INFLUENZA BREAKS OUT AT BOZEMAN

New Epidemic Attributed to Visit of High School Students at Helena.

Special to The Daily Tribune.

Bozeman, March 6.—Another wave of influenza has struck Bozeman and vicinity. The Gallatin county high school is the center of the epidemic, evidently resulting from the visit of high school students to Helena last week for the district basketball tournament.

A large number of students and several teachers of the high school are ill, but none seriously. A house quarantine is being enforced and the emergency hospital has been opened.

The health board is considering the postponement of the state basketball tournament but will not reach a decision next Saturday.

Dutton Man Returns From Front in France; Others Discharged

Special to The Daily Tribune.

Dutton, March 6.—Richard Anderson, who was in the front trenches a few weeks immediately preceding the signing of the armistice, is the first Duttonite to return home from overseas.

Clarence Heckner and M. D. Johnson, who were recently honorably discharged from military service, have returned here. Heckner is staying with his parents and will probably assist his father on the farm. Johnson has accepted his former position in the machine and implement store of T. J. Cheetham.

Methodists to Present 'Pa's New Housekeeper'

Special to The Daily Tribune.

Dutton, March 6.—The Epworth League of the Methodist church will stage a play Saturday night entitled "Pa's New Housekeeper." The players have spent considerable time rehearsing this comedy. The persons who will take part are Mrs. W. W. Peterson, Mrs. Borne, Albert Cascedon, J. A. DeBardeleben, and Prof. Jones.

Big Sandy Will Give Welcome Home Dance

Special to The Daily Tribune.

Big Sandy, March 6.—The Big Sandy Commercial club, assisted by the Women's club, will give the returned soldiers and sailors a welcoming home dance March 22 at the Grand opera house. All those who are requested to attend in their uniforms.

Former City Engineer Returning From France

Special to The Daily Tribune.

Lewistown, March 6.—Word has been received here of the arrival of Capt. Andrew C. Birkland in New York from France, where he has been with the engineers for several months. Mr. Birkland was city engineer of Lewistown before entering the service last spring.

NEW OFFICIALS ON DUTY.

Special to The Daily Tribune.

Fort Benton, March 6.—George A. Boynton, of Carter, the new county treasurer, has taken over the office. James Vig continues to serve as deputy.

"Kit" Wilson has assumed the duties of undersheriff for Sheriff Merritt Flanagan. Wilson was undersheriff during the administration of I. M. Rogers. Clyde Moody, who has been undersheriff for several months, has gone out to his farm in Pleasant Valley.

JURORS EXCUSED.

Special to The Daily Tribune.

Fort Benton, March 6.—Owing to the new law in regard to the drawing of jurors, and because the new county of Pondera has taken some of Choteau county's jurors, Judge Tattan has excused jurors that were to appear for trial in cases on the 11th, until the further order of the court. Clerk Patterson has not yet secured a supply of black capsules, but he is on the hunt for them.

PARTNERSHIP DISSOLVED.

Dutton, March 6.—The partnership of Whitacre & Simon, formerly engaged in the general hardware and implement business is now owned and conducted by E. S. Whitacre.

Wm. Farnum starts a three-day engagement at the Alcazar Saturday.

Special to The Daily Tribune.

Dutton, March 6.—The bachelors of Dutton were drafted by the Women's club to serve as hosts at the last of a series of card parties given by the organization and the quantity and quality of the refreshments served proved that they were not slackers. More than 130 players were entertained. It is now proposed that the spinsters be called upon to do their share.

A GOOD WAY TO SAVE

"In times like these when economy is so essential, I know of no better way to save than to have the entire family shod with Neolin Soles."

In his letter Mr. Williams tells of a pair of Neolin-soled shoes which he has worn constantly for four months. "The soles still look like new," he says.

You, too, will think there is no better way to save, when once you have tried shoes with these long-wearing, comfortable, and waterproof soles. They come in many styles for every member of the family. And good repair shops carry Neolin Soles for re-soles. They are made scientifically by The Goodyear Tire & Rubber Co., Akron, Ohio, who also make Wingfoot Heels—guaranteed to outwear all other heels.

"Bro. Van" and Other "Boys of Long Trail" Swap Yarns at Havre

Special to The Daily Tribune.

Havre, March 6.—With the object of taking a reminiscence survey of the Long Trail that leads back into pioneer days, the members of the Senior Boys' club met this week at the parsonage house of Rev. E. J. Hinton of the Van Orsdel Methodist church of this city. "Brother Van" himself was there to take a leading part in the entertainment by the singing of "The Trundle Bed" and "The Die No More" while E. D. Bagley, son of Rev. E. J. Hinton, who is 78 years old, has been a leader of large choirs, sang in a clear tenor voice a song of his own composition.

