

NEWMAN AND GRAY NAMED FOR MAYOR DUNN DEFEATS CAPT. CUTTS IN BUTTE

FOUSEK BEATEN 215; ROBERTS NOSED OUT BY 5; WEST SIDE SCRAPS THE STEAM ROLLER

Joyce Wins for Alderman in Walk in Second; Fifth Names Luding Wittwer Loses.

Raban Renominated for Police Magistrate by Safe Majority Over P. J. Shields.

Victors of the democratic faith in Great Falls yesterday nominated Representative Louis Newman for their candidate for mayor by a vote of 713 to 498 for A. J. Fousek, the present incumbent.

At the same time the republicans, in one of the closest political fights recently witnessed in the city, selected Augustus H. Gray for their standard bearer over "Whispering" Jim Roberts, Mr. Gray having only a margin of five votes, but that five was conceded by Mr. Roberts' supporters last night, when the returns were in.

It took the west side of the river to make Gray's majority safe. The east side had apparently tied the vote for the two, one vote being in doubt in precinct 10, and that being given to Roberts, made it stand 416 all, but the west side did the trick, and it even knocked the whisperer out of the candidate of the Armour-Hubbard, stand-pat steam-roller faction

of the party and put the younger element in control, with Mr. Gray as the winner.

With the nomination of Mr. Newman, the voters recorded no uncertain disapproval of the policy of the double cross in politics, just as the republicans frowned down steam-roller methods of selecting candidates to present to the people in "hand-picked" gatherings called by the light of the moon, or when there probably was no moonshine, and it was the bolt of the opposition to the little coterie of republicans that led the meeting in the courthouse a few nights ago, when they undertook to press Gray and his friends into submission to the candidacy of the one of sibilant voice that knocked even the whisperer out of the Roberts' boom for mayor. And such was the story of the primary election of 1919 in Great Falls.

The Aldermanic Contests. There were contests for aldermen in only two wards, the Second and the Fifth. In the Second, Bernard Joyce won in a walk from the opposition, with Albert H. Reeves and Joseph Somo running slow. Joyce probably having more votes than both his opponents. Thomas Ashton probably is the republican nominee over Evan Jones. In the Fifth ward, Charles Luding proved to the politicians that he could

MONUMENT, MEMORIAL PARK AND ROOSEVELT CULT WILL HONOR FORMER LEADER

New York, March 24.—Besides a monumental memorial in Washington to the late Colonel Roosevelt and a memorial park in Oyster Bay, provided for in a resolution adopted at a meeting, tonight, by the Roosevelt Permanent Memorial national committee, it was decided to form a Roosevelt memorial association to promote "the development and applications of the policies and ideals of Theodore Roosevelt for the benefit of the American people."

GERMANY DEFILES A PEACE CEDING DANZIG TO POLES

Will Not Sign, Ebert Warns; Willing Port Should Be Free.

RED AGENT LIBERATED AS HUNGARY REVOLTS

Copenhagen, March 24.—Germany cannot and will not sign a peace that involves the annexation of Danzig by Poland, President Ebert declared in a speech Sunday, a dispatch from Berlin says.

The German president added that Germany could not give up West Prussia or part of Upper Silesia. Ebert spoke at a meeting called to protest against the annexation of Danzig by Poland. He declared that Germany was prepared to agree on the neutrality of the Vistula, which would include Danzig as a free port.

"Down With England," Is Cry. A demonstration "against violation of German territory under the peace treaty" was held in Berlin, Sunday, in front of the residence of President Ebert.

At the meeting, the crowd went to the Hotel Adlon, where most of the entente commissions in Berlin are quartered. Seeing American officers, they mistook them for British and shouted, "Down with England."

Karl Radek, the leading Russian bolshevik agent in Germany, who was arrested on February 13 in connection with the Spartacist uprising, has been released by the German government, according to a Berlin dispatch today.

This message reports fresh agitation by the German Spartacists, coincident with the Hungarian revolution, and reports that in these circumstances the release of Radek has created a bad impression.

The authorities, the dispatch adds, say that Radek entered Germany in a perfectly regular manner and that they have no reason for keeping him under arrest.

