CHANGE OF OWNERSHIP SALE CHANGE OF OWNERSHIP SALE

The popular clothing store at 216 First Avenue South known for three years as "Franks" has changed hands. The stock and good will, which is no small item, has passed into my hands. In my years of merchandising experience in Montana I have never seen a cleaner and higher grade stock than Frank's.

I want you to get acquainted with this store, its methods and its stocks. I know no better way than a big introductory sale. This is a real bonafide price reducing sale. Every item in stock will be marked at special sale prices. This stock was bought on a low market and a great many articles can be bought for less than the present wholesale price. This is your opportunity. Grasp it at once. Be here first thing Monday morning.
