You who tire easily; are pale, haggard and worn; nervous or irritable; who are subject to fits of melancholy or the "blues"; get your blood re-examined for iron deficiency. Muzzled iron taken three times a day after meals will increase your strength and endurance in two weeks' time in many cases.—Ferdinand King, M. D.

Prepared from Muzzled Iron re-examined and analyzed by Dr. King. One is obtained from iron ore and purified. Contains quality Muzzled Iron. See the name on the wrapper. Have three per day, after meals.

TO FILE AGAINST SAND COULEE MAN
Jacob Tuomi, Who Is Said to Have Sold "Hoffman Drops," Faces Arraignment.
County Attorney Howard G. Bennet will probably file information against Jacob Tuomi of Sand Coulee, charging the defendant with selling intoxicating liquors, in district court sometime this week.
Tuomi is the man accused of having sold a mixture known as "Hoffman Drops" containing 67 per cent alcohol and 33 per cent ether.
He is a married man and has two small children. Attorney Bennet is inclined to believe from the apparent evidence applying in the case that Tuomi sold the stuff not realizing the seriousness of what he was doing. However, he announces, he will file against Tuomi and let the court decide what disposition to make of the case.

RESUMES HER DUTIES.
Miss Rosalind Lenny, stenographer at the county building for County Attorney Howard G. Bennet, has returned to her duties following a two weeks vacation spent at Neihart.
