

# MEN ARE CALLED TO REPORT AT CLUB AT 8:15 A. M. SHARP

### Plans of Soldiers and Sailors Club for Marching to Park to Receive the Medals This Morning.

Soldiers and sailors and marines of Cascade county will assemble at 8:15 o'clock this morning at the Soldiers' and Sailors' club, First avenue north and Third street north, ready to move off at 8:50 for the parade to Gibson park, where the medals donated by the county of Cascade will be presented to all who went from this county into the service.

Captain Smith, of Choteau, will be in general command of the service men who will be divided into platoons of three squads each and who will march in a column of platoons with a lieutenant or sergeant in charge.

Members of the 163d regiment are requested to form in one platoon, which will be in command of Lieut. Lawrence Vidal, who was an officer in this regiment overseas. The place of this platoon in the parade has not been fixed, but Lieutenant Vidal will be in front of the position of the platoon and all members of the regiment are urged to form with him.

White uniforms are not obligatory for the receipt of the medals, it is desired that as many of the men be uniformed as possible, particularly for the parade following the presentation of the medals. Whites without leggings will be the uniform for the sailors and either khaki or olive drab for the soldiers.

**Beautiful Souvenir Program.**  
A beautiful souvenir program, issued by the Soldiers' and Sailors' club of Cascade county, is on sale. The frontispiece, "Fowler River," describing a bridge, was drawn by Charles M. Russell. In addition to the complete program, the booklet contains pictures of the deceased heroes of the county and of the clubhouse.

Among the pictures from "over there" are scenes from Chateau Thierry, baby tanks ready for action, pontoon bridge, camouflage, blighty, French evacuating Belleau Woods, Ypres, Soissons, Belleau Woods, corduroy road, No Man's Land, Death Valley, ruins of French city, front line trenches at Molenville, France, road to Mt. Blanc, trenches of Verdun, Hun gallery trenches, St. Mihiel and a supply train in the Argonne.

**Crack Drill Team Shows.**  
After the presentation of medals, the veterans of the last war will return in formation and take their place at the head of the parade on Third avenue north. The crack drill team of the Soldiers' and Sailors' club, which won first prize in the parade at Malta during the state convention of the American Legion and the silver trophy for the best drilled team, will follow directly behind the band and in front of the service men. It will be formed in the shape of a cross and will put on some of its stunts during the course of the parade. The uniforms for the drill team will be the regulation olive drab with white shoes and the members will carry rifles—the only armed detachment in the parade.

Members of the team are M. A. Stevens, captain; Elmer Judson, John Dolkosha, M. W. Crookford, C. J. Nietret, M. J. Rogers, Adolph Olson, William Wallace, Everett Hubert, Fred Nopen, Joe Dolkosha, Jerry Hagjek, H. Hartfield, M. McClechen, C. Smith, John Brown, Paul Pfister and Jack Curtis.

Officers of the medical corps in command of Major F. J. Adams and nurses entitled to medals will form with the soldiers and sailors at the club and march to the park together for the presentation of medals. W. H. Meigs will make the address of presentation and the ladies of the Red Cross, with Mrs. Arthur R. Moore in charge, will hand out the medals.

**Many Veterans Here.**  
Many veterans from outside of Great Falls arrived in the city yesterday and last evening and indications point to a big representation in the parade tomorrow. A goodly number of the men were not residents of Cascade county at the time they entered the service and also they will not receive the medals at the park earlier in the morning they have specified their willingness to participate in the parade and help make it the biggest military feature in the history of Great Falls.

Seven automobile loads of the visiting soldiers and sailors took a ride about the city yesterday afternoon in cars assembled by the Commercial club and enjoyed the outing.

**Made the Supreme Sacrifice.**  
While today is a welcome home for the boys who entered the service and returned back safely, silent tribute will be paid their "buddies" who didn't come back with the veterans. Those so remembered will be:

- Michael Preputin, Edwin F. Marvin, George F. Murray, Charles Lloyd Watkins, Leslie Thomas, Carl E. Sipher, W. B. Leonard, Thomas Ryan, George Evans, William Couch, George S. Deisz, Ernie F. ## OPENING NIGHT DRAWS A CROWD

### Thousands Dance in Central avenue as the Initial Feature of Big Celebration.

Thousands of people were out last night to enjoy the opening ceremonies of the Fourth of July celebration planned by the people of Great Falls in honor of the home coming of the soldiers and sailors. There was dancing on Central avenue and in Third street for three hours in which thousands participated. There were thousands of yards of paper ribbon scattered along the avenue and much other confetti was distributed to make the street cleaners certain this morning there was a crown on the street the night before. The big party was made up of good natured people. There was no friction and nothing but jollity and fun.

The band was in big favor all evening and not a number passed without demands for an encore. The musicians were liberal and if there were dancers who didn't have the opportunity it must have been because they were shy. There was one thing that made the dancing of the night before worth while. It proved to the timid ones that there will be a crowd of ladies and gentlemen on the pavement tonight taking part in the dance and none need stand back because they fear it isn't quite the sort of a dance they ought to attend. There might well be the proverbial sign hung over the street where the dancing occurs: "Get in, the water's fine!"

The committee arranged a nice decoration over the intersection of Third and Central avenue, putting up many in-adequate lights and thereby providing a flood of light for the dancers. The decorations there are set off by a great sheet of red bunting. The band stand which will serve the double purpose today of band and reviewing stand, was also well decorated.

## CASCADE AND S. AND S. PLAY

### Baseball Game Called at 4—Athletic Carnival Begins at 1:30 at Earling Park.

Cascade and the Soldiers' and Sailors' baseball team will clash at 4 o'clock this afternoon at Earling park in one of the sport features of the day connected with the celebration of the Fourth, and a stiff contest is expected. Cascade won the last game between the two over a month ago by the narrow margin of one run in thirteen innings.

