### ENTHUSIASM AT LAST EVENING'S PROGRAM.

About 300 attended the program given at the Junior high school last evening by the City Federation of Women's clubs for the benefit of the scholarship fund. A large part of the audience was made up of children who hugely enjoyed every number. One of the mothers present expressed the wish that similar entertainment could be provided often for the children instead of the ever present "movie".

The first number on the program by Herman Wise was a violin solo which was greatly enjoyed. This was followed by a song given by Bernice Babb who was enthusiastically encored. She was accompanied by Ethelyn Allen. Frances Loftus followed giving a solo dance "Narcissus". Mrs. Ella Hurst playing the accompaniment. A humorous reading was contributed by Mary Angland and she was compelled to return to give an encore.

The little daughters of Mr. and Mrs. Ed Thelander literally "brought down the house" when they sang Harry Lauder's

"Wee Wee" accompanied by their mother. In the encore they were compelled to give, the youngest sister, a most attractive little six year old, danced to the Scotch song.

The patriotic drill which followed was given under the direction of Mrs. Hurst who also sang the marching songs. Ruth Walker accompanied with two beautiful dances with accompaniment played by Margaret Babcock. After long continued applause Miss Ruth came back and tried to satisfy her audience by bowing her thanks for their appreciation but they were not satisfied until she danced again—the beautiful Grieg "Butterfly Caprice".

Herman Wise played again on his violin to Miss Babcock's accompaniment and Bernice Babb appeared again and sang a second number. The reading given by Mrs. Arthur Harby with an artistic piano accompaniment was greatly enjoyed. When Peggy Baum was announced there was great rejoicing. She danced for a most delighted audience.

She was encored and gave "Three Little Chestnuts" and for a second encore sang "Your Flag and My Flag". Hildus Baldani accompanied by Mrs. Hurst sang two greatly appreciated numbers "It was Not So to Be" and "One More Glimpse of the Sun". One number deserving special mention was a piano duet by the two young daughters of Mr. and Mrs. Frank Mock.

Dull, lifeless eyes colorless lips, sallow, yellow cheeks, give a girl little chance for a "man" these days. Don't lose heart, just take Hollister's Rocky Mountain Tea—helps to make you attractive and fair. Don't delay, begin today. Cascade Pharmacy.—Adv.

### ROUNDUP WILL BE BEST BY SENIORS

That Is View of Teacher Who Knows Contents of the 1919 Issue.

Miss Helen Shafer of the Central High school faculty, who is assisting the "Roundup" staff, states that in her opinion this year's publication is to be one of the best issued by a senior class. The book gains value because of the illustrated articles by Charles M. Russell. The high school students have done some remarkable work in their classes and the "Roundup" contains numerous original sketches made by the students.

Miss Sarah McNair, the editor in chief and Harold Kiley, business manager in charge of the literary contributions and the advertising department, respectively are assisted by an able staff of seniors and a representative from each of the lower classes.

We might mention that our services are at the disposal of those fond relatives at all times free of charge as we consider it an honor to be of service to those who gave up their boys for our flag. W. H. GEORGE CO.

# MOTHERS' CONFERENCE IS FULL OF INTEREST

### More Than Fifty Great Falls Mothers Attend Gathering in Palm Room and Plans Are Laid for a Club.

Mothers of Great Falls, for the first time in the history of the city met in a Mothers' conference in the assembly room of the Y. M. C. A. Thursday to discuss the problems confronting the boys in the city and how to aid the mothers in overcoming them. It was a most successful meeting, more than 50 mothers attending the conference, and they were all worthy of the remark which Leslie E. Eichelberger, state Y. M. C. A. secretary for boys, of Billings, who was in the city to address the mothers, afterward paid them in speaking to a representative of The Tribune. He said: "They are some of the best mothers in the state. This conference is the only Mothers' conference to be held by any association in the state this year."

A large part of the credit for this meeting is due to a committee of 10 people who arranged the meeting, planned the splendid program and then sent special invitations to all those mothers who have boys as members of the Y. M. C. A. to become members of this club. Mrs. L. W. Subr as chairman of the committee was assisted by Mrs. E. W. Townsend, Mrs. W. C. Higbee, Mrs. T. G. Oakland, Mrs. W. T. Hanes, Mrs. J. S. Finley, Mrs. L. L. Callaway, Mrs. A. E. Fouch, Mrs. M. L. Morris, Mrs. A. M. Hart, and J. A. Miller, city secretary for boys.

The principle numbers on the program were the addresses given by Mr. Eichelberger and Mr. Miller on "The Boy and The Home" and "The Boy in Our City".

Mr. Eichelberger in his address dealt especially with the home as the fundamental agency where other things might and should contribute to the proper training of every boy. He urged that

the Y. M. C. A. assist the home in giving the boys this training but that no association would be able to give the boys the fundamental training which should be given in the home. The five points which he gave as constituting the fundamental training were: 1. Property interest; 2. Financial sense; 3. Respect and courtesy; 4. Health education; and 5. For training the recreational side of a boy's life. Under property interest Mr. Eichelberger especially urged that the mothers employ the budget system for their sons as well as for the family. Every boy should have his own bed and room if it is only a cubby hole, and the pictures which are hung there have a great influence upon their lives. Boys should have spending money and keep separate expense accounts. After his address the women enjoyed a roundtable discussion at which time a number of interesting problems facing the boys of Great Falls were discussed and remedies suggested.

J. A. Miller, city secretary for boys, gave a very interesting talk to the mothers on "The Boy in Our City". Since entering the Y. M. C. A. work here Mr. Miller has proved very efficient and the problems which he discussed before the mothers yesterday afternoon were those which are only presented to a wide awake man. He said that the four fundamental agencies operating on boy life of this country are the church, the public school, the law and the home. Under school he suggested that the thing needed was more vocational guidance and "more men teachers." "Out of every 100 boys attending school," he said, "statistics show 65 to complete the eighth grade, 16 receive a high school education and one out of every 16 go to college. We of today seem to have a reformative rather than a formative system. We have a punishment for every juvenile wrong doing but no preventive. Under the church we have the lack of men leadership; only one third of the boys are found in the church, but after all the home is the greatest agency of all these and the purpose of the Y. M. C. A. is to be a function of the boys' life and not to take the place of the home."

Other numbers on the program which were greatly enjoyed were vocal solos by Mrs. McLeod and Mrs. A. E. Barkmeier and a violin solo by Mrs. H. P. Lee. Refreshments of punch and water were served.

This was the first Mothers' conference to be held in Great Falls and at a future date the mothers will hold a business session to organize into a Mother's club to hold conferences once each year.
