#### W.H. GEORGE CO.

Funeral Directors and Embalmers  
417 First Ave. North  
A name to remember when grief enters the family. The distinct W. H. George company idea attends to every detail. It is soothing to know that there is such an institution in Great Falls. Death comes to us whether we expect it or not. Rich and poor must bow to the hand of fate. Therefore it behooves us to give a little forethought as to whom we wish to care for our beloved ones when they are called. It is the service, consideration and personal attendance given those in the trying hours of their sorrow that has made the funeral home of the W. H. George company a credit to this section of the state.

## THE GREAT NAZIMOVA

Oh, boy, that "Gal" can sure trope. We had a lot of 'em from the stage try to bust through on the screen, but most of them stubbed their toe about the first bust. But Nazimova—say, she just simply flashes on to the screen and owns it. She feels what she is doing and knows how to express emotion by body movements as well as the shifting of facial muscles.

Those who can should attend the matinee to avoid the night crowd.
