Woman Takes Poison Through a Mistake

Special to The Daily Tribune. Wolf Point, April 27.—Mrs. Clifton Cook of North Wolf Point narrowly escaped death from poisoning Tuesday afternoon when she took the wrong kind of medicine by mistake. She asked her husband to give her some tablets from a certain bottle. He handed her what he supposed she wanted, but it seems that there were two kinds of tablets that looked just alike, one kind deadly poisonous if taken internally. As soon as she had taken the dose she realized the mistake and told her husband that she was poisoned. Prompt medical attention and the fact that she had taken a large overdose of the medicine saved her life, the pills not yet out of danger. Mrs. Cook recently gave birth to a son.

STABLE FIRE THREATENS RESIDENCE AT HAVRE

Special to The Daily Tribune. Havre, April 27.—Fire, which broke out Friday evening in the H. W. Stringfellow barn on the corner of Second avenue and Third street in Havre and for a time menaced the handsome residence of Mr. Stringfellow, was extinguished by the prompt arrival of the Havre fire department. An automobile in the burning barn was rescued by the firemen shortly after their arrival. The barn was damaged to the extent of about \$500.

POPULAR HAVRE HOTEL CLERK LOCATES AT POCATELLO

Special to The Daily Tribune. Havre, April 27.—John S. MacKenzie, who for four years was clerk at the Grand hotel in Havre when owned by Miss T. L. Harrington and who has been a year with the present owner, T. F. Russell, left this morning for Pocatello, Ida., where he has accepted a position in the new hotel which is being built on the corner of Main and Third streets. Miss Harrington has recently purchased "Mac" and has missed in Havre and has hundreds of friends among the traveling fraternity.

OPTIMISTIC.

Berlin, April 27.—(By The Associated Press.)—Professor Walther M. A. Schucking, one of the German delegates to the peace congress at Versailles, declared today that the powers of the German delegates will be quite sufficient to enable them to sign the peace treaty on the spot. Naturally, he added, the national assembly must sanction the treaty.

WOMAN ENTERS INTO SAND CREEK AFFRAY

The Eternal Triangle Said to Have Prompted Shooting of Man by Brother.

Special to The Daily Tribune. Wolf Point, April 27.—Walter Swanson, of Sand Creek, who shot and killed his brother, Theodore Swanson, at the latter's home last Friday, has given himself up to the authorities at Circle, Mont., and is under arrest at Circle. First reports indicated that the trouble between the two brothers was over a farm lease, but it has later developed that the cause of the trouble was the woman, known as the wife of Walter Swanson, who is said to have left Walter and was keeping house for Theodore. It is alleged that Walter had threatened to shoot her also, but she escaped from the house and hid in a nearby coulee. Swanson said that he did not intend to kill his brother but merely to shoot him in the shoulder, but that in attempting to get to the light to extinguish it, Theodore ducked into the bullet. Both Swansons were known to have had violent tempers and had quarreled frequently before. Sympathy in the neighborhood is in favor of Walter. Theodore Swanson was a widower and left two children, a boy about 12 and a little girl a few years younger.

Car of Brook Trout Put In Havre Streams

Special to The Daily Tribune. Havre, April 27.—A car of eastern brook trout arrived in Havre early Saturday morning and under the direction of Deputy Game Warden Carruth were distributed among the various streams in the neighborhood of Havre during the day. Mr. Carruth states that the state has promised to send some native trout fry to this section in the near future. Some of this shipment was taken by Mr. Carruth to Clear creek and People's creek near Chinook. As this is the first shipment of trout fry to these parts since last summer local fishermen are pleased that the game and fish department have remembered the northern part of the state with an early shipment.

Women of Havre Sell \$8,000 Worth of Bonds

Special to The Daily Tribune. Havre, April 27.—In addition to the \$4,000 worth of Victory bonds sold recently at the north on First street by the women's committee of Havre, the ladies sold \$3,800 worth of the loan Saturday, making their total contribution to the Hill county fund nearly \$8,000. While the sale of bonds in Hill county is progressing slowly it is still not the full quota will be met and possibly an over-subscription.

