leslie, the famous dramatic critic of the Chicago Daily News, in her paper on Monday, May 13, 1907, the day following the Chicago production of "The man of the Hour." It represents the most striking tribute ever played to a play of American life written by an American author.

And this is the play, "The Man of the Hour," by George Broadhurst, which is to be acted for the first time here Wednesday Dec. 16
