

The Tribune Women's Corner

Y. W. C. A. WILL HOLD OPEN HOUSE.

The Y. W. C. A. will keep open house all day Friday, July 4. The cafeteria will be open at the usual hours and the association is urging women of the county to make the association rooms their headquarters while visiting in the city. There will be hostesses in charge to make visitors welcome.

MISS OTIS LEAVES FOR HOME.

Miss Maribel Otis, who for the past few months has been assisting in the secretarial work at the local Y. W. C. A., left last evening for her home in St. Paul. During the war, Miss Otis has been giving her time to the organization and is deserving of honorable discharge.

WOMEN DOCTORS MEET.

How the American women doctors helped to win the war by their work with both the armies and the refugees of Belgium, France and Serbia was reported in detail at the convention of the Medical Women's National association at Atlantic City. Delegates representing 4,500 women physicians and dentists from all parts of the country attended the meeting, in addition to members of the American women's hospitals, who have been decorated by various governments for their services abroad. The invocation was delivered by the dean of women physicians in this country, Dr. Eliza Mosher of Brooklyn. The meeting was presided over by Dr. Angenette Perry of New York, the returning president.

TESTED SANDWICH RECIPES.

"Green" Butter—Cream 1/2 cup butter and add 1/2 cup finely chopped or sifted cooked spinach, 1 teaspoon finely chopped parsley and 1 teaspoon of pounded capers. Season to taste with salt and paprika.
Pineapple Sandwiches—Cook 1 cup of pineapple juice and pulp, 3/4 cup sugar and 1 tablespoon lemon juice until thick. Cool and spread upon thin slices of sandwich bread which have been spread with creamed butter.
Watercress Butter—Wash and cream 1/2 cup butter and add 4 tablespoons finely chopped watercress and a few drops of lemon juice. Continue creaming until well blended. Cooked spinach may be substituted for the watercress.
Pimiento Butter—Cream 1/2 cup butter and add 2 or 3 canned pimientos, which have been forced thru sieve. When thoroughly blended add a pinch of salt and 2 or 3 drops of mild vinegar.
Baked Bean Sandwich—Rub 1 cup

of baked beans thru sieve. Add 1 tablespoon tomato catsup, 1 teaspoon onion juice, 1/2 teaspoon mustard and a pinch of grated horseradish. Spread on bread and cut into regular shapes.
Fairy Sandwiches—Cut bread in 1/4 inch slices, spread with any of the flavored attractively colored butters and shape with a fancy rectangular cutter. Cover with pieces of bread from which tiny hearts, clubs, diamonds, etc., have been cut with small cutters.

NEW KIND OF CLUB IN ILLINOIS.

With the canning time coming on there are probably a lot of women who will be interested in the story of a certain woman's club in Quincy, Ill. It is an unusual club, not one of the best-dressed-gossip-afternoon-tea-cards-and-a-prize-kind. The club is organized for service. Instead of wearing their new suits and frocks the women often wear costumes or take along their large cover-all aprons.
Mrs. James Riggs, who is president of the club, says this of the founding of the organization:
"Women often wish for an extra pair of hands to help with the large household tasks and the women living in a certain neighborhood in Quincy solved the problem by forming the Co-operating Housekeeping club at the homes of the various members, each of whom arranges to have some special work for the club to do for her. One member had all the curtains for her new home made up in one afternoon by the club, another had rags sewed up for rugs and just now meetings are being devoted to putting up fruits and vegetables, the latter from the home gardens, and this work will probably be the main task thruout the summer months."

Riggs, who is chairman of her home county branch of the women's committee of the council of national defense during the war and a leader in many other war-time activities, claims that the club is successful in that it has helped to them. The women find it especially helpful in the canning season for now with several pairs of hands peeling, washing and sorting the fruit and vegetables instead of one pair the work is done in less than half the time. Mrs. Riggs also claims that while the many hands make light work that such a club can only be successful when confined to no more than fifteen members for there is also truth in the saying that "too many cooks spoil the broth."

