YANK ATHLETES LEAD ALLIES

Defeat Canadians at Baseball 5 to 0 and Place Three Sprinters in Paris Meet.

Pershing Stadium, Paris, June 23.—With a baseball victory over the Canadian nine and the placing of three men in the finals of the 100 and 115 metres dashes, the American team got away to a good start on the first day of the inter-allied games in Pershing stadium. An international crowd of 25,000 persons watched the contests.

R. Simpson, of Columbia, Mo., record holder in the high and low hurdles, 120 and 220 yards, respectively, and Pat Ryan of the Irish-American Athletic club, New York champion hammer thrower, unfurled the Stars and Stripes at the opening of the games, with aviators soaring overhead.

Winners from the British dominions two of the four principal races. In the 100 meter dash Edward Teschner, Lawrence, Miss., Sol Butler, Hutchinson, Kansas, and C. W. Padlock, Pasadena, California, won their heats while Private J. Howard, Canada, and Lindsay of New Zealand captured their heats in the same event. The time made by the sprinters was not extraordinary.

In the baseball game, W. B. Fuller, formerly of the Washington American league, shut out the Canadians 5 to 0. Miss Margaret Wilson, daughter of President Wilson, was at the games.

Boys Fail to Show Up for Swim Class

Attendance is Slim at Opening of New Classes in Y. M. C. A. Tank.

Attendance at the opening of the summer swimming classes at the Young Men's Christian Association's tank yesterday morning was light. Out of a total of 100 enrolled, there were only thirty youngsters present for the lessons.

Unless attendance is more regular, an admission fee may be required of the boys to assure their presence, as it is discouraging to the director and causes too many continuation classes. If a youngster's record is perfect the fee will be returned at the end of the course.

DEMPSEY SENDS TATE TO FLOOR

Crowd Gasp at Power of His Punches—Willard Does No Training.

Toledo, June 23.—Stung by the criticism that his sparring partners had been able to hit him with frequency, Jack Dempsey today knocked out Bill Tate, while the crowd gasped in amazement over the power of his punches.

Dempsey boxed six rounds, two with Tate, two with the Jamaica Kid, and two with Jack Malon, the St. Paul welterweight. Tate was fairly successful in stopping Dempsey's driving attack in the first round, but when it came his turn to face the challenger in the third, Dempsey smothered him under a hurricane of punches. Ten seconds after the round opened, Dempsey dug a right hand punch into Tate's stomach shifted and caught him on the rim of the chin with a left hook that did not travel more than six inches. Tate sank to his haunches and got up at the count of six. Then Dempsey landed a right hander to the chin and the negro dropped to the canvas completely knocked out.

Tate said that it was the first time in three years that he had been knocked off his feet. Willard, in the face of criticism that he is not working hard enough, did no training today. He said he has reduced to the weight at which he expects to enter the ring, that he was his own trainer and would condition himself as he thought best.

Richard announced that the huge arena according to the plans now completed would have a seating capacity to accommodate enough spectators to swell the gate receipts to \$1,000,000.

Lehigh Team Wins From Geysler and Windham

Special to The Daily Tribune.
Lehigh, June 23.—The Lehigh baseball team added two victories to its string Sunday when they defeated Geysler on Lehigh field, by a score of 18 to 9. Hogan, for Lehigh, pitched a fine game, but his support was ragged throughout and only the heavy hitting of the Lehigh team saved him from danger of defeat. The Lehigh lineup was strengthened by the addition of McGinnis at second, whose clever fielding and work at the bat was a big factor in the game, McGinnis getting two home runs and a brace of singles.

A twilight game was played at Windham Sunday evening. The Windham team going down to defeat in a seven inning contest by a score of 22 to 0. Miller, the crack twirler for Lehigh, was at his best and allowed only three hits throughout the contest, only one runner reaching third.

The Lehigh team is one of the strongest in this part of the country, the only weak spot being third base, and scouts are now busy trying to land a man that will fill this gap.

Felch Sets New Record in Outfield Putouts

Chicago, June 23.—Oscar Felch of Chicago today established what is believed to be a world's record for putouts made by a major league outfielder when he caught 11 flies in regular nine inning game. Some of his chances were difficult ones.

Prohibition doesn't make much difference. The green bugs on the lettuce and the insects on the salad taste just the same as they did when the state was wet.

Skipping a Man on the Deal

WILLARD TOO FAT, HAGENSON'S VIEW

Local Man Now at the Training Camps of Big Fighters Thinks Challenger Is Fit.

In the opinion of John F. Hagenson and George W. Hagenson who went east several days ago to attend the big fight on July 4 between Willard, heavy weight champion, and Dempsey, challenger, the challenger has all the best of the argument on appearance of the two men in advance of entering the ring. George Hagenson has written to his brother Martin enclosing several pictures taken at the training camps of the two men and pointed out his reasons for concluding that the champion has a hard day before him on July 4.

It appears to Hagenson that the difficulty with Willard is one of condition and not that of score. He thinks that Dempsey has it all over the champ. He says Dempsey looks to be on fine edge and a real fighter. Hagenson, however, qualifies his statement, saying that Willard looks quite fat and unless he is able to reduce the beef before he enters the ring he would seem to be far from the best of condition.

John Hagenson and Tex Rickard, the promoter of the big fight, have been acquaintances for several years, having met in Nevada, and when John got to Toledo, while he found Rickard a very busy man, he got a most friendly welcome.

HIGHWOOD DEFEATS GERALDINE

Highwood, June 23.—The first baseball game of the season was played here Sunday afternoon resulting in a victory for Highwood, that team defeating Geraldine by a score of 8 to 3. The teams were better matched than the score would indicate, the local team being more fortunate in "bunching" their hits. The Geraldine men proved themselves good losers however, and promised revenge at the return game to be held next Sunday at Geraldine.

Organize Baseball Team at Roundup; Judith Gap Booked for Two Games

Special to The Daily Tribune.
Roundup, June 23.—The Roundup baseball club was organized here yesterday by the election of B. H. Denton, manager, Ralph Mercer, captain, and Leo Baridan secretary-treasurer. Plans for a grandstand are being prepared and it will be constructed soon. The Roundup team plays Judith Gap Sunday at Judith Gap, and a return game will be staged at Roundup the following week.

With considerable playing material available for a team, it is expected that the club will be contenders for baseball honors in this district of the state. Did you ever go to a feminine slaughter sale? It's perfectly killing.

Some People Seek

Some people seek the wooded hills To rest in shady nooks,
To cool their hot and blistered feet In purling mountain brooks;
They want to lay beneath the trees, "Heath spreading fir and pine,
They feel that it just must be so In the good old summer time.

But if they'd wear real summer clothes, The proper kind of shoes,
They'd find a better remedy For ills they now abuse,
It's carelessness upon their part, They need no brook or nook,
Just call and see Mikehasit; Give a look, man, give a look.