Havre Child Taken East for Operation

Special to The Daily Tribune. Havre, April 27.—Mr. and Mrs. H. C. Trezoning and child of Havre left this morning for Salt Lake City, where the eldest child will undergo another surgical operation. The child has twice received treatments for its affliction from Dr. William Sharpe, a specialist in New York, and this time will be operated on by Dr. Eugene Sharpe, a brother of the New York physician.

GLACIER COMMISSIONERS TO LET CONTRACTS FOR CARE OF SICK AND POOR

Special to The Daily Tribune. Cut Bank, April 27.—The county commissioners will receive bids on May 5, for the medical attention of the poor for Glacier county, and also for the care of the county poor of Glacier county on the same day. On May 20 they will receive and open bids for the transcribing of the records of Teton county in so far as they effect property within the boundaries of Glacier. Requirements and specifications can be obtained from J. A. Heller, county clerk and recorder.

FORT PECK INDIANS ARE SPENDING CASH

Receive \$200,000 From Government as Annual Installment on Land Sales.

Special to The Daily Tribune. Wolf Point, April 27.—Last week was gala week for the Indians on the Fort Peck reservation, for they had just received over \$200,000 from the government in their annual installment of the payment for the reservation land opened up for settlement four years ago. The streets of the city have been noticeably gay with bright new shawls for the last few days, and merchants all report a brisk trade. Even despite the cold weather which has obtained, confectioners say that there has been an unusual demand for ice cream cones, grape juice, and other delicacies.

There are about 2250 Indians on the Fort Peck reservation and payment a \$100 apiece was made to all competitors. Non-competitors will receive their annuities in monthly installments, and the money due minors is deposited to their credit in the banks. Four hundred and seventy-three is the number receiving their payments at the local sub-agency last Wednesday. Payday at the Poplar agency took place on April 22, and at Frazer on April 24.

Agree to Verdict of Guilty in Order to Get Rid of Case

Special to The Daily Tribune. Kalispell, April 27.—Affidavits by five of the jurors in the case of the state against Mrs. Caroline Henkel, convicted of selling liquor at the last term of court, were filed in district court today, admitting that the jury had compromised in arriving at the verdict rather than put the county to the expense of a new trial. The affidavits say that when the case was submitted to them they stood six for acquittal and six for conviction on the first ballot, which was finally changed to seven for conviction and five for acquittal on the last ballot. However, they did not consider the case of sufficient importance to warrant a new trial, and the five therefore agreed to a verdict of guilty, provided it should stipulate that the punishment should not exceed a fine of \$50 and imprisonment for 10 days. Attorneys for Mrs. Henkel filed a motion for a new trial recently, and these affidavits are filed in connection with the motion or a re-hearing.

Three Deaths in Past Week at Sweet Grass

Special to The Daily Tribune. Sweet Grass, April 27.—Mrs. Walter Satterlee died at the Craig hospital Sunday. She leaves a husband, two children, two brothers, three sisters and a father, and a sister living at Sheldon, N. D. Death was caused from complications after an attack of the influenza. But two weeks ago Mrs. Satterlee's 15-year-old son died from the influenza. The funeral was from the Methodist church, Rev. Hosking officiating.

Miner of Roundup Crushed Under Rock

Special to The Daily Tribune. Roundup, April 27.—The first fatality to occur in the independent coal mine near this city happened Thursday when Joe Usling, a miner, was instantly killed by a fall of rock while working. The ceiling was apparently safe, and several men had passed over the same place but a short time before, but without warning the slab, weighing about 20 tons, dropped and crushed the man to death. The deceased was about 30 years old and a native of Italy, and leaves a wife and two children, as well as two brothers who are employed in Butte.

HARLEM

Harlem, April 27.—Mrs. D. C. Violet left Tuesday night for Rochester, Minn., with her little son, who was instantly killed by a fall of rock while working. The ceiling was apparently safe, and several men had passed over the same place but a short time before, but without warning the slab, weighing about 20 tons, dropped and crushed the man to death. The deceased was about 30 years old and a native of Italy, and leaves a wife and two children, as well as two brothers who are employed in Butte.

