

ANNUAL CONVENTION OF EPISCOPALIANS CLOSES AT BOZEMAN

Elect Archdeacon to Preside in Eastern Montana—Delegates to General Convention.

Special to The Daily Tribune.
Bozeman, May 2.—The sixteenth annual convention of the diocese of Montana has closed a most successful and harmonious session at St. James' Episcopal church. The Right Rev. William E. Faber, bishop of the diocese, presided at the convention and Rev. Frank B. Lewis, rector emeritus of St. James' church, was again chosen secretary.

There were 30 clergymen in attendance and about 20 lay delegates, besides a number of men and women visitors.

The matter of electing another bishop as assistant to Bishop Faber was left until next year. It was decided, however, to elect a second archdeacon to have charge of the work in the eastern part of Montana, the venerable Archdeacon S. D. Hooker to continue in charge of the western part. Rev. J. P. Anschutz of Billings was nominated by Bishop Faber, according to the canons, and he was unanimously elected. Rev. Anschutz has not yet returned from war service but is expected back about the first of July.

After the reading of the report on the church pension fund, it was voted to instruct the deputies to the general convention to make an appeal in behalf of the clergymen who had retired before this pension fund went into effect, as a number of clergymen are entitled to the provisions of the fund who are not really eligible according to the present regulations.

A canon was adopted providing for the establishment of groups of churches into one parish, Virginia City, Twin Bridges and Sheridan being a group to be considered under this arrangement.

The time for holding the annual convention will still be the second Wednesday after Easter, but no invitation was extended for next year's meeting.

The election of deputies to the general convention of the church to be held in Detroit, Michigan in October resulted in the choice of Rev. C. L. Chapman of Butte, Rev. George Hirst of Lewistown, Rev. C. P. Burnett of Big Timber and the venerable S. D. Hooker of Helena, with supplemental deputies consisting of Rev. C. F. Linley, Kalispell; Rev. J. L. Craig, Miles City; Rev. L. W. Shell, Helena, and Rev. William Elliott, Virginia City.

The lay delegates included Frank W. Haskins, Butte; Fidel Huber, Dillon; C. W. Butler, Miles City; and John Bidlake, Billings, while E. C. Day, Helena; John Buchanan, Belt; Thomas E. Linden, Columbia Falls and Fred Lippe of Hardin, were the lay alternates.

Community Meets Held in the Blaine School Districts

Special to The Daily Tribune.
Chinook, May 2.—County Superintendent of Schools, Miss Crookshanks, County Agent, Mr. Thorfinnson and Miss Dawson, home demonstration agent, spent Thursday and Friday of last week in district 22 and 35, at community day gatherings. In district 22 the Couburg and North Star schools met together and had picnic dinner indoors because of the wind. The school program was good and the exhibit work was judged and prizes given.

Miss Dawson spoke on the woman's farm bureau work, canning and gardening, while Mr. Thorfinnson discussed livestock clubs, including pig, calf, sheep and poultry clubs, also potato clubs.

About 150 were present, despite bad weather conditions and the busy seeding time.

In district 25 the Savoy and Bluth schools joined with the Walker school and about 75 persons were present. A sumptuous dinner was served. A program was given and speeches made by Miss Dawson, Mr. Thorfinnson and Miss Crookshanks. Clubs were organized and school problems discussed.

Two wagon loads of school children drove 10 miles to the meeting from the Bluth school.

On Monday of this week the workers were at Wood Coulee and the Baldwin school, and on Tuesday at Wing and Harlem.

On Wednesday evening Miss Dawson and Mr. Thorfinnson attended a farm bureau membership meeting at Zurich. On Tuesday evening Mr. Thorfinnson visited Little Jewel and on Wednesday morning was at Turner.

The meeting yesterday was at Madras for the schools in district 16. Today the gathering is at Wood Coulee for the Zurich and Wood Coulee schools.

Kalispell Man Sues Great Northern for \$5,000 for Damages

Special to The Daily Tribune.
Kalispell, May 2.—Damages in the sum of \$5,000 are asked from the Great Northern railway company in a suit filed in district court by P. C. Frach, Walter D. Hines, as administrator of railroads under government control, and Ernest Larter, a locomotive engineer, are named as co-defendants with the railroad company.

Mr. Frach alleges that a string of box cars on a siding obstructed his view of the main line of the Great Northern at the Fifth avenue crossing in Kalispell when he approached that point in his automobile on December 29, last. A train on which Larter was engineer, ran onto the crossing without giving any warning, it is said, and struck the automobile. The car was wrecked, and Mr. Frach alleges he was injured so that he has lost the use of his right hand.

In addition to the \$5,000 damages, he asks \$42 for medical attention.

Stanford People Experience Narrow Escape in Wreck

Special to The Daily Tribune.
Stanford, May 2.—The attendance from this vicinity at the flying circus in Lewistown Sunday was generous in the extreme, by far the greater number going in automobiles. There were few mishaps among the Stanford people, with the exception of R. C. Harvey, who had the misfortune of having a front wheel axle give way while on the high hill immediately north of Beneland, precipitating the car headlong down the grade. At the bottom of the grade the car fetched up standing on the radiator. The occupants of the car, besides Mr. Harvey and family, were Dr. Moore and Mr. Price. That none was hurt was probably due to the fact that they were proceeding at a moderate rate of speed. By the aid of passing cars they were enabled to proceed to Lewistown.

Cheney brothers suffered an accident to their car near Moccasin, while on a minor nature, it was sufficient to prevent their proceeding further.

SLIPPERY PRISONER GETS HEAVY PENALTY

After His Second Jail Break Given Prison Term for Defacing the Jail

Missoula, May 2.—William Pendy, alias Sam Lee, who escaped from the county jail in February and was recaptured, escaped again Wednesday. He was retaken an hour later and brot at once into the district court, pleaded guilty to a charge of defacing a jail and was given the maximum sentence, 2 1/2 to 5 years in the state penitentiary.

Pendy originally was arrested last year at Soudan, west of Missoula, on the Milwaukee railroad, after he had, according to officers, severely beaten an old man, who is now in the railroad hospital at Deer Lodge, and who, according to physicians, never will recover entirely. Pendy, it was charged, also set fire to a number of freight cars owned by the railroad company.

It was while he was held on the charge of assault that he and six other men made their sensational getaway. All but one of them was recaptured. Pendy went alone when he broke out today.

Old Butte Landmark Long a Gambling House Being Torn Down

Special to The Daily Tribune.
Butte, May 2.—One of Butte's landmarks in the shape of a large frame building on the corner of Main and Galena streets which has served as a reminder of the old time wide-open days is rapidly passing out of sight, the structure being torn down by a force of workmen who are making way for a modern building. The lot of this building in former days was used as a gambling establishment by the famous Jack Dowd, "square gambler," and noted pioneer referee. In his time Dowd furnished thrills to his patrons by specializing in Chinese games of chance. Instead of the ordinary sharp-eyed white men acting as dealers, Dowd's staff was composed of slant-eyed celestials who were willing to stake the house roll against the plungers in any game ranging from fanton to odd games more familiar to the Orient than to the Occident. Until recently the building has been used as a livery stable.

Lewistown last night reported .01 inches and it is probable that more rain fell there during the night.
