Weather Conditions — Pacific Slope, Northwest and Canadian Northwest

With the presence of an area of high pressure over Canadian interior and its southern extremity touching northern Montana, northerly winds decidedly modify weather in the adjoining provinces. Montana and North Dakota. Snows have occurred generally in the central and western Montana, over the plateau, interior Washington and Oregon, and rains on the entire Pacific coast. Low pressure covers the central Rocky Mountain region and Great Plains, resulting in rising temperatures over these sections. Fair weather prevails in the south and unsettled, with rain, obtains in the northeast.

Montana Forecast.

Generally fair Monday; somewhat warmer in west and central portions; Tuesday probably fair and warmer.

Mrs. Kate Hall says: "I have kept house 15 years, am the mother of four children, and I would not keep house without Hollister's Rocky Mountain Tea." Wise woman, why? Drives away sickness, brings health and happiness to the whole family.—Cascade Pharmacy.—Adv.

GOVERNOR WHACKS INTERNATIONALISM

Calls It Damnable Doctrine at Legislature's Washington Birthday Celebration.

Helena, Feb. 23.—Washington's birthday was officially observed by the legislature, last night, at a program of speaking and music at a local theater. The Anaconda Copper Mines band, of Butte, rendered a program of national and classic music. Governor Sam V. Stewart, the principal speaker, was introduced by Speaker O. W. Belden of the Montana house. "Washington, the Father of Nationalism," was the topic of the governor, who reviewed the national ideals of the Revolution and the Civil war and then turned to today. "And now," he said, "our nationalism is being attacked by internationalism in the form of the bolshevik. We are being assaulted from without and from within. I think that this is the most damnable doctrine ever preached. There are those from abroad who will not fuse in our melting pot, and I say that if they will not become Americans in that and in fact, they should be driven from our shores forever." Senator Edwin Booth, of Fallon county, spoke on "Washington, the Leader," and also scored the bolshevik movement.
