After a girl has invested two perfectly good bucks in a pair of silk stockings she doesn't give a doggone how tight the skirts get.

DEATHS AND FUNERALS

SCHULZE—Albert Schulze, aged 45 years, a prominent rancher of Harlem, died in the city yesterday morning. The body is at the chapel of the W. H. George company, and will be forwarded to Harlem this morning for burial. Mr. Schulze was a member of the I. O. O. F. of Harlem and the funeral will be held at 2 on Tuesday afternoon under the auspices of that order.

W. H. GEORGE CO.

Funeral Directors and Embalmers 417 First Ave. North... A name to remember when grief enters the family. The distinct W. H. George company idea attends to every detail. It is something to know that there is such an institution in Great Falls. Death comes to us whether we expect it or not. Rich and poor must bow to the hand of fate. Therefore it behooves us to give a little forethought as to whom we wish to care for our beloved ones when they are called. It is the service, consideration and personal attendance given those in the trying hours of their sorrow that has made the funeral home of the W. H. George company a credit to this section of the state.

GREAT FALLS MAY SECURE NEXT VETERANS' MEETING

This City and Butte Are Favored for 1920 Convention of War Veterans—Capt. Cutts of Butte and Charles E. Pew of Helena Are Candidates for President—Program for Two Days.

Great Falls and Butte are probable places for the next meeting of the state association of World War Veterans. The claims of these two cities will be presented at the conference in Malta, which opens this morning, by representatives from each city. Missoula is also said to entertain hopes of receiving the next convention.

Helena had the first meeting of the veterans' body and will not make a fight for the convention next year. The capital, however, hopes to land the first president of the permanent organization and its delegation is backing Charles E. Pew for the presidency. Pew is a member of the state executive committee.

His leading opponent is Captain William Cutts of Butte, who probably enters the convention as the favorite, as he has gained a strong following thru his soldier welfare work and has made many acquaintances among the different posts of the state. He is the president of the temporary organization. Major Charles L. Sheridan of Bozeman, the president of the permanent organization, has returned to the army and will not be a candidate.

Program for Two Days. The program for today is: Parade at 9 o'clock with R. V. Tucker, marshal of the day. Prizes awarded for best floats. Assemble at open air pavilion at 10 o'clock. There will be a selection by a Malta male quartet and Mayor Emanuel Sklower will give the address of welcome, followed by an address by Governor Samson Stewart. Mess call will sound for the barbecue at Trafton park. The baseball game will be called at 2 o'clock and there will be airplane performances during the game. Bucking broncho contests will follow at 5 o'clock with several horses to be awarded as prizes, open to soldiers only. Movies and dancing will follow in the evening.

On Tuesday the introductory address at the open air pavilion will be given by Mrs. T. M. Facey in behalf of Phillips County Red Cross. Frank J. Bueono, American Red Cross, Minneapolis, will follow with an address. Another ball game is scheduled for 1:30 in the afternoon, with the airplane performances continuing. The big military drill contest will begin at 4 o'clock with the award of the \$500 silver cup to the winner. There will be a riding steer contest and a harness race, free-for-all pace, at 7:30 in the evening.

Business sessions of the association will open at 10 o'clock each morning and continue thru until each evening. 02jvteBBoocheBout

POLICE CATCH MORE SPEEDERS

Four Men Arrested for Reckless Driving—One Irrigation Violator Taken. Sunday may be a day of rest for a lot of people, but it isn't for the police, and they were active yesterday in rounding up violators of the traffic ordinance and of the new regulations concerning irrigation.

Four men were arrested on the charge of reckless driving and one for irrigating out of hours. Floyd Bowlin, a laborer, H. M. McCue, a salesman, Johnnie Wilson, a chauffeur, and Frank Gault, a lawyer, were taken for violating the traffic law.

Wilson was charged with reckless driving because he ran into a street car. He claimed it was a choice between the street car and a pedestrian and he took the street car. He also asserted he had had enough space to stop before reaching the car, but that his brakes refused to work. The auto suffered a bent fender and axle. He was released on furnishing \$25 bail to appear for a hearing at 3 this afternoon. The arrest was made on First avenue south at 3 yesterday afternoon.

Bowlin, a youngster aged 19, was arrested at 4:30 on Second avenue north for reckless driving and furnished \$20 bail to appear for hearing at 3 o'clock Wednesday.

Frank Gault was arrested yesterday morning for turning his automobile in the middle of the street. He was released on \$10 bail to appear at 3 this afternoon.