Some results of the new Spartacist agitation reported are a serious strike in Lubek, riots in Stettin and the threat of a general strike in Breslau.

FLIGHT ACROSS OCEAN TO START FROM ROCKAWAY

Three Seaplanes There and Destroyers Will Seek Coast Bases.

NEWFOUNDLAND LIKELY AS JUMPING OFF POINT

Washington, March 24.—Naval seaplanes which are to attempt a flight across the Atlantic ocean in May will start from Rockaway Beach, Long Island, but the actual "jumping off" place will be much farther up the coast, possibly at some point in Newfoundland. Whether the machines will steer a direct course for Ireland or follow the longer route by way of the Azores, apparently has not yet been determined.

Acting Secretary Roosevelt said today that the destroyed Barney had been ordered to proceed to Newfoundland to investigate the harbor facilities along the coast, for the purpose of determining the best base from which the planes could put out overseas and harbors in which landings could be made in the event it became necessary for them to descend during the voyage from Rockaway to the flight base.

Will Pick Landings. Lieutenant Commander J. L. Lauffman will command the Barney, which is one of the most modern destroyers. Commander P. N. L. Bellinger of the trans-Atlantic section of the office of the director of naval aviation, and Lieutenant E. F. Stone of the coast guard, have been detailed to make the investigation. Unless difficulties are entirely encountered, the Barney is expected to return within 10 days, when the officers will submit their report at Washington.

In disclosing that the planes would leave the naval aviation station on Long Island, Mr. Roosevelt said it was regarded as preferable to fly the machines to the base to be selected for the flight, rather than to transport them by ship. The aircraft will be refueled and given a final tuning up before they actually depart overseas.

Several machines are being prepared for the flight and two or more, very probably, will make the start.

May Go Via Azores. Three planes of the N-C type have been completed and a fourth is nearing completion at the Curtis plant at Garden City, N. Y. Extensive tests of the N-C 1 have been made and 51 passengers were carried on one of the flights.

Whether it will be possible for the machines to carry sufficient fuel to drive them across the ocean has not been made known. They could re-fuel at the Azores without difficulty and some officers believe it would be entirely possible under favorable weather conditions, for them to replenish their gas supply in mid-Atlantic from a ship with which a rendezvous could be arranged beforehand.

Detailed plans of the flight are being carefully safeguarded and there has been no intimation as to whether the machines will keep together or follow different routes. In view of the announcement that destroyers will be stationed along the route to safeguard the crews in the event of accidents, most officers believe, however, the flying craft will follow one course.

The navy department has not entered for the \$50,000 prize of the London Daily Mail, for the first aircraft that completes the trans-Atlantic flight. At the department, today, it was said that no

HUNGARY HAS CREATED SITUATION LIKE NAPOLEON'S RETURN, IS FEAR

BERLIN DICKERS WITH RUSSIANS; IS FOLLOWING IN HUNGARY'S STEPS

Paris, March 24.—(By The Associated Press.)—Count von Brockdorff-Rantzau, German foreign minister, has sent Carl Kautsky, one of the under secretaries in the foreign ministry to Moscow to see the chiefs of the soviet government and furnish an accurate report on the situation which will allow the foreign minister to study methods as to the bringing about of closer political and economic relations with the Russian bolshevik government, says a Zurich dispatch to the Matin.

Reports of wireless exchanges between Nikolai Lenine, bolshevik premier of Russia, and the foreign representative of the new Hungarian communist government are received in advices from Budapest. Lenine has told the Hungarian proletariat had seized power and introduced a proletarian dictatorship. Greetings were sent to Lenine as "leader of the international proletariat." In greeting the Russian proletariat, the new Hungarian government expressed solidarity with the revolutionary movement.

In his reply, Lenine stated he had submitted the Hungarian greeting to the bolshevik congress at Moscow, which had received it with great enthusiasm. He added:

"In order to communicate between Moscow and Budapest and report on the military situation, it is necessary to maintain permanent wireless communication between the two cities." He concluded by extending "communist greeting and a handshake."

Bolsheviks Seek Peace With Ukraine

Vienna, March 24.—Negotiations have begun between Ukraine and Russian bolshevik delegates for the settlement of differences. Bolsheviki leader Radowsky has arrived at Ukrainian headquarters, it is reported.

