can papers. People in other countries attempting slanderous charges or showing disloyalty to their ruler are held for high treason and are silenced for all time to come and in a way which proves a warning to others. Mr. Wilson is our president—President of the great United States elected by the people of this country, and now he is subjected to the worst and most degrading that some of these same people can say of him. The four years Mr. Wilson has had, is a short time in which to re-arrange and re-model the bad condition of things left for him after Ex-Pres. T. R. and Ex-Pres. Taft walked out of the White House. "Charity covers a multitude of sins." Therefore if the Roosevelt-Taft-Hughes gang will have a little charity, their sins may not be so openly exposed for them—in other words they can keep them under cover, and if Roosevelt-Taft can elect their cat-spaw, together they may be able to attain the perfection which they are demanding of President Wilson.

"BOB" McMICHAEL

Deputy Sheriff McMichael was in Fairmount Wednesday. He had been to White Rock on business. Bob is the Democratic candidate for sheriff of Richland County. If ability and good service counts for anything and if the people realize the fact, Bob will be the next sheriff. Of course, he has only been the deputy, but he has been a very busy one, and a good one. For four years he has familiarized himself with the duties of the office and has fulfilled his obligations and it will be seen at the coming election whether a faithful and honest servant is appreciated by the law abiding citizens of Richland County. Bob is well liked and well known and we believe he will be elected.

The above item taken from the Fairmount News of last week, shows the standing that "Bob" has in the south part of the county. He is a very thorough young man, as deputy sheriff he made good, as a candidate he is a hustler and hustling in an honorable straight forward way that will land him in the sheriff's office for the next term. When sheriff, he will be "Bob" just the same.

### A. D. HANSEN

Democratic Candidate for Senate of the 37th District, Part of Richland County

The Non-Partisan League did not have any candidate in this district till after the primaries, when a convention was called and the farmers asked Mr. Hansen, running on the Democratic ticket to accept the nomination, which he did. He is therefore the farmers' candidate and is in sympathy with the farmers' program, which he will support. His opponent, C. W. Carey, Republican, served in the last house, where he voted against the terminal elevator bill and for the repeal of the terminal tax, showing he is not in favor of farmers' legislation. He does not have the support of the farmers and is not bound to their measures if elected.

Mrs. Chas. Schultz was taken to a hospital at Fergus Falls on Tuesday where she will be operated on. Mrs. Schultz has been in poor health for some time past. Mrs. Schultz's mother arrived last week from Iowa to look after little Arnold during his mother's absence.

FANK P. ALLEN Judge Fourth Judicial District Non-Partisan Candidate for Re-Election

If my services have been satisfactory, I would appreciate your support.
