Want to Feel Just Right? Take an NR Tonight

JUST TRY IT AND SEE how much better you feel in the morning. That "tired," "headachy," "dazed," "don't-know-what's-the-matter" feeling will be gone—you'll feel fine.

TROUBLE IS, your system is clogged with a lot of impurities that your over-worked digestive and eliminative organs can't get rid of. Pills, oil, salts, calomel and ordinary laxatives, cathartics and purges only force the bowels and prod the liver.

Nature's Remedy (NR Tablets) acts on the stomach, liver, bowels and even kidneys, not forcing, but toning and strengthening these organs. The result is prompt relief and real, lasting benefit. Make the test. Nature's Remedy will act promptly, thoroughly, yet so mildly, so gently, that you will think nature herself has come to the rescue and is doing the work.

And oh, what a relief! You'll be surprised to find how much better you feel—brighter, better every way. If habitually or temporarily constipated, take one NR Tablet each night for a week. Then you'll not have to take medicine every day. Just an occasional NR Tablet after that will be sufficient to keep your system in good condition—keep you feeling just right.

KREMLIN RAISES QUOTA. Armenian relief fund appointed.

Armenian relief fund appointed. John Schiller and Frank Howland to solicit the Kremlin allotment and they were supposed to go to work today. Instead they subscribed the local chairman Sunday that the Kremlin amount already had been subscribed.

Here's A Gentle Laxative For Elderly People. A daily free movement of the bowels becomes a serious problem as you step from middle-life into old age, and much dependence can no longer be placed on nature herself. The bowels find artificial aid necessary. The stronger the physic, as old people soon learn; the greater the contraction of the bowels thereafter, and so the wise purposely avoid salt waters, pills and other harsh purgatives. Many have learned to place absolute reliance on the gentle but positive action of a combination of simple laxative herbs with pepsin sold by druggists under the name of Dr. Caldwell's Syrup Pepsin.