Bavaria Will Disarm and Furnish Germany No Troops Hereafter

Zurich, Switzerland, March 24.—The Bavarian minister of foreign affairs has informed the German government that Bavaria will disarm her soldiers and henceforth will not furnish troops for the empire.

Greatest Warship Afloat Is Now Idaho

Philadelphia, March 24.—The super-dreadnaught Idaho, the largest fighting ship afloat, went into commission as part of the United States navy at Camden, N. J., today.

POLISH CORRIDOR ACROSS PRUSSIA WILL BE FORCED

Legion in France Will Land at Koenigsburg to Back Decision.

Paris, March 24.—(By The Associated Press.)—The results of the deliberations to the supreme council, today, are not likely to be stated in the official communiques, and probably will take form in their effect on the conference in Vienna, particularly with respect to reparations, frontiers and the league of nations.

The advocates of the league of nations maintain that it is in no way retarding the progress of the peace treaty, as the league meetings are held at night and are nearing a conclusion, whereas the obstacles to the treaty are on questions of principle, on which the premiers thus far have been unable to secure an agreement.

The war council again, today, dealt with Poland, which question is close to settlement. It is understood that the recommendations of the Cambon committee for a Polish corridor across east Prussia to the Baltic will prevail, despite the objections raised by Premier Lloyd George. The Polish divisions at present in France will probably proceed to the Baltic and may land at Koenigsberg, instead of Danzig, in order to avoid a clash with the Germans over Danzig.

PEACE CONFERENCE IGNORES HUNGARY; ARMIES MOVING ON BOTH SIDES, REPORT

The alignment of Hungary with the forces of bolshevism in Russia is regarded in Europe as akin to the return of Napoleon from Elba 104 years ago. The possibility of Germany also making an alliance with the Lenine-Trotzky regime at Moscow marks the thick-flying rumors in the capitals of the entente.

The peace council met yesterday, but is understood to have ignored the subject, taking up instead the Polish situation. Procrastination is being charged against it in the Paris papers as a cause of the Hungarian developments.

Premier Clemenceau and Foreign Minister Pichon had a long conference on the Hungarian matter Sunday, and action looking to military movements, it is understood, was taken.

Yesterday there was a report in Copenhagen that a Czecho-Slovak army was being sent against Hungary. Berlin heard a report that the entente forces in Budapest had been disarmed by the revolutionists, but doubted the rumor. An army of 70,000 bolsheviks is reported to have crossed the Dniester in a move on Lemberg in Galicia, which adds to the uneasy feeling at Paris growing out of the Hungarian uprising.

The Hungarian movement is regarded as the result of missionary work by the Lenine-Trotzky regime at Moscow.

CZECHO-SLOVAK ARMY MOVING TO HANDLE HUNGARY

Berlin Hears Report Entente Forces Disarmed at Budapest.

70,000 BOLSHEVIKI ARE CROSSING INTO GALICIA

Copenhagen, March 24.—Czecho-Slovak army has been sent against Hungary, according to an official report received in Vienna and forwarded here.

70,000 BOLSHEVIKI ADVANCING.

London, March 24.—A bolshevik army of 70,000 men has crossed the river Dniester, south of Lemberg, according to a Zurich dispatch received in Paris and forwarded by the Exchange Telegraph company. The army is said to be composed mainly of Hungarians and Bulgarians who were prisoners of war in Russia.

RUMOR ENTELE TROOPS ARE DISARMED

Berlin, March 24.—(By The Associated Press.)—A special dispatch to the Freiheit announces the disarmament of entente troops at Budapest. It is unconfirmed, however, and appears questionable.

At the first meeting of the new Hungarian government in Budapest, Sunday, a Soldiers' and Workmen's council for Hungary was appointed, according to plans entered into with the agents of Lenine. The council immediately started preparation of a bill for the socialization of all industrial activities.

Austria Out, But in Sympathy. The Austrian Central Workmen's council has decided not to join the Hungarian movement in introducing a soviet government in Austria, a dispatch from Vienna says. The council, it is declared, pointed out that such a course was impossible for Austria, because it is dependent on the entente powers for food.

