All Are Pleased.
"It has been a genuine pleasure to be in Great Falls for this session of the grand lodge," said Mr. Hutchinson. Charteris have been pointed out to us by Great Falls lodgemen as the parties largely responsible for our good time, but that, of course, is exclusive of the efforts of the ladies this evening."

Twenty-four boys left for Camp Rotary on Thursday morning's train and will remain there 10 days as members of the outing party annually entertained under the auspices of the Y. M. C. A.

Who killed Billy Hamilton?

MOUNTAIN and plain and his horses, and long wagon trans crawling over the trail. Such had been his life, until one day they brought his brother home—murdered.

After that he was Hamilton the Avenger. But when at last he found his man, he found the brother of the woman he loved.

Then a strange ordeal of the desert, and a roving Indian band, seeking—and taking—an eye for an eye.

The end of the trail? You would never guess. Find it with Willima S. Hart in this powerful romance of human souls.

NOTE—Every girl or boy attending the matinee Saturday afternoon will receive a sack of the Bee Hive Candy Kisses with a souvenir FREE.

"A Man's Country — God's Country"

Action, Thrills and Suspense
Fights — Fights as you never saw before

MANAGER'S NOTE:
After screening this picture last evening I became so enthusiastic over the picture that I want the whole world to know it. You have probably seen "The Spoilers" or else you have at least heard someone speak of the fights in it—now then, I say that you will be thrilled and held in suspense as you never were before. Action—well it starts at the beginning and never lets up. I praised many pictures before but I can earnestly say that I never saw a picture that could start to compare with "A Man's Country God's Country."

If there is a man, woman or child who can truthfully say after seeing this picture that they are not satisfied and do not think that it beats all other Western Dance Hall productions I will gladly return their admission without a question.