WOMAN SUFFERED 12 YEARS

Finally Made Well by Taking Lydia E. Pinkham's Vegetable Compound. Emmetsburg, Md.—"I suffered for twelve or fifteen years, and was treated by a physician, but got little relief. I saw an advertisement of Lydia E. Pinkham's Vegetable Compound in my newspaper, so I thought I would try it, and it did more good than all the doctor's medicine. I am a farmer's wife and do my housework all the time, and I am better now than I have been for years. I am never without Lydia E. Pinkham's Vegetable Compound in the house and have recommended it to several of my friends. You are perfectly welcome to publish my letter for the good it may do other women."—Mrs. ESTIE WARREN, Emmetsburg, Md. Backache and nervousness are symptoms or nature's warnings, which indicate a functional disturbance or an unhealthy condition which often develops into a more serious ailment. Women in this condition should not continue to drag along without help, but profit by Mrs. Warren's experience, and try this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound—and for special advice write to Lydia E. Pinkham Med. Co., Lynn, Mass.

Woman Formerly of Cascade County Dies at Spokane Home

Special to The Daily Tribune. Spokane, April 27.—Mrs. Mary Lacey, aged 60 years, died at her home in Spokane, Wednesday morning. Death was caused by pneumonia. Mrs. Lacey was for many years a resident of Stockett and Great Falls, where she had a host of friends. Mrs. Lacey moved to Spokane five years ago and has since made her home at that place. She leaves to mourn her loss two sons, Mike and James, of Spokane, one daughter, Mrs. Frank H. Johnson, of Spokane, and one daughter, Mrs. J. W. Marto, of Kalispell. Funeral services were held Friday morning from the family home W2217 Fifth avenue, and interment was in Fairmount cemetery.

Trail Blazers Look Up Route of Park-to-Park Bus System

Special to The Daily Tribune. Choteau, April 27.—The first Yellowstone park to Glacier park car arrived in Choteau Friday noon, the occupants stopping long enough for dinner and to make several notes on the route of the proposed park-to-park bus system. Mr. Childs, who operates several pleasure cars in both parks and will operate a string of auto busses from Yellowstone park to Glacier park the coming season, was one of the party, with him were some of the prominent road commissioners of Lewis & Clark county. The proposed route from Yellowstone park will be to Livingston, Bozeman, Logan, Townsend, Helena, Wolf Creek, Glendon, Choteau, Bryn Mawr, Browning to Glacier park. The trip will be made in two days, the night stop-over each way will be made at Helena. This will give Choteau the noon hour to feed the many tourists that will make the trip this summer. The Choteau commercial club is very much interested in the new park-to-park route and is making extensive plans to have its part of the highway second to none on the route.

Child Injured When Speed Fiend Speeds

Special to The Daily Tribune. Roundup, April 27.—Peter Androff, a taxi driver operating between this city and Klein, ran down and severely injured the 5-year-old daughter of Mr. and Mrs. Chester Nelson, breaking the bones of the little one's right leg above the ankle so badly that it will not be known whether it can be saved. The taxi was going north on Main street when the little girl attempted to cross the street ahead of the car, the driver applied the brakes, but in spite of the fact that the wheels were locked the car slid about 40 feet and leaping the curb struck an ornamental lamp post made of steel and anchored in the concrete walk, with such force as to tear it entirely from its base. The driver was placed under arrest at once. (The driver being held pending the speed limit he pleaded guilty and was fined \$10.)

Conrad Social News

Conrad, April 27.—Mrs. K. L. Johnson was hostess at a pleasant social affair on Easter Monday which she entertained 20 of her friends at her home at a five course luncheon at 1:30. An Easter favor was placed at each guest's place. Mrs. Johnson writes that the occasion has accepted the invitation of the Associated Industries of Montana to be its guest at dinner Tuesday evening. Headquarters for the convention will be at the Finlen hotel, and an interesting program of Montana subjects has been arranged. CUT BANK MILL RESUMES WHITE FLOUR PRODUCTION. Special to The Daily Tribune. Cut Bank, April 27.—The Cut Bank mill is again grinding out patent flour for the first time in over year because the government restrictions imposed. It is meeting with some difficulty in getting sufficient wheat but expects from now on to be able to supply its customers with "Glacier White" flour which is now a household word in this community.

