WIND STORM HITS TOWN HARD BLOW

Medicine Lake Property Owners Suffer \$30,000 to \$40,000 Damage From Twister.

Special to The Daily Tribune. Plentyfoot, July 9.—As the result of the wind storm which struck this section last week, it seems the town of Medicine Lake, 20 miles south of here, and the country to the east was hit the hardest of any place in Sheridan county.

At Medicine Lake the storm broke with all its fury, and hardly a building in that area is left but what shows some damage.

The estimated total loss to the residential and business section is estimated at from \$30,000 to \$40,000.

The furniture and hardware store of H. S. Sparling in Medicine Lake was completely wrecked, the entire east side being blown out from the bottom, and a considerable amount of goods which were on the shelves on that side of the store were carried away.

The P. E. Johnson store lost its plate glass front, and a large portion of the stock of merchandise was ruined by wind and dirt.

Throughout the residential section of Medicine Lake the bungalow home of Banker G. E. Fulkerson was badly wrecked, the roof being taken off, and clothes from the beds and closets being carried away at the same time.

The cross on the cross on the cross was also blown away. J. C. Wirmore, pioneer citizen, and owner of the town site, suffered the loss of four buildings.

The hall owned by him, is a wreck, his restaurant building is badly damaged, the entire front being blown away, his livery barn is strewn all over town, and a small residence is in kindling wood.

A barn belonging to J. O. Johnson is tipped absolutely bottom side up, and a number of private garages were destroyed, damaging the automobiles which the buildings contained.

The electric light and telephone companies sustained a heavy loss, as their wires were left one tangled mass, and a countless number of poles were broken off at the ground.

Continuing east, the storm took everything in its path, a heavy loss being reported in the Dwyer district.

A large amount of livestock was killed and heavy damage by hail which followed the storm to the east of Medicine Lake is also reported.

South of Medicine Lake the storm adated somewhat until it reached the town of Homestead, where more damage was done, and where one man was killed in a shack.

Little or no damage was done in the country west and north of Antelope, which town had but a few buildings tipped over. As the storm passed south, however, it became worse, and sheds and barns in the vicinity of Reserve, and east thru the Dwyer country were demolished.

There was practically no damage in Plentyfoot, and the nearby surrounding country.

TELLS HOW SHE RELIEVED PAINS OF RHEUMATISM

Denver Woman Corrects Cause of Years of Suffering By Using Dr. Williams' Pink Pills

"After trying many preparations that had been prescribed, I found, at the end of twenty years, a remedy that relieved my suffering and practically restored my health. That remedy is Dr. Williams' Pink Pills."

This is the statement of Mrs. W. S. Archer, who lives at No. 2825 Walnut street, Denver, Col. Continuing, she says:

"I had severe rheumatic pains in my right knee and hip and after a long siege of pain the joints were stiff and sore. I was in misery most of the time and it was almost impossible for me to get up stairs. I also suffered from a backache and was so nervous that sleep was denied me. What little sleep I got was disturbed by bad dreams.

"One day I read about Dr. Williams' Pink Pills in a newspaper and decided to give the pills a trial. In a short time there was a decided change in my condition. My color improved and I had a better appetite and it was apparent that my blood was richer. It was some time, however, before the pain was relieved but gradually it was apparent that the enriched blood was having an effect on my entire system. By degrees the pain in my knee and hip became less severe, and then practically disappeared. The backache is also gone and I sleep soundly and am no longer nervous. Dr. Williams' Pink Pills certainly helped me and I am sure that it will benefit others who suffer as I did.

Dr. Williams' Pink Pills are sold by all druggists or direct from the Dr. Williams Medicine Co., Schenectady, N. Y., on receipt of price, 50 cents per box or six boxes for \$2.50. Write for the free booklet, "Building Up the Blood," containing a special chapter on rheumatism.—Adv.