H. M. McCue's offense was reckless driving at 4:30 on Second avenue north and he furnished \$20 bail for a hearing Wednesday afternoon at 3. Clarence Wannager of 510 Tenth street south was accused of irrigating at the wrong hours yesterday and was released on his own recognizance to appear at 9:30 this morning.

Joe Dichone appeared at the police station late Saturday evening and accused Clifford Gored of attempting to commit an assault on him with a knife on Second avenue south. Both are sheep shearers. The police arrested Gored later and held Dichone as a witness against him. No knife was found on Gored at the time of arrest.

Ray Campbell, a laborer, was arrested early yesterday morning on First avenue south on the charge of being drunk and using profane language. He was released in the afternoon on \$10 bail to appear at 9:30 this morning.

Jarl Turrett and Carl Brantz, ranch hands, were beating the U. S. railroad administration out of fare and were picked up a Great Northern train yesterday and booked for vagrancy.

BOB HOLDS A MONOPOLY. Hubert—If you won't marry me, you must give me back all the kisses I have given you. Celia—Sorry, old thing. I can't. I've given them all to Bob.—Edinburgh Scotsman.

PRECIPITATION OF 33 INCH

Showers of Sunday Bring Second Largest Rainfall for Month of June. The second heaviest rain of June in section fell late yesterday afternoon and early evening, a total precipitation of 33 of an inch being reported. It was distributed in several showers that began shortly before 3 o'clock and continued until 8 o'clock in the evening.

Local showers were reported in the afternoon south and west of Great Falls, but the rain did not seem to visit many sections north and east. Cascade, Choteau and Belt had good showers. The rain extended south past Helena, but was not as heavy, the capital having but .02. "While the showers proved to be a boon to the gardens, lawns and boulevards, they were not copious enough to bring any relief to farm or grazing land, altho there is a promise of more moisture. Two distinct rainbows appeared in the east late in the afternoon and in the early evening, with voluntary weather prophets predicting they meant rain for three more days, but the pessimist declared all "signs fail in dry weather."

The rain was preceded by a break in the torrid heat and proved a welcome visitor. The highest temperature attained yesterday was 78, while the thermometer registered a minimum of 54. Yesterday's showers brot the total precipitation in Great Falls for June up to 1.25 inches—a low mark for a month that is usually the rainy period. The heaviest rainfall occurred on June 12, when it measured .56 inch. June 11 ranked third with .18 inch. Other registered precipitation in the month was: June 18, .08 inch; June 10 and 11, each .05, and June 27, a trace; a total of seven days in which there was some moisture, but six of which were measurable.

Considerable lightning accompanied yesterday's rain and several trees in the city were struck. A tree in front of the home of Dr. F. J. Adams, 103 Third avenue north was split by lightning, the wood being scattered over the pavement. An automobile occupied by A. D. Watson and Mr. and Mrs. J. M. McPherson were passing at the time and to them it appeared as if the bolt first struck the ground, ran along a few feet and ascended the tree, splitting it open.

RUNS AUTO WITHOUT LIGHTS. L. A. Montgomery, an engineer, was arrested at 10:30 last evening, on Central avenue, charged with running his automobile without lights. He furnished a cash bail of \$10 to appear in court at 9:30 this morning.

The Tribune Women's Corner

JUNE LUNCHEON OF NEWCOMERS POSTPONED. The June luncheon of the Newcomers' club which had been planned for the last meeting of the year has been postponed indefinitely because of the closing of the Hotel Rainbow dining room. Announcement will be made in a short time of the time and place, when and where, the last meeting of the Newcomers' club for the season will be held.

WOMEN FRANCE'S HOPE, NOT THE POLITICIANS. France and all it means must be restored for the sake of civilization and it is the French women who must mainly do it, not the politicians, declares Ida M. Tarbell in the June number of the New Red Cross Magazine.

"Let the politicians do their best—or worst," the writer continues, "it is not they that will live and save France. It has got to be done from the bottom, down where people live in love and labor. And it is the women who will play the chief part there. Their task in the peace which has come is not to undo that of the politicians who have done so much for the world in the war that is past. They come to this work with the most terrible handicaps."

The handicaps, Miss Tarbell finds, are not merely the fact that France has been stripped of the flower of its manhood while thousands of others have come back from the war mutilated for life, but also include the problems of equipment. Many of the women who went into munition plants will not return to their old work, some because they have been rendered unfit, some because they have succumbed to the innumerable juries of Paris, some because there is not work for them. There is the principal rub. But, concludes the writer, it is the handicaps which force them to their big task.