REPORTS MEETINGS WELL ATTENDED

In a message received yesterday from President W. M. Burlingame of the American Society of Equity by H. O. Folkestad, secretary, Mr. Burlingame reported that the meetings which the society is holding in the southeastern part of the state are receiving a good attendance, much enthusiasm is being shown and that the evening programs are exceptionally good.
So far this week meetings have been held at Layton, Raparin, and Harlem, and before returning to Great Falls Mr. Burlingame will speak at Equity meetings conducted at Belgrade, Drummond, Corvallis, Kalispell, Cut Bank and Conrad, and then return to finishing up the summer schedule of Equity "picnics" on July 19. This meeting will also bring to a close a nine weeks tour of the state in the interests of this work.

DEATHS AND FUNERALS

CLIFTON—Mrs. Cora D. Clifton, aged 47 years, of 319 Sixth avenue south, died yesterday afternoon at the Deaconess hospital. The body is at the chapel of the W. H. George Co. and the arrangements of the funeral will be announced later. Mrs. Clifton is the widow of J. Clifton, a member of the Brotherhood of Railway Carmen's Union and is survived by her husband and the following grown children: Mrs. M. N. Wales of Seattle, Wash.; Mrs. T. C. Liscum, Howard and Frank of this city, and Brack Clifton of Moline, Ill.

FOIRIER—The little son of Mr. and Mrs. Foirier, 2012 1/2 Broadway, died yesterday morning. The funeral will be held at the chapel of the W. H. George Co. at 2 this afternoon. Rev. E. L. White of the First Methodist church will officiate. The interment will be in Highland cemetery.

SCULZE—The funeral of Albert Sculze of Harlem who died in the city on Sunday and whose body was forwarded from the chapel of the W. H. George Co. on Monday morning was held at the Methodist church at Harlem at 2 yesterday afternoon. Rev. H. G. Eosler officiated. The interment was in the local cemetery at Harlem. The services were held at 10 o'clock, at which order the deceased was a member.

W. H. GEORGE CO.

Funeral Directors and Embalmers
417 First Ave. North

A name to remember when grief enters the family. The distinct W. H. George company attends to every detail. It is soothing to know that there is such an institution in Great Falls. Death comes to us whether we expect it or not. Rich and poor must bow to the hand of fate. Therefore it behooves us to give a little forethought as to whom we wish to care for our beloved ones when they are called. It is the service, consideration and personal attendance given those in the trying hours of their sorrow that has made the funeral home of the W. H. George company a credit to this section of the state.

DEATHS AND FUNERALS

TAYLOR—The body of Mrs. Fannie Taylor, of 613 Second street south, who died in this city last Saturday, is at the chapel of the W. H. George company. A sister of the deceased arrived yesterday and will accompany the body back to Lihast, Mo., where the interment will be made. The body will be shipped over the Great Northern Friday morning on train No. 44.

SHELBY—The body of Eli Shelby, of 1108 Fifth avenue south, is at the chapel of the W. H. George company. Relatives are expected to arrive here today from Chicago, Ill., when the funeral arrangements will be completed and announced later.

PRETTY BRIDE OF U. S. NAVY OFFICER

Mrs. Robert Allen Dyer, III.

Mrs. Robert Allen Dyer, III, was formerly Miss Olga Parodi, of Gibraltar. She was married recently to Lieut. Dyer of the U. S. destroyer service. The couple have been honeymooning in Washington and Annapolis.

WOMEN TELL HOW THEY LIGHTEN IT

Session of Vaughn's Farm Bureau Develops Many Helpful Ideas.

