Build State Highway Near Chinook at Once

Special to The Daily Tribune. Chinook, Oct. 20.—Contractor O'Connor has his equipment on hand for beginning the work on the state highway, as also have Wolvin & Prosser, who have a sub contract for excavation.

As soon as the contract and the contractor's bonds have been approved the work will begin at once.

HOUSES ARE SCARCE

Special to The Daily Tribune. Harlem, Oct. 20.—The problem of finding a place to live in Harlem this fall is certainly a hard one and every house and shack in town is occupied, and many farmers who desire to come to town for the winter, will not be able to do so on account of not being able to get a house.

BODIES ARE RECOVERED.

Butte, Oct. 20.—Bodies of the two station tenders who were killed last night when the cable parted at the East Colusa mine, dropping the cage on which the men were riding from the 1,500-foot level to the pump, 300 feet below, were recovered at noon today. The cage and bodies were crushed.

FORMER ATHLETE WAS A VICTIM OF STOMACH TROUBLE

Texas Man Tells How Dr. Williams' Pink Pills Helped Him Back to Strength and Health

"When a young man I was active in all kinds of athletics," says Mr. Henry Stephens, of No. 305 North Seventh street, San Antonio, Texas, "and it was while engaged in a wrestling match in England that I injured myself and came to know, for the first time, what it was to be sick. Examinations revealed that the muscles of my stomach had been strained and this resulted in a gradual undermining of my health.

"I tried many prescriptions without benefit. My blood became weak and I lost weight and strength. I cannot find words to tell how I suffered. For weeks I couldn't eat, even oatmeal or drink milk and keep them on my stomach. I lost so much strength that I couldn't walk without the aid of a stick. My nerves gave out too and I was unable to sleep.

"A friend of mine had used Dr. Williams' Pink Pills with benefit and he was so enthusiastic in his endorsement of the remedy that I procured a box. I took four boxes altogether and my trouble responded so readily to the treatment that I soon had strength enough to walk without a stick. My blood improved too and I regained flesh rapidly. I can eat a good meal now and wouldn't be without Dr. Williams' Pink Pills in the house for it is the one remedy that I can depend upon to build me up. I can't speak too highly of Dr. Williams' Pink Pills as a system builder."

Dr. Williams' Pink Pills are sold by all druggists, or direct from the Dr. Williams' Medicine Co., Schenectady, N. Y., at 30 cent per box, six boxes for \$2.50, postpaid, on receipt of price. Write for the free booklet, "What to Eat and How to Eat."

Mother knows Resinol will heal it

She has been through it so many times before that she never hesitates now. When anyone in the family comes to her with a spot of eczema or an itching rash, she gets out the jar of Resinol Ointment and gives prompt relief. And a few applications seldom fail to clear away the irritation completely.

Resinol Ointment is an excellent healing dressing, too, for burns, scalds, cuts and scratches. It is sold by all druggists, for sample free, write to Dept. A. R., Resinol, Baltimore, Md. Use Resinol Soap for health.

LARGE IRRIGATION SYSTEM AT HARLEM LOOKS A CERTAINTY

Legal Procedure Remains Only to Be Disposed of Before Work Can Be Started.

Special to The Daily Tribune. Harlem, Oct. 20.—From the present outlook it seems very promising that the big irrigation system on the north side of the track extending from Lohman to Harlem will be a reality in the near future. Everything is working along harmoniously and the officials representing the reclamation service are doing all in their power to have one big district, of which is favorable to the Belknap people.

This favorable action on their part will greatly expedite matters and leaves no obstacles in the way of the creation of the district. Any opposition on their part might have caused the plans to fall, but now it seems that the new project will have clear sailing as soon as the legal end is attended to.

Norris & Hurd of Great Falls have been engaged to attend to the legal matters in connection with the organization of the district under the state laws. It is hoped to have all this work out of the way by next spring so that contracts can be let and construction work can be started just as soon as the weather permits in the spring. Funds for carrying on the construction work will probably be raised by bonding the district.

If this project is finally completed it will be the biggest asset yet for the Milk river valley and will make the dreams of many come true who have been waiting the past 15 years for the government to put in this ditch. It means that the Milk river valley will become more fertile than any other valley in the state, for it will produce nothing but sage brush will be made to yield an abundance of alfalfa, blue joint hay and grain. Some of the best land in the valley lies along the foot hills and this will blossom out and come to its own as soon as it can be properly irrigated.

