The flag pole on the main building is again in place. It was badly bent in a wind storm some time ago, but after being straightened out it now reaches up twenty feet above the spire and is so reinforced that it is warranted to stay.

The girls' preliminary declamation contest was held last Tuesday evening when seven girls took part; Viola Kimball, Matilda Tiseth, Olga Nypen, Helga Ringen, Mabel Simmons, Edith Ness and Ethel Nelson. It was an interesting contest held to select three speakers for the final contest.
