ELSIE FERGUSON

The Best Picture in a Year

In "HIS PARISIEN WIFE"

Here is one of Elsie Ferguson's most dramatic pictures. In the latest French gowns, she startles a puritan New England town. And through all the big, tense scenes, flashes brilliantly like the great star she is. Excitement enough for any one.

GO WEST, YOUNG MAN

Produced amid the picturesque mountains of California, in scenic beauty, clearness of photography and all-round excellence of production. There is plenty of action throughout the play—fighting like blazes to win the girl of his heart and, incidentally, rescue her from the perils which usually befall beautiful girls who live among the good and bad souls of the far west.

WOULDN'T TAKE A FORTUNE FOR IT

Tanlac Proves of Untold Value to This Man—Gains Twenty-One Pounds.

"I wouldn't take a fortune for the good Tanlac has done me, for it has not only restored my health but has added twenty-one pounds to my weight, and I feel like a different man in every way," said Peter Riedweg, a valued employe of the Pacific Car Foundry Co., and whose residence is 553 Clay St., Portland, Oregon.

"About eighteen months ago," he continued, "I had a bad spell of the grippe, and it left me in a very badly run-down condition, and until I began taking Tanlac, I was not able to find a thing that would get me started up hill again. My appetite was very poor, and my stomach was in such bad condition that the little I did eat would give me indigestion. Sometimes for three or four hours after my meals I would be all bloated up with gas and suffer something awful with shortness of breath. I was badly constipated most of the time, and occasionally suffered from headaches. My kidneys gave me lots of trouble also, and I had a dull, heavy pain across the small of my back all the time. All my strength and energy seemed to gradually leave me, and I lost a lot in weight, and finally got so weak and worn-out that I had to give up my work and for three months I was not able to do a hand's turn.

"I heard so many folks around Portland talking about the good this Tanlac was doing them that I decided to buy a few bottles and see if it would help me. Well, sir, I don't believe it is possible for anybody to improve faster than I did after I began taking that medicine. My appetite improved from the very first bottle, the condition of my stomach soon improved so much that I could eat just anything I wanted and I would not have indigestion afterwards. I kept on taking Tanlac and the more I took the better I felt, and after taking six bottles all my troubles disappeared. I am never bothered with that pain in my back, and my kidneys seem to be in good condition. I am rid of constipation, and never have a headache at all. I have gained a lot in weight, in fact I weigh more today than I ever weighed in my life, and thanks to Tanlac, I am well and strong in every way as I ever was, and am glad to recommend it to everybody."

Tanlac is now sold in Great Falls by Model Rx Pharmacy, 312 Central avenue, and Cascade Rx Pharmacy, 110 Third street south.—Adv.

BONDY-M'LEAN

William J. Bondy and Miss Jean McLean went to Havre on Tuesday and returned yesterday Mr. and Mrs. William J. Bondy. They have taken apartments in the Elmore where they will be at home to their friends on whom they sprung their surprise by their trip to the Hill county capital. They were married by the pastor of the Baptist church of that city. Mr. Bondy is engaged in the automobile business and the bride has been one of the popular salesgirls at the Young store. Both are well known among the younger set.

PROCTOR ON A VISIT

P. R. Proctor of Rochester, New York, is in Great Falls for a visit with his brother Frank Proctor. After a visit of a few days here, he expects to continue his journey west, stopping at Coeur de Alene and at Spokane and then going to California. Mr. Proctor, who is also a brother of the late Charles C. Proctor, formerly resided in Wisconsin, but "went east" instead of heeding Greeley's advice about the west.

SIMPLE COMBINATION HELPS WEAK EYES

Great Falls people are astonished at the quick results produced by simple witchhazel, camphor, hydrastis, etc., as mixed in Lavoptik eye wash. In one case of weak and near-sighted eyes a few days use brought great improvement. In another case it stopped eye pains and inflammation. We guarantee a small bottle of Lavoptik to help ANY CASE of weak, strained or inflamed eyes. Aluminum eye cup Free. Great Falls Drug Co.—Adv.

FREEMAN SEES TALMAGE PLAY WHILE SERGEANT IN CAMP

Manager W. W. Freeman, of the Imperial theater, who less than six weeks ago was a sergeant at Camp MacArthur, Waco, Tex., says that things sometimes work out in a peculiar way. You see it happens that while Freeman was still located at Camp MacArthur he one night visited the city of Waco, near the camp, and of course, when he saw Norma Talmadge's name in front of Waco's finest photoplay house he immediately took in the show which chanced to be "The Forbidden City" which is now appearing at Freeman's Imperial theater in Great Falls.

Mr. Freeman says that the film was one which pleased both him and his wife greatly when they saw it in Waco and that, in fact, it was the best photoplay they had either seen in quite a while and there are a great many theaters in Waco. It naturally gives Mr. Freeman quite a deal of genuine pleasure to now be able to show the public of Great Falls the same Norma Talmadge play at his theater and he states that the feature photoplay is undoubtedly Norma Talmadge's best to date and a picture which he enthusiastically recommends to his patrons.—Adv.