Miss Alberta Borthwick, home demonstration agent, upon her return yesterday from the Farm Bureau meeting at Vaughn, reported a most interesting and enthusiastic one. There were 15 women present, the meeting being held at the home of Mrs. M. E. Shaw. The forenoon was spent in a social session and the preparation of the noon luncheon while in the afternoon the usual business session was conducted followed by a discussion of home conveniences led by Miss Borthwick.
Especially was this part of the meeting full of helpful hints the various women present telling helpful little remedies which they had discovered to make their household more of a pleasure and less drudgery. One of the women told that she has a small table she is going to put on coasters and use to carry foods from the stove to the table, thus making one trip do the work of several.
Another woman found that by planning her work she is able to accomplish much more work with less fatigue to herself. Several of the ladies are planning to take advantage of the canning demonstration which will be held at the Vaughn school house, July 22 and at that time they will come prepared to can chicken and various meats for winter use.

OFFICES WILL BE KEPT GOING NOW

Federal Employment Director Revokes Order to Close Montana Branches—All to Continue.

Following closely upon heels of the telegram ordering the close of the U. S. employment service bureaus in the state with the exception of the office at Butte came another telegram which instructed State Director Scott Leavitt to continue the employment service without any change thruout Montana. The telegram was as follows:
"Final passage today of reduced appropriation permit operation of employment service. Disregard all telegrams relative to discontinuance of service. Continue as before including camp work and soldier bureaus until further notice, maintaining relations with outside organizations. (Signed) J. B. Denmore, director general of U. S. employment service."
Mr. Leavitt explained the reason for the first telegram was that as June 30 was the end of the fiscal year and that up to that time congress had failed to pass the appropriation to carry on this service, so going upon the theory that money available for carrying out a work for one year is not generally available for another the telegram had been ordered sent. But before July 1 was over the appropriation had been passed by congress, therefore the second telegram.
Mrs. T. A. Roberts who has been in the hospital at Choteau for the past year was in the city yesterday en route to Amadoda where she will spend a short time visiting her brother, Henry Sterett, later returning to Pendroy to resume charge of the Hotel Roberts at Pendroy. Mr. Sterett formerly was employed by The Tribune.

CLASS OF WOMEN THIS AFTERNOON

Canning Lessons Will Be Conducted at Central High School at 2:30.

The canning lessons that are being given each afternoon at the Central high school by Miss Alberta Borthwick assisted by Miss Esther Belle Cooley of Bozeman, are attracting much interest from the girls in the canning club. Each one of the girls seems to learn the necessary steps in canning so as to turn out a perfect product and all are regular in their attendance.
Also the girls will receive instructions how to can fruits and vegetables of all kinds they will only use the actual process of canning greens. If the girls can successfully can one can of greens they are able to can any kind of vegetable.
This afternoon at 2:30 the only canning demonstration for the women which will be held especially for them, will be conducted in the Domestic Science room of the Central high school. Every woman in Great Falls who is interested in learning the cold pack method of canning vegetables and fruits and meats is invited to attend this demonstration.
The program for Thursday afternoon will be rather a two ring circus affair, the women holding a canning demonstration at one end of the Domestic Science room while the girls of the canning club are receiving instructions in canning at the other end of the room.
Meats will be canned at the demonstration for the women and there will also be a discussion of the canning of other things.
The cold pack method of canning was used only a few years ago quite extensively in the south and east, but it has only been within the last two years that the success and importance of this canning method has become known to women of the west. It is the most economical and most satisfactory method and especially when canning peas, as it requires less fuel, less time and less labor.
In explaining this method Miss Borthwick yesterday stated: "It is the most satisfactory because with it one can can absolutely everything and if it is right the finished product will never spoil."
"The necessary steps to produce a perfect canned product are:
"Fresh and sound vegetables, canned within not more than four hours after being picked or gathered, peas must be canned within two hours after being gathered.
"The cans, rubbers and tops must be well sterilized; then blanch the product from three to 15 minutes in boiling water or by steam, this varies according to the product (greens and asparagus are practically the only vegetables which is necessary to use the steam in blanching). Blanching is done to set the color, reduce the bulk and remove the outside film. Then after blanching the product plunge it immediately into cold water, the colder the better. Next fill the cans packing carefully and well but not too tight. When packing greens it is best to put them in the cans crosswise as to admit the hot air to circulate thru them and sterilize them more thoroughly. Then add one teaspoon of salt to each quart of vegetable and fill with hot water. Adjust the cover, screwing the top tight and then loosen one-fourth inch. With the glass top raise the wire over the top but leave loose at the side and then it is ready for the hot water bath, then the cans are placed in boiling water and sterilized from 5 minutes to three hours in the case of meats it is necessary to sterilize from four and one-half to five hours. In the cold pack method of canning it is not the process of cooking but the process of sterilizing that counts.
"The use of the pressure cooker is economy if cooking with gas or electricity when the product is sterilized from 15 to 60 minutes. After the product is taken out of the water bath they are sealed tight and stood on their heads."