This club is composed of the following members who range in age from 58 to 78 years: E. D. Bagley, born in Vermont; W. C. Mast, Tennessee; James Bice, England; William E. Ford, Indiana; W. W. VanOrsdel, Pennsylvania; L. D. Williams, Ohio; Abe Crossen, Canada; G. W. Brown, Canada; John F. Scott, Illinois; R. E. Hammond, Kentucky; and G. J. Ayars, Michigan. The sum of the ages of this bunch of "boys" is 740 years.

Coming from widely separated parts of the United States, Canada and England, seated together around the large dining table in the spacious dining room at the Havre parsonage these "boys of the long trail" demonstrated that while they may have suffered slightly in the dimming of the vision their appetites were still intact. The chicken and dumplings prepared by the parsonage, one of the disappeared very much as one would imagine they did in the days of long ago.

The evening was spent in just "swapping yarns" and singing the old songs. Sitting opposite each other at the table was the historic "blue and the gray" hero of Gettysburg, and W. C. Mast of the gray.

Mine Reports \$20,000 Gold Output in Month

Special to The Daily Tribune.

Lewistown, March 6.—The annual meeting of the stockholders of the Barnes-King Development company was held in Kendall yesterday, with directors and stockholders from Butte in attendance. The company reports an output of \$20,000 worth of gold bullion from the North Star lode, one of its three properties, during the month of February.

WOUNDED SOLDIER BACK.

Special to The Daily Tribune.

Fort Benton, March 6.—Guy Miller is back from service of a little over a year in France. Since January he has been in a hospital at Camp Lewis, recovering from the effects of a wound received in the Argonne forest fight last October.

PRINCIPAL TO GIVE TALK.

Special to The Daily Tribune.

Kalispell, March 6.—A meeting of the Parent-Teacher association will be held at the Methodist church in Blifork tomorrow evening. It will be addressed by Principal F. O. Randall of the Flathead county high school. A musical program has been arranged.

ASHMOOR

Special to The Daily Tribune.

Ashmoor, March 6.—Mrs. B. W. Maxey is ill at her home here. Last Friday night was the coldest of the year; the thermometer registering 34 degrees.

Many social activities have started here as a result of the suppression of the influenza and the return of a number of the soldier boys.

With the amount of snow that has fallen during the past week, it begins to look bright for the farmers. They are at least assured of some water in the reservoir this spring.

Mrs. Hiale has been engaged to finish this term in the Ashmoor school.

The Misses Augusta Waldron and Milla Conrad visited at the former's home Sunday.

Hardin Man Elected President of State Implement Dealers

Lewistown, March 6.—The eleventh annual convention of the Montana Implement Dealers' association came to a close here tonight with a big banquet at the Fergus hotel with over 100 present.

A resolution was passed thanking the mayor and citizens of Lewistown for their courtesy to the members of the convention and Great Falls was selected as the place where the next convention will be held, the date to be set later. The following were elected officers for the ensuing year: T. E. Gay, Hardin, president; J. M. Montgomery, Great Falls, vice president; W. D. Mackay, Billings, secretary-treasurer.

Montana Bean Growers Wire Myers Against Purchases in Orient

Billings, March 6.—Growers representing 100 carloads of beans for which there is no market, this morning wired Senator H. L. Myers a protest against the action of the national food administration in honoring European requests for Oriental beans. The protest urges that growers of this section be protected when future orders are received.

DRUGGISTS! VICK'S VAPORUB SHORTAGE OVERCOME AT LAST

Special to The Daily Tribune.

The Deal Scheduled For Last November, Which Was Postponed on Account of the Influenza Epidemic, Is Now Reinstated—Good During the Month of March.

OVER ONE MILLION JARS OF VAPORUB PRODUCED EACH WEEK

Special to The Daily Tribune.

It is with pride that we announce to the drug trade that the shortage of Vick's Vaporub, which has lasted since last October, is now overcome. Since January 1st, we have been running our laboratory twenty-three and a half hours out of every twenty-four. Last week we shipped the last of our back orders, and retail druggists, therefore, are no longer requested to order in small quantities only.

NOVEMBER DEAL RE-INSTATED

This deal, which we had expected to put on last November and which had to be postponed on account of the shortage of Vaporub, is re-instated for the month of March. This allows a discount of 10 per cent on shipments from jobbers' stock of quantities of from 1 to 4 gross. 5 per cent of this discount is allowed by the jobber and 5 per cent by us.

We advise the retail druggists to place their orders immediately, so that their jobbers will be able to get prompt shipments to them.

THANKS OF THE PUBLIC DUE THE DRUG TRADE DURING THE INFLUENZA EPIDEMIC.

