**The Seasons Greetings**

Filled to overflowing with unparalleled achievements, with heroic deeds and measureless sacrifice, the Old Year passes. The roar of guns is heard no more. The red tide of battle ebbs and dies away, the sacrificial war is over.

"The Tumult and The Shouting Dies  
 The Captains and the Kings Depart."  
 Clothed with strange significance and fraught with new meaning for mankind, comes again that eternal message—Peace on Earth Good Will Towards Men.

With unspeakable gratitude, a war-worn world receives the glad tidings Out of The Shadow We Come at last into the Glorious Sunlight of a new Day. A universal joy abides within the hearts of men.

Greetings and sincere good wishes to you in the New Year and may the fruits and blessings of Peace be shared in unstinted measure with you and yours