STILL ANOTHER NEW COUNTY PLAN BREWS

People of Ryegate Section Would Chop Off Western Part of Musselshell.

Special to The Daily Tribune. Roundup, April 27.—Petitions are being circulated in the west end of the county for the formation of a new county which will divide Musselshell into a straight line north and south one mile east of the town of Musselshell. It is probable that a small part of Wheatland and Sweet Grass counties will be included in order to secure the area necessary under the McCone act. Ryegate is the proposed county seat, and the name under which the county will be formed is Barr county, after Harry Barr, present county commissioner from the west end of the county. It is probable that the formation of the county will be fought by the rest of the county, as Musselshell and she, no part of the county being far enough from the county seat to make it a hardship for the residents to make the trip. Further, the fact that the new county would start with an indebtedness of over \$200,000, as their share of the present debt, and an additional \$25,000 for transcribing the records of the county, and the expense of establishing a new court house, with records, vaults, etc., may act as a deterrent to getting the unanimous consent of the residents of the district affected.

Commercial Club Secretaries to Meet

Special to The Daily Tribune. Butte, April 27.—Twenty-eight secretaries of commercial clubs of Montana will be in Butte next Tuesday for the convention of the Montana association of commercial club secretaries, it is announced by Secretary Charles Austin of the Butte chamber of commerce. President J. H. Harwood writes that the association has accepted the invitation of the Associated Industries of Montana to be its guest at dinner Tuesday evening. Headquarters for the convention will be at the Finlen hotel, and an interesting program of Montana subjects has been arranged.

Reduce Weight

If you wish to reduce steadily, yet eat candy, ice cream, etc., get a small bottle of Elgin. It is a small bottle of oil of korein at the drugist's. Follow the directions. Absolutely safe, guaranteed not to become thin, no loss of vitality; you become slender gracefully, vivacious, mentally and physically alert—give you a new life. Women in this condition should not continue to drag along without help, but profit by Mrs. Warren's experience, and try this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound—and for special advice write to Lydia E. Pinkham Med. Co., Lynn, Mass.

HELD FOR KILLING HORSES AS DOG FEED

Coutts Negro and His White Wife Are Taken to Lethbridge for Trial.

Special to The Daily Tribune. Sweet Grass, April 27.—Newton Morgan, a negro, and his white wife, living 15 miles west of here, were arraigned before Justice of the Peace Roberts at Coutts last week, given a preliminary hearing and were sent to Lethbridge to await trial. Morgan is charged with stealing and killing horses and feeding the flesh to his dogs, which he has in large numbers for hunting purposes. It is said he has an average of 20 dogs on his ranch at all times. Mrs. Morgan stated that Morgan threatened to send her to the happy hunting grounds if she revealed the secret to anyone, and also forced her to assist in the butchering of the animals. Mrs. Morgan is a white woman about 50 years of age, well educated and it is said, comes from well-to-do people in the eastern states, and that she has held responsible position with firms in Minneapolis as stenographer and bookkeeper.

People of Anaconda Sore Because Flying Circus Missed Them

Special to The Daily Tribune. Butte, April 27.—Word has reached Butte to the effect that the people in Anaconda have their back up because that city was eliminated from the itinerary of the flying circus. This is judged from the following resolution adopted by the Anaconda Wage Earners' Welfare association: "Whereas, we note with disappointment that the aerial circus in connection with the Victory loan will not include the city of Anaconda in its itinerary, and while we thank the Butte committee for its kind invitation to visit that city on the occasion of the flight, it is resolved, that in view of the well known loyalty of the citizens of Anaconda as expressed in our response to every call for men and money during the war period, we protest against the action of those having this matter in charge in leaving Anaconda out of the schedule on the flying ground that a forced landing cannot be risked, inasmuch as smaller and less accessible landings would have been just as great a risk, have been visited and the aerial exhibition given."

Farmers and Stockmen Attention!