MEETINGS TO BE HELD IN COUNTY

Miss Borthwick Announces Dates When She Will Address Women of Various Points.

Miss Alberta Borthwick, home demonstration agent, who will tour the county during the month giving canning demonstrations and discussing the cold method of canning vegetables and fruits, has announced the following schedule for canning demonstrations:
July 8 Fred Joy school house at Ulm.
July 10 Raynesford.
July 15 Castner Falls.
July 16 Sun River.
July 17 Greenfield Bench.
July 22 Vaughn.
July 23 Chestnut Valley.
July 24 Portage.
July 25 Monarch.
July 29 Cascade.

These demonstrations will all begin promptly at 1 p. m. and the principal products canned will be meats owing to the scarcity of garden vegetables and because meats are easier for Miss Borthwick to carry from place to place.
There is also a possibility of canning demonstrations being held at Geyser and Sims.

WOMEN CAN HAVE PLENTY OF WORK

Women who are at present in Great Falls in quest of employment are asked to call at the U. S. employment office, Women's division, for Miss Florence Lobe, the superintendent is daily receiving calls for help, especially for waitresses. She has positions enough to place 75 women and more calls are coming in each day. There are positions open in this city and filed at the U. S. employment office for almost any position that one can imagine and women in quest of such work are urged to call at this office.
Last week this office placed more than 90 women in permanent positions.

GETS ABOUT NOW WITHOUT THE AID OF HER CRUTCHES

Another Detroit Resident Offers Strong Endorsement of Dr. Williams' Pink Pills.

"After I had been confined to my bed for an entire winter and had hobbled about for three months, my physicians began treatment with Dr. Williams' Pink Pills and am now entirely free from rheumatism."
This is the statement of Mrs. Jennie Saine, of No. 614 Lafayette street, Detroit, Mich. Continuing she says:
"The rheumatism followed exposure to dampness. No one can tell what pain I suffered. My joints were swollen and I was stiff and sore all over. I had shooting pains at the joints and the pains were greatest when I attempted to walk. There was a numbness in my feet and hands and my stomach was badly disordered and I couldn't eat with any comfort. I got very little rest at night because of the pain. My stomach was out of order and I lost flesh steadily."
"I had heard of Dr. Williams' Pink Pills for years and decided to try the remedy. The first improvement noticeable in my condition was the strengthening of my stomach. I was able to eat a hearty meal without distress. Finally the rheumatism disappeared and with it all the pain and swelling. As a result I no longer require crutches. I can do my own work, sleep well, and feel almost as strong as ever. I have told many people about Dr. Williams' Pink Pills and will continue to endorse the remedy."

Dr. Williams' Pink Pills are sold by all druggists or direct from the Dr. Williams Medicine Co., Schenectady, N. Y., on receipt of price, 50 cents per box or six boxes for \$2.50. Write for the free booklet "Building Blood" containing a special chapter on rheumatism.—Adv.

ALL MEN

That tread the earth are living under a sentence of death. Fate has merely allowed an indefinite but limited reprieve. The haunting fear of leaving wife, son or daughter without the means to meet life's storms may be conquered. A Pacific Mutual Multiple Protection policy affords complete coverage. "It Pays Five Ways" and protects while you live against sickness, accident, permanent total disability and old age as well as providing for your loved ones when death's messenger summons.