Program for Two Days. The program for today is: Parade at 9 o'clock with R. V. Tucker, marshal of the day. Prizes awarded for best floats. Assemble at open air pavilion at 10 o'clock. There will be a selection by a Malta male quartet and Mayor Emanuel Sklower will give the address of welcome, followed by an address by Governor Samson Stewart. Mess call will sound for the barbecue at Trafton park. The baseball game will be called at 2 o'clock and there will be airplane performances during the game. Bucking broncho contests will follow at 5 o'clock with several horses to be awarded as prizes, open to soldiers only. Movies and dancing will follow in the evening.

TRAVELERS' AID HELPS CHILDREN

Many Travelers, Old and Young, Are Assisted by Association in Great Falls. What would Great Falls do without the Travelers' Aid? Very few people stop to realize or even consider the vastly important work which is done by this department of the Young Women's Christian association every day of the year. Thoughtless mothers and fathers start their children on a journey, many times one involving thousands of miles, with a railroad ticket, a little money and a basket of lunch. These little travelers not being accustomed to the ways of the world often spend their money foolishly and waste their lunch so that when within half way of their destination they are "stranded, penniless and footless." When such little travelers are in need of such assistance they had better call on the Travelers' Aid secretary, Mrs. Jennie Giboney, Travelers' Aid secretary. Thru Mrs. Giboney's kind efforts many a child, a foreign speaker or an invalid, has received the best of care when otherwise they would have been neglected.

An instance of this occurred Saturday night when two little girls Lora and Catherine Wilson, aged 8 and 5 years were taken care of over night, given their meals by the Y. W. C. A. and put on train No. 44 this morning by Mrs. Giboney for Colorado. As it happened these little girls had been well prepared for their journey by their parents with money but if there had been no Travelers' Aid it would not have been such an easy task to see that they were properly cared for during the necessary lay-over in this city.

ON HIS WAY BACK FROM THE RHINE

Sgt. Harry W. Hillstrand Makes Second Start for United States. Sgt. Harry Hillstrand of Great Falls is again on his way back to the United States and this time he expects to get a glimpse of the statue of Liberty. He is a member of the 60th infantry of the Fifth division and was cited for bravery in the Argonne.

The Fifth division started once before for this country. Part of the outfit had reached Great preparatory to sailing, but when the Germans began to kick over the traces on account of the terms of the peace treaty the Fifth was called back "maucho pronto" and forced to do a little parading along the Rhine to convince the Huns the Yanks were still there. The signing of the peace treaty by the Germans, however, removed the last obstacle in the way of the returns of Hillstrand's division and the Great Falls boy is hopeful of sailing the bounding deep in a few days and eventually landing back in Montana.

Mrs. P. E. Lamere departed yesterday for Spokane, Tacoma and Seattle for a month's visit. She will visit her son in Tacoma, who is ill.

It's Hot

Now that our warm days are here and their discomforts bring We forget about the horrid past Of winter time and spring. We fume about it being hot, And seek the cooling shade— But you should wear the clothing that For just such weather's made.

Equip yourself with B. V. D.'s, And silk hose on your feet. A soft silk shirt upon your back For comfort can't be beat. A light weight suit and summer hat, A collar soft and tie, And you won't mind the torrid days As they in turn go by.

Our stock of summer time merchandise is complete and at your service. Come in and equip yourselves for those gentle summer zephyrs. Silk shirts and ties, Panama hats, athletic underwear, etc.

Mikehasit

Clothing 304 Central Ave. Great Falls The Home of the Union Label

Stockett, Tracy, Belt and Lehigh, sent me a petition, signed by the representatives of the several organizations, asking me to do all I could to get special trains for the Fourth of July picnic at Belt, one to run from Great Falls to Belt via Sand Coulee, Stockett, and Tracy, and the other to run from Lehigh to Belt.

"This matter was taken up with the railroad commission, and everything possible done to secure the special trains, but the railroad administration informed the commission that it would not grant any Fourth of July excursions.

"One of the committee wrote me and asked if I would umpire the base ball game at Belt, July 4, and I informed him that I would do so if I could arrange to be in Belt that day.

"I wish to state, so there will be no misunderstanding in this matter, that I have not been asked to speak at Belt, July 4, and will not be one of the speakers on that occasion."
