SGT. YORK AND BRIDE CHOOSE SALT LAKE AS HONEYMOON TRIP

Chicago Tribune Service. Nashville, Tenn.—On a green hillside in Pentress county, Tennessee, beside the big spring from which the Yorks have drawn their water for a hundred years or more, Sergeant Alvin C. York, hero of the Argonne drive, wedded Miss Gracie Williams, of Pall Mall, Tenn., Saturday. Governor Albert H. Roberts performed the ceremony. People came down from the mountains for miles around to attend the wedding and welcome the soldier home, bringing baskets filled with chicken and ham and pies and cakes of every description. They spread their dinner as a nuptial feast. The big sergeant and his bride were dined in the best of the Cumberland mountains afforded. They were crowded around the bride and groom by the relatives and the bride's friends. The bride's father, Mrs. Williams' mother, objected to the match, it was not because of the difference in age. The bride's mother is now reconciled to her marriage to the sergeant, and was conspicuous in the big gathering today. Miss Williams wore a new pink silk dress embroidered around the bottom in red and blue flowers. It had two wonderful little pockets on each of which were embroidered flags of the allies sent to his girl sweetheart by Sergeant York on silk handkerchiefs from France. The sergeant wore a new serge uniform with the congressional medal of honor and the croix de guerre. He was attended by the Rev. Mr. Pike, the Holiness preacher, who converted York from the rouler and gambler to the third elder in the Church of Christ in Christian Union. Although he did not officiate, the parson was in his glory, for he takes credit in part for the match. The bride is a distant cousin of Rev. Pike. For a honeymoon, the sergeant and his wife plan to go to Salt Lake City as guests respectively of the Chattanooga and Nashville Rotary clubs. Mrs. Alvin York has never been an outside of her native county and the admirers of her husband are planning to make the trip to Salt Lake City a memorable occasion for her. Sergeant York will be accompanied as far as Nashville by the police of Great Falls who have his car. The honeymoon will be held at the Rev. Mr. Pike. Mrs. Mary York, the sergeant's mother, has not been as far as the county seat of Pentress county but twice in her life, and has never even so much as cherished the hope of going to Nashville.

Fisher of Chestnut took the examinations, the other fifteen being women as follows: Miss Leonora Buzard, Miss Twilla Williams, Miss Lucille F. Harding, Mrs. Alma L. Berry, Miss Bessie Antonsen, Miss Jennie Herrin, Mrs. Edna M. Burkenpas, Miss Doris M. Larson, Miss Haysell C. Letchworth, Miss Hattie V. Stevens, Miss Mary E. Stock Market as seen by Bulls & Bears

Reported by H. B. Lake & Co. New York, June 11.—Dealings more orderly and while the market rallied from low levels still there was evidence of long stock being sold in good volume of the former money rates. The next installment on income tax payments will be due on June 15 and then preparations will no doubt be started during middle of the month with respect to the July 1 disbursement so that for a while we anticipate that money rates will harden, which in itself will no doubt tend to restrict dealings in many specialties. We continue to believe that the advances recorded in the majority of industrial titles that class of issues to a reaction of greater extent than that already accorded.

NEW YORK MARKET

New York, June 11.—More consideration was paid, today, to the money situation in dealings on the stock exchange. Rates for call loans were again elevated to 9 per cent, following a similar rise yesterday for accommodations on industrial collateral. The increased prominence of the firm money rates, the next installment on income tax payments will be due on June 15 and then preparations will no doubt be started during middle of the month with respect to the July 1 disbursement so that for a while we anticipate that money rates will harden, which in itself will no doubt tend to restrict dealings in many specialties. We continue to believe that the advances recorded in the majority of industrial titles that class of issues to a reaction of greater extent than that already accorded.

CHICAGO MARKET

Chicago, June 11.—Disquieting crop reports, together with a prospect that receipts would be curtailed, brot renewed strength today in the corn market. The close was firm, 3/4, 1/4 net higher, with July \$1.68 1/2, 1/4 and September \$1.60 1/2 to \$1.60 3/4. Oats gained 1/4 to 1/2 c. In provision there was a rise, varying from 20 to 70 cents. Unwelcome rains had much to do with uneasiness regarding to corn crop outlook. It was said good deal of replanting would be necessary. Missouri officially reported the crop condition at 75, as against 85 a year ago, and it was estimated that the present season in the state was 10 to 30 days late. Bullish sentiment was further emphasized by predictions that the arrival of supplies here next week, as well as during the remainder of this week, would be light. Oats, like corn, were lifted by wet weather. Provisions bulged as a result of higher quotations on hogs and grain. At the prance, packers were sellers of lard and ribs. Corn—July \$1.68 1/2; September \$1.60 1/4. Oats—July 67 1/2; September 65 1/4.

Improve Steep Road Leading to Marias

Special to The Daily Tribune. Cut Bank, June 11.—The narrow and steep road leading to the Marias river and into Pondera county will be greatly improved by the commissioners of Glacier county, the work to begin at once. This road will be widened so as to allow two cars to pass at any point, the rocks projecting out too close will be blasted away, the sharp curves straightened out and it will be made as safe as modern machinery will make it. There has never been any accident on this piece of highway that is the principal thoroughfare for autoists between here, Conrad, Valier and Choteau, but it is considered a dangerous place, especially when meeting vehicles going in the opposite direction.

REPLY TO BE EVASIVE.

TRAIL AUTO THIEF TO KALISPELL; HE CHASES FOR COAST

George Baxter, Member of Gang Wanted in Great Falls, Gives Officers Slip. Special to The Daily Tribune. Kalispell, June 11.—Pursued by domain officers of Alberta, the police of Great Falls and Great Falls who have his accomplices under arrest, George Baxter, member of a clever gang of auto thieves, stowed into Kalispell last Friday evening in a stolen car and remained here until Monday, when he disappeared. This was discovered last night when chief of Police McKinnon of Havre arrived here in search of Baxter, accompanied by the police of this city. He made the rounds of garages and hotels, and found where he had left the car for repairs, and had also registered at a local hotel with a woman companion, using his own name in both places. He said he had departed for the coast Monday evening. It is said that Baxter asked a Havre garage to order license plates for him, and left orders for them to be forwarded to him and it was this tip which started the Havre police on his trail.