RENEWAL OF WAR IS WASHINGTON'S UNEASY FEELING

Hungary's Defiance Regarded as Result of Buffer Plans.

CHOICE OF LENINE AID IS MOST DISQUIETING

Washington, March 24.—Advices to the state department from three widely separated European sources tended to increase the anxiety of officials over the situation in Hungary. Bolsheviki elements, apparently, had assumed complete control of the government of Budapest, with a threat of renewal of hostilities.

There was no indication as to the extent of the control of the new regime beyond the capital and, in the absence of details, officials were reluctant to discuss the situation at length. It appeared from today's advices, however, that the crisis resulted from the line of demarcation established by the peace conference in circumventing the territory of Hungary, and from the general economic situation in Budapest.

DEVICE FLIES AIRPLANE WITHOUT HUMAN BEING IN MACHINE TO GUIDE IT

Fort Worth, Texas, March 24.—Under automatic control, an airplane capable of carrying a heavy load, and operated without a human guide, has made a trip of 100 miles and landed within a short distance of the point it set out to reach, Newton D. Baker, secretary of war, disclosed in an address here today. Secretary Baker, with General Peyton C. March, chief of staff, came here to inspect the military establishment at Camp Bowie.

The device which made such a flight possible and which has been kept secret, Mr. Baker said, is an automatic guide for airplanes, and was invented in America. It is designed as an instrument of war, and the secretary referred to it in describing to his audience the possible horrors of future wars if there were to be no league of nations.

SEMI-OFFICIAL FIGURES SHOW 14 VOTE MARGIN

Large Vote Cast at Close of a Very Bitter Campaign.

GOVERNOR AND ATTORNEY GENERAL ON THE GROUND

Butte, March 24.—Semi-official figures issued by the democratic headquarters tonight show that W. F. Dunn was elected democratic nominee for mayor over Captain William Cutts. The margin, which may be changed by official canvass, was given as 14 votes.

William Stodden received the republican nomination according to unofficial figures so far at hand.

Owing to the closeness of the democratic contest in which all interest was centered, a large crowd gathered around the belated precinct headquarters officers and police were able to maintain order.

Little effort was made to tabulate the returns on the republican ticket, as the race for the democratic nomination held the attention of the entire city.

Thousands remained on the streets until the semi-official announcement of the result when they dispersed peacefully.

Figures, which cannot be accepted as definite, were given out at headquarters showing that Chas. H. Treagay was nominated on the democratic ticket for city treasurer and P. J. Whitty, incumbent, for police magistrate.

CUTTS' SUPPORTERS CLAIMING

Butte, March 24.—Cutts' supporters refuse to concede the nomination of Dunn, claiming the official count will show Cutts nominated by 45 votes.

INTENSE INTEREST SHOWN.

Butte, March 24.—Without disorder but with evidences of intense interest Butte's municipal primary election was being conducted today. Figures from all sections of the city seemed to indicate that few who registered failed to ballot. Close to a 90 per cent vote has been predicted. Total vote cast, however, fell far below normal, as 12,000 names had been stricken from the county registration books for failure to vote at the last election and consequent neglect in re-registering.

Of this number approximately 90 per cent are not residents of Butte and so were disqualified from voting today. This number includes 575 returned soldiers who were held ineligible by opinion of Attorney General Ford for failure to make use of the absent voters ballot at the last general election.

Interest in the election centered almost exclusively in the democratic majority campaign in which Captain William Cutts was opposed by W. F. Dunn, editor of the Butte Daily Bulletin and recently convicted of sedition by a jury at Helena and sentenced to pay a fine of \$5,000 from which conviction he has appealed.

Charges made by various factions that fraud was intended by their opponents resulted in a heavy sheriff's guard being placed to watch the polls. Attorney General Ford and Governor S. V. Stewart were here today. The attorney general this morning pushed an invitation for anyone to call on him who wishes to the inference being that he had reference to the election.

For the republican nomination W. F. Stodden, a hoisting engineer and W. F. Barta, an attorney, were candidates. George Ambrose, formerly captain of police under the administration of Former Mayor Lewis Duncan, was the socialist candidate unopposed.

Eight aldermen, city treasurer and police judge are other officers for which candidates were nominated.

LIGHT VOTE AT MISSOULA.
