Rachac Makes Debut Today

Independents Spring New Pitcher Against Fort Benton This Afternoon.

Manager Sam Newman of the Independents will trot out a new pitcher to try conclusions with Fort Benton at 3 this afternoon at Earling park. Rachac is the new worker on the mound and Newman vouches for his being able to produce the goods. He played first last Sunday against the Bear Cats and comes to Great Falls from Conrad.

Fort Benton has a scrappy little team that believes it has a right to meet the Independents on even terms and is coming here to prove that its contentions are correct. The Independents have thrown together a different team from that which faced Hestev's Cats and they look like a better combination. Anyway, Manager Newman is willing to try it out on Fort Benton and is confident his Cubs will turn up the top score.

The lineup of the Independents for the contest will be as follows: Duckett, catcher; Rachac, pitcher; Stoker, short stop; Springer, first base; Jardine, second base; Laughlin, third base; Jennings, left field; Adamson, center field; Hanson, right field; G. Gross, Gabbert and Richards, substitutes.

Frank Walker was to have umpired the contest, but after working two hot days in the Bear Cats games here last Saturday and Sunday, Walker decided he was entitled to one day of rest and will endeavor to entice the festive funny tribe to nibble around his hook. However, another umpire will be produced. Fort Benton will take time for a drink of water after the Independents finish with the team and at 6 o'clock will meet the Smelters, alias the Ingots, otherwise known as the Great Falls Reduction Works team. Manager Quiggen booked the game Friday and will give the fans a little treat of twilling baseball on a Sunday. The Ingots will meet Helena here next Sunday.

Cascade, the opponent of the Soldiers and Sailors on the Fourth of July here, will meet the Helena city team at the capital this afternoon.

Negotiations are under way between teams of Great Falls and the four teams.

NO TEAM WITHOUT PITCHER.
Special to The Daily Tribune.
Harlem, June 28.—According to Manager Rathbone, the matter of holding a pitcher for the Harlem team is getting to be a serious problem and unless some arrangements can be made for a good man the team will probably have to disband after the Fourth. The boys have been striving hard to hold the team together, but without a pitcher it is a pretty hard problem.

Peck's Hitting Places Him Ahead of Ty Cobb

Chicago, June 28.—Roger Peckinpah, New York, with an average of .355, has dethroned Ty Cobb, Detroit, for batting honors in the American league, according to averages released today and which include games of last Wednesday. But Cobb has been out of the lineup all week. As a result, Veach, a team mate, has worked up to a tie with the Georgian for second place with a mark of .358.

Peckinpah broke the tie which he shared with Sider, St. Louis, last week for runs scored and is in front now with 41 to his credit. Cobb's idleness enabled Roth, Philadelphia, to break the tie for total base honors, Roth has 107.

Gavvy Cravath, Philadelphia, by cracking out three home runs in a week, leads the home run department, broke the triple tie for total base honors shared by himself, Doyle and Kauff, New York, and continued leading National league batters who participated in 20 or more games. Cravath's average is .408, acquired on 62 hits, made in 47 games.

Olson, Brooklyn, leads the run makers with 35.

SCATTERED SHOT

By Peter P. Carney.
E. G. Hinshaw, of Spirit Lake, Ia., has challenged B. F. Elbert of Des Moines, Ia., (holder), to shoot for the Hazard Trophy, emblematic of the world's championship at doubles targets.

Arthur Sibley is the 1919 trapshooting champion of the Boston Athletic association.

Fred Clarke, former manager of the Pittsburgh Baseball club, recently chosen president of the Kansas State Sportsmen's association, tied with Howard Faurote, of Dallas, Tex., and A. M. Ross of McAlester, Okla., for first place in the Missouri Handicap in the Missouri State shoot. Each broke 48 out of 50 targets.

The question of a standard load of three grams of powder and an ounce and an eighth of shot is being discussed by the trapshooters. Four states will send representatives to the A. T. A. meeting in November to vote for such a load. They are California, Nevada, Oregon and Arizona.

In passing it is well to mention the fact that Canadian shooters will not be eligible to shoot on the American team to the Olympic games in 1920. Canada in all forms of athletics in the Olympic games must compete under the British flag, so that if the Englishmen are wise they will select an entire Canadian trapshooting team and be in the running for the Olympic championship.

In the Missouri State shoot Homer Clark broke 335 out of 400 targets and compiled a straight run of 272, the best of the season thus far. The best amateur run is 202 by H. E. Wetzig in the Minn's shoot, in Omaha.

It is only a question of time when the Atlantic City trapshooting school, located on the Million Dollar Pier, will close up. The pier owners have raised the rent to such an extent that the continued promotion of trapshooting there is out of the question. This is the only school of its kind in the world and the closing will be a loss to Atlantic City as well as to those who enjoyed shooting from the pier. Since the school opened three years ago 20,000 persons have been given instruction in shooting.

The revised trapshooting rules have been put in book form, and anyone desiring a copy of the rules should address the American Trapshooting Association, 400 Fourth avenue, New York, and name will be furnished.

The Lakewood tournament was even greater this year than last, which speaks well for the tournament to be held at Maplewood, N. H., the first week in July. There is no finer place to shoot than Maplewood. The scores tell the story.

In the first 46 registered trapshooting tournaments in 1919 the average attendance was 58 amateurs and six professionals, and the average number of targets thrown was 20,358.

One of the spectators at the New York State shoot was Emil Herrmann, of Belgium. He was seeking pointers for the trapshooters of Belgium and he picked up a barrel of them. They shoot the English style in Belgium, gun below the elbow and the use of both barrels allowed. Mr. Herrmann likes the American idea of shooting best, but is of the opinion that the shooting should be standardized—the same method should be in vogue in every country.

The trapshooting championship of the Western District of Canada will be held at Edmonton, Alberta. At the tournament the Western Trapshooting Association of Canada will be formed.

The proposed match between Frank Troeh and Billy Heer at the Northwest Sportsmen's Association shoot fell thru because Heer didn't like the conditions. Last year Troeh and Heer shot a 500-target race—a real match race. This time the challenge read that the men would shoot in a squad of five. As this would not be a real match race, Heer declined.
