

CLOSING OUT McDONALD'S STOCK

AT 518 CENTRAL AVENUE

A Personal Statement—By J. D. McDonald

When the present alterations are completed my old store at 321 Central avenue will be far and away the finest shoe store in Montana.

It will be new and bright and modern from stem to stern. I'm changing everything, except my policy of selling good shoes at fair prices.

Style and service will be the keynote of this fine store and every pair of shoes will be Fashion's latest murmur.

The present stock is moved to a temporary location at 518 Central avenue for closeout.

The selling of this stock at prices that range about half today's worth will be folks' last opportunity to buy shoes at sacrifice prices.

I particularly urge any of my old customers who are interested in saving money on footwear to drop in at 518 Central avenue and take advantage of savings offered in the closing-out sale of my present stock.

Northern Montana's biggest and best stock of footwear to be closed out at about half today's retail worth.

The remodeled McDonald Store at 321 Central Avenue to open with entirely new stock, all present stock must go.

\$38,000.00 worth of high grade Shoes and Rubbers thrown to the people at prices that will insure complete clean-up in sixty days.

Good shoes for every member of the family will go at a figure that means a definite worth while saving

Selling starts Saturday, October 4th. and will continue until the last pair is sold and the last customer satisfied.

The Sad Story of My Room Mate—Mr. Sawyer

Mr. Sawyer is a dry goods merchant who has a sub-lease on a part of my temporary location at 518 Central avenue.

It wouldn't be fair to throw Mr. Sawyer's dry goods out in the street, so I'm going to share part of the room with him.

Mr. Sawyer's all through, he's quitting; he is closing out his stock. I will soon have the entire room to devote to closing out my shoe stock.

In the meantime, folks who take advantage of this sensational selling of the McDonald shoe stock will find unusual bargains in Mr. Sawyer's dry goods sale.

From what I see of dry goods everywhere, I am convinced that Mr. Sawyer's prices are away below wholesale cost on many items of staple dry goods.

Sawyer's Sale won't create any stir in the Fortnightly Club, but working folks who have to watch their expenditures will do well to inspect Sawyer's offerings.
