

CLASSES TO AID THE FOREIGNERS

School Board Calls on Those in Need to Make Request to Nearest Principal.

At the meeting of the school board last evening it was decided to comply with the government request to organize classes for those of foreign birth who wish to prepare for naturalization.

There is a great demand for such course where would-be citizens may study the English language and take up civics, reading, writing and composition and those who complete the course and successfully pass the examinations will receive certificates of citizenship.

Text books will be supplied by the government and if the demand for the classes is sufficient, the work will be organized at Franklin, Hawthorne, South Side and North Side schools.

Those interested are asked to send their names to the principal of the nearest school. All foreign-born men and women over 18 may take advantage of these courses.

As soon as the applications are in, the text books will be sent for and classes organized—the lessons probably to be from 7 to 9 in the evening.

At the meeting the question of hours for the high school parties was taken up. It was decided that the junior ball could last until 12 and all other high school affairs must close by 10:30.

The resignation of L. D. Fuller as trustee officer was accepted and F. C. Hobar appointed in his place.

The teachers and salaries committee reported that the following teachers had declined their appointment or had resigned for various reasons.

nie Ritcher, Elsie Holmes, Lois Aplin, Jeannette Willocks, Georgin Chapman, Gertrude Amsbury, Pearl Peterson, Charlotte Garrick, Bessie Crone, Mabel Murch, Minda Fansler, Amy Kimpton, Barbara Harvey, Annie Webster, Dorothy Haag.

At the recommendation of the teachers' and salaries committee the following teachers were elected to fill the vacancies:

F. L. Graybill, Jeannette Hess, Grace L. Ritcher, Charlotte Gross, Margaret Owens, Louise Powers, Mary E. Woods, Sue Weaver, Minnie Carlson, Lois Elswick, Luice Stoddard, Bernice Pruitt, May Gallagher, Mertie Lewis, Florence Carney, Stella Keleher, Mildred Rodgers, Lena Seacy, Lucy Burghardt, Ruth Martz, Anna Youngs, Clarice Anderson, Alice Moore, Margery Hazard, Olive R. Willis, Zoe I. Smith.

FEDERATION WILL HEAR DR. SISSON

Members of the city federation of women's societies of the city and their friends will have a chance to hear Dr. E. O. Sisson, president of the state university, this evening at the Y. M. C. A. Dr. Sisson having consented to address that organization. Prior to the address, starting at 7:30 there will be a business session of the federation. The address will start at 8 o'clock.

Miss Mignon Quaw of the extension department of the Bozeman agricultural college is in the city for two days doing some special work for the programs to be presented by the Farm bureau next fall.

CARBON COUNTY BOY KILLED WHEN AUTO PLUNGES OVER BANK

Is Found Following Morning With Neck Broken and Head Crushed.

Special to The Daily Tribune. Red Lodge, May 5.—Olga Heare, 26-year-old son of Mr. and Mrs. E. A. Heare, prominent Carbon county rancher, was instantly killed last night when a light car he was driving plunged over an embankment 16 miles north of this city. The accident was not discovered until this morning. It is believed that it occurred sometime between 10 and 12 o'clock last night. Heare's neck was broken and his head badly crushed. The place where the accident happened is a cutbank left by the floods of last spring which washed out the county road. The road now makes a turn to avoid the precipice. The county fenced off the road shortly after the washout but the fence has been down for some time.

Geraldine People Must Pay Higher Rate for Electric Lights

Special to The Daily Tribune. Helena, May 5.—The state utility commission today made an order increasing the rates for electricity in Geraldine from a minimum of 15 cents per kilowatt hour to a maximum of 25 cents per kilowatt hour, but even with this increase the commission estimates the operating expenses for the next

12 months at \$6,264.61 and revenues at \$2,657.39, leaving a deficit of \$3,607.22. The commission says the installation of an independent light plant there was premature as the market was insufficient to justify a plant of the character installed, and the owners can scarcely expect a return on the investment. "From the standpoint of the consumers," says the commission, "electric lights in Geraldine are a luxury for which the consumers should be willing to pay in proportion to the benefits and the convenience enjoyed."