The thanks of the American public are certainly due the entire drug trade—retail, wholesale and manufacturing—for what they accomplished during the recent influenza epidemic. The war caused a shortage of physicians—nurses were almost impossible to obtain—the demand on the drug trade was unexpected and overwhelming, and to this demand they responded nobly. Retail druggists kept open day and night and slept where they dropped behind the prescription counter. Wholesale druggists called their sales-

men off the road to help fill orders—

hundreds wired us to ship Vick's Vaporub by the quickest route, regardless of expense.

A TREMENDOUS JOB TO INCREASE OUR PRODUCTION.

In this emergency we have tried to do our part. We scoured the country for materials—our Traffic Manager spent his days riding freight cars in—shipped raw materials in carload lots by express and pleaded with manufacturers to increase their deliveries to us. But it was a slow process. Some of our raw materials are produced in Japan—supplies in this country were low and shipments required three months to come from the Far East. Then we had to recruit and train skilled labor. We brought our salesmen into the factory and trained them as foremen. We invented new machinery, and managed to install it on Christmas Day, so as not to interfere with our daily production.

143 JARS OF VAPORUB EVERY MINUTE DAY AND NIGHT.

By January 1st we had everything ready to put on our night shift, and since then our laboratory has been running day and night. To feed our automatic machines, which drop out one hundred and forty-eight jars of Vaporub a minute or one million and eighty thousand weekly, has required a force of 500 people. Our Cafe Department, created for the benefit of these workers, served 7000 meals during the month of January alone.

13 MILLION JARS OF VAPORUB DISTRIBUTED SINCE OCTOBER.

An idea of the work we have accomplished this Fall may be given by our production figures—13,028,976 jars of Vaporub manufactured and distributed since last October—one jar for every two families in the entire United States.

During the influenza epidemic Vick's Vaporub was used as an external application in connection with the physician's treatment, and thousands of people, unable to obtain a doctor, relied on Vick's almost exclusively.

Literally millions of families all over the country, from California to Maine, and from the Great Lakes to the Gulf, have found Vick's Vaporub the ideal home remedy for croup and cold troubles.

Portable Electric Heaters

Operated from any electric light socket, provide a pure, clean heat in library, den, nursery, bathroom or dining room.

Electricity is much more convenient and desirable than the fuel-burning type of auxiliary heater—No smoke, soot, liquid fuel, noxious fumes or danger of fire.

These heaters, light in weight, are easily carried wherever wanted.

Some of them have adjustable reflectors and the heat rays can be directed wherever needed.

DUNN WILL BE OUT IF SUPREME COURT SAYS HE IS GUILTY

Legislative Committee Recommends Seat Be Declared Vacant in That Event.

Helena, March 6.—Altho the house decided, today, to take no steps tending to oust from its membership W. F. Dunn, of Silver Bow, recently convicted in the district court of Lewis and Clark of sedition, it decided, in adopting the report of the special committee appointed to ascertain the legal status of Dunn, that in the event the supreme court shall affirm the judgment of the district court, his seat shall, by reason of that fact, be declared vacant.

The report of the committee, after relating the history of Dunn's case, finds "that the crime of sedition, with which the said W. F. Dunn is charged, is a felony under the laws of the state of Montana, but that such conviction does not automatically disqualify him from holding office in this assembly, as the constitution specifically provides that the members thereof are the sole judges of membership in this house. Your committee believes that the crime with which the said W. F. Dunn was charged and convicted, being a felony, that such conviction, if sustained by the supreme court of Montana, not only warrants but demands the expulsion of said W. F. Dunn from membership in the sixteenth legislative assembly.

15-Year-Old Boy Who Attacked Mother With Club Adjudged Insane

Special to The Daily Tribune.

Kalispell, March 6.—Anton Vlasak, a 15-year-old Bohemian boy, has been adjudged insane and committed to the asylum at Warm Springs. He grew violent and attacked his mother with a club. The father of the boy will accompany him to Warm Springs.

Vinol is What You Need

If all the tired, overworked, run-down women in this community could realize how our delicious Vinol, which contains Beef and Cod Liver Peptones, Iron and Manganese Peptonates and Glycophosphates supplies the vital elements necessary to enrich the blood and create working strength, we wouldn't be able to supply the demand.

"I live on a farm and keep house for six in my family. I got into a nervous, run-down condition so it seemed as though I would die. A friend advised me to try Vinol. I have been greatly improved by its use and am better and stronger in every way."—Mrs. H. H. Goodwin.

"I keep house for my family of three, and raise chickens. I had a nervous breakdown, so I was unable to work. The doctor did not seem to help me, and a cousin asked me to try Vinol. It built me up—I now have a good appetite and am well and strong."—Mrs. Loyal Palmer.

For all run-down, nervous, anemic conditions, weak women, overworked men, feeble old people and delicate children, there is no remedy like Vinol.