Heretofore there has been very little interest taken in valley land. In fact the bench lands were considered much more preferable by the settlers, but now most everyone is turning his eyes to the valley. The farmers who have settled on the bench lands are looking around to get a hold of a little piece of valley land where they can raise a sufficient crop and possibly live upon during the winter months nearer to the towns and schools.

When the irrigation project is assured it will mean great prosperity for the Milk river valley. Land values that have been lying dormant for years will come to their own, and hundreds of people who took up land in the valley years ago will return to till the soil again or sell their holdings to those who will be anxious to get a piece of valley land.

Mrs. Lane Bags Elk in Belt Mountains; Mayor's Score Zero

Special to The Daily Tribune. Lewistown, Oct. 20.—Mayor and Mrs. J. E. Lane have just returned from a hunting trip in the Belt mountains, others in the party being Deputy State Game Warden and Mrs. J. A. Weaver and friends from Roundup. Mrs. Lane was the only one in the party fortunate enough to kill an elk, bringing in a good part of the carcass to Lewistown.

Lewistown woman killed a deer during the open season, but Mrs. Lane is the first woman in the county to bring down an elk.

SEATTLE DIVINE IS CALLED TO PULPIT LEWISTOWN CHURCH

Presbyterians of Fergus Metropolis Select Coast Man for Their Pastor.

Special to The Daily Tribune. Lewistown, Oct. 20.—The First Presbyterian church of this city has decided to extend a call to Rev. Archie R. Griggs, a prominent minister of Seattle, to the pastorate of the local church. The pulpit of the Presbyterian church has been filled temporarily by several ministers during the past few weeks, and Dr. Griggs who preached there for three Sundays prior to yesterday made a profound impression upon all who heard him.

Dr. Griggs is a graduate of the McCormick Theological Seminary and it is an interesting fact that he was first ordained to the ministry at Bosman. Within a year from that time he most acceptably filled the pulpit of the Presbyterian church at Helena for several weeks during the absence of Dr. Newman Hall Burdick. It is very confidently expected that Dr. Griggs will accept this call.

Dance for Soldiers in the Pigs Eye

Special to The Daily Tribune. Buffalo, Oct. 20.—A dance was given in the Pigs Eye school above Uteca in honor of the returned soldiers and sailors last Friday evening and was a great success. It is stated on good authority that there never were so many nice cakes in one place as there were in the Pigs Eye school house that evening.

Cattle Are Shipped to Eastern Market

Special to The Daily Tribune. Chinook, Oct. 20.—A train load of cattle was shipped to eastern markets on Wednesday. Those shipping were: Carson Corrigan, Al Avery, Moore Bros., Sheep Co., Ed. Riedel, R. B. Smith, Flora Meat Co., F. H. Scott, W. R. Hensen and H. J. Little.

When The Day Is Over

When the household cares and the worries of everyday life have dragged you down, made you unhappy, and there is nothing in life but headache, backache and worry, turn to the right prescription, one gotten up by Dr. Pierce fifty years ago.

Everything growing out of the ground seems intended for some use in establishing natural conditions. Dr. Pierce, of Buffalo, N. Y., long since found out what is naturally best for women's diseases. He learned it all through treating thousands of cases. The result of his studies was a medicine called Dr. Pierce's Favorite Prescription. This medicine is made of vegetable growths that nature surely intended for backache, headache, weakness, bearing-down pains, irregularities, pelvic inflammations, and for the many disorders common to women in all ages of life. Dr. Pierce's Favorite Prescription is made of lady's slipper root, black cohosh root, unicorn root, blue cohosh root and Oregon grape root. Dr. Pierce knew, when he first made this standard medicine, that whiskey and morphine are injurious, and so he has always kept them out of his remedies. Women who take this standard remedy know that in Dr. Pierce's Favorite Prescription they are getting a safe woman's tonic so good that druggists everywhere sell it, in liquid or tablet form.

FLATHEAD COMMERCIAL BUYS WHITFISH STORE

Special to The Daily Tribune. Whitefish, Oct. 20.—The Flathead Commercial company has purchased the Jacobson store at Troy, taking charge last week. Sinclair Coghill, formerly with this company in Whitefish, has taken over the management of the new store. Mrs. Coghill has been visiting friends here for a short time but will soon leave for their new home in Troy.