Both clubs have strengthened considerably since then and a real honest-to-goodness baseball game is anticipated for this afternoon. Manager Reed Lanway declares his team is fit for a grueling battle and he expects to go over the top with them this afternoon.

The service men will present the following lineup: Springer, first base; Wigmore, left field; Bross, catcher; Hanson, pitcher; Martin, right field; Adamson, center field; Hagen, second base; McDonald, shortstop; Moe, third base; Chamberlain, pitcher; Richards, utility.

The lineup of Cascade will probably be: Poirier, centerfield; Fallows, shortstop; Murphy, catcher; Berger, second base; Wade, third base or pitcher; Riley, left field; Crowley, right field; Monroe, first base; Thompson, pitcher; Schrammek, right field.

The sports program of the afternoon begins at 1:30 with the Soldiers' and Sailors' club fancy drill team's exhibition, consisting of military drill, wall scaling, pyramid building and fancy rifle work.

This will be followed by the boxing contests. John Fulton, a brother of Fred Fulton, will referee and Oshea Divine will be the official announcer. John Bilek, 165 pounds, and William Spring, 170 pounds, are matched in the heavy-weight class, for first prize of \$100 and second of \$25, which obtains in all the boxing and wrestling matches. Stewart McPherson, 133, and Cy LaDuc, 131, will meet in the lightweight class; Glenn Miller, 155, and Frank Coppers, 133, also in the lightweight class; Charles Leramons, 140 pounds, and Tom Adamson, 140 pounds, will meet in the welter weight class.

Fred Andretta, county treasurer, will referee the wrestling matches, which find Newell C. Clark, 150, pitted against Harry Trodick, 150; Reid Lanway, 145, against Paul Hagen, 145, and Adolph Barnett, 160, against John Ryan, 160.

Other athletic contests include putting the 16-lb. shot for first prize of \$25 and second of \$15, a 100-yd. dash for the same prizes, a relay race of three-men team for \$50, a three-legged race for \$25, a sack race for the same prize and a tug of war between the Army and Navy, the first prize being \$100 and the second \$50.

## EUGENE HOSKING HOME

Seaman Eugene Hosking returned to his home in this city yesterday afternoon from San Francisco where he has spent the past 14 months in the U. S. Naval service. Seaman Hosking since leaving Great Falls has been serving on the U. S. S. Monadnock which has been patrolling the waters around China, Japan and the Philippine Islands. He has received his discharge from the service and will spend a few weeks' vacation in this city with his parents, Mr. and Mrs. V. H. Earl before making more definite plans.

## PICKPOCKETS IN CITY, IT APPEARS

### Two Losses Reported, One of Purse Containing \$130—Beware of the Jam Today.

Presence in the city of clever pickpockets became known last night with the robbery of Henry Brooker, who lost \$130 and a ticket to Denver when descending from the Shelby train at 7:15 in the evening. Brooker bought a ticket from Coult, Alberta, to Denver yesterday morning and believes that his money and his transportation were still in his pocket when the train pulled into the Great Northern station, but shortly after descending to the platform missed his pocketbook and with it his cash and his ticket. He remembers that he was the center of a jam as the car was emptying, but gained no idea of the identity of the thieves and was unable to supply the police with a description of the men who obtained his valuables.

Later in the evening John Hendrickson, a transient in the city, was inveigled into Tenth alley south from the Anaconda soft drink stand and relieved of all his cash, a gold watch and chain and a pocket knife. He had only \$135 on his person, but his watch was of considerable value. The description he was able to give the police was not considered sufficient to make probable arrest of his assailants.

The police department, the sheriff's force and soldiers serving as military police will be on duty today and everything within the range of human possibilities will be done to protect the immense holiday crowd, but officials last night said frankly that today would be a good day for people to observe that ancient advice—keep your hand on your pocketbook. Five professional "dips" are believed to have left Canada yesterday for Montana, three of them coming to Great Falls from Shelby and the other two going to Havre. Those who picked Great Falls as a suitable place for their operations are that to be responsible for Henry Brooker's loss, but conclusive proof is not at hand and in any event their identity is not known. Brooker's loss left him entirely stranded.

## ANDRETTA OUT AGAIN

County Treasurer Fred C. Andretta was on duty at his office in the court house yesterday for the first time in 10 days. His absence was caused by a rather serious attack of illness, terminating at Columbia hospital with a minor operation. Mr. Andretta is considerably improved, but still shows the effects of his attack and will not be in normal health again for some time.

## Loses Life When He Falls Under Truck on Way to Celebration

Missoula, July 3.—Edward King of Proctor, Montana, a passenger on a truck containing 20 persons en route to Polson for tomorrow's celebration, fell from the truck while several miles north of Polson this evening and was run over. He died of his injuries shortly after in a Polson hospital. King attempted to walk along the running board of the truck, when he slipped and fell to the ground one of the rear wheels passing over his body. His wife, who was accompanying him was prostrated and is also in the hospital at Polson.

## ANGELOS KILLED, OTHERS ALL JUMP

### Section Laborer Caught Under Locomotive Near Gerber Following Collision.

Peter Angelos was killed yesterday afternoon on the Great Northern road between Gerber and Sand Coulee when extra train 1204 struck the motor car used by the section crew of which Angelos was a member. All the other members of the crew escaped but it appeared that Angelos' clothing in some way got caught on the car and although he made an effort to jump from the car he failed and was ground to death under the engine. The body was taken to the undertaking rooms of the T. F. O'Connor company and a brother, said to reside near Cut Bank, will be notified.

The train which figured in the accident was in charge of Conductor Charles H. Berntson and Engineer Russell D. Eaton was on the engine.