HARLEM NEWS NOTES.

Special to The Daily Tribune. Harlem, Oct. 20.—Lars Solem is planning on visiting his old home in Norway just as soon as he can get the necessary credentials to leave the country. As his citizenship papers are in Washington he will have to wait until he gets them. Then he must pay his income tax up to date before he can get a passport.

Mr. and Mrs. McCowell went to Havre Wednesday morning. Mr. Cowell fell with a horse that he was riding and severely injured his right ankle. He went to Havre to have the X-ray put on to find out for it there were any bones broken.

Mr. and Mrs. O. S. Been, of Scottville, Mich., and their two children arrived here Thursday and will make their future home. Mrs. Been is the daughter of Mr. and Mrs. William Jayness of this city.

BIDS ARE ASKED FOR ON FULLY EQUIPPED POSTOFFICE, HARLEM

Heretofore Only Room Has Been Leased but Government Changes Plan.

Special to The Daily Tribune. Harlem, Oct. 20.—J. E. Sentman, post office inspector from Havre, was in Harlem this week, and while here posted a notice calling for bids for the lease of a post office building fully equipped. The bids must be filed with him on or before November 8.

The present contract for the post office room expires soon and the post office department desires to get a new lease for a term of from five to 10 years.

Heretofore only the room was rented to the post office department for an office. Postmaster Bernard owns all the equipment which includes the mail boxes and all other paraphernalia. Now it is desired to change the plan somewhat and the department wants bids on a post office fully equipped. The specifications call for a certain floor space, good lighting, a certain number of mail boxes of various kinds, and the necessary office furniture and equipment.

It is also stipulated that if there is any one who has a site to submit that it must not be more than 80 rods from the depot and must be ready for occupancy by January 1, 1920. The post office at the present time is located in the New England hotel building owned by W. J. Hart.

TWO KILLED WHEN AMMONIA TANKS EXPLODE IN PLANT

Lewistown, Oct. 20.—Two men were killed, another may die and several others were injured following two explosions in a fire which destroyed the produce plant of Swift & Co. here Sunday. The explosions are attributed to two ammonia tanks.

RELIABLE METHOD OF HAIR CARE

Hair is by far the most conspicuous thing about us and is probably the most easily damaged by bad or careless treatment. If we are very careful in hair-washing, we will have virtually no hair troubles. An especially fine shampoo for this weather, one that brings out all the natural beauty of the hair, that dissolves and entirely removes all dandruff, excess oil and dirt, can easily be used at trifling expense by simply dissolving a teaspoonful of canthrox (which you can get at any druggist's), in a cup of hot water. This makes a full cup of shampoo liquid, enough so it is easy to apply it to all the hair instead of just the top of the head. This chemically dissolves all impurities and creates a soothing, cooling lather. Rinsing leaves the scalp spotlessly clean, soft and pliant, while the hair takes on the glossy richness of natural color, also a fluffiness which makes it seem much heavier than it is. After canthrox shampoo, arranging the hair is a pleasure.

CUT BANK HOST WILL TAKE CHARGE OF NEW SWEET GRASS HOTEL

Special to The Daily Tribune. Cut Bank, Oct. 20.—H. M. Johnson, manager of the Great Northern lunch room and dormitory, and for many years connected with the hotel business, has leased the new Sweet Grass hotel now nearing completion at that place. Mr. Johnson expects he will be able to open the hostelry by Nov. 1, as about all there is to do now is buying and installing the furnishings. The hotel being built by the Northern Hotel association composed of Sweet Grass men, is a 50-room building with 18 baths connecting and hot and cold water in each room. A restaurant will be run in the same building but under separate management.

Do you know what tannin is? It's the stuff they tan leather with.

There's a lot of tannin in common tea. Skip the tannin. Get Schilling Tea, the fine tea with an abundance of rich tea-flavor and no tannin—unless you let it stand too long. Cheaper than common tea, too—costs more per pound, but less per cup.

There are four flavors of Schilling Tea—Japan, Ceylon-India, Oolong—English Breakfast. All one quality. In parchment-lined moisture-proof packages. At grocers everywhere. A Schilling & Co San Francisco
