NEPHEW OF KIT CARSON DIES; WILLIAM BENT, PIONEER OF OLD WEST, PASSED AWAY AT HARLEM

Son of Man Who Built Early Day Fort on Arkansas River, Brother to Former Provincial Governor of New Mexico, Crosses the Great Divide.

Special to The Daily Tribune.

Harlem, Nov. 18.—William Bent, one of the oldest settlers in the Milk river valley and one of the oldest pioneers in Montana, died here Saturday.

At that time the paper was printed on a Washington hand press.

Rides Pony Express.

From Helena he went into the Musselshell country and during the winter of 1866-67 he rode the pony express between Forts Abercrombie on the Red River of the North, in Dakota, and Fort Havelock on the Missouri.

In the fall of 1868 he came to Fort Benton and hired out to help build Fort Browning on People's creek in the Milk river country.

At this time the country was infested with bands of hostile Indians, but Bent managed to gain the friendship of those he came in contact with, and living among them learned their ways and their language so well that when the Fort Belknap agency was founded he was appointed as interpreter for the government which position he filled for 25 years.

At the time that General Miles was sent into the Milk river country to round up Chief Joseph and his band of Nez Perce Indians who were on a rampage, a messenger was sent from Fort Benton to Bent at Fort Belknap warning him that the hostile Indians were heading his way and directing him to hold a council with the Assiniboines and hold them from joining the Nez Perce Indians in the trouble.

After quieting the Nez Perce Indians, Bent went out to meet General Miles and gave him what information he could in regards to the lay of the country and the attitude of the Indians.

EASTERN MONTANA MERCHANTS JOIN IN STATE MOVEMENT

Miles City, Terry, Ismay, Baker and Other Cities Represented at Meeting.

Special to The Daily Tribune.

Miles City, Nov. 18.—Mercantile interests of this city met in conjunction with merchants from Terry, Ismay, Baker and other cities in this vicinity last night in the rooms of the chamber of commerce.

It was considered the most important meeting in years of the mercantile interests in the Miles City territory who met to consider what is believed to be a crisis in the conduct of legitimate business in the wholesale and retail lines.

A committee of five Miles City business men was recently sent to Butte to take part in the meeting which was held there soon after the promulgation of the ruling made by the Montana trade commission.

While no definite statement was made by those in attendance at last night's meeting it was understood that the merchants will act in harmony with the mercantile interests of the state in an effort to secure a modification of the rule No. 4 issued by the commission.

You Just Try NR For That Indigestion

Get your organs of digestion, assimilation and elimination working in harmony and watch your trouble disappear. NR does it or money back.

One Day's Test Proves NR Best

The stomach only partly digests the food we eat. The process is finished in the intestines where the food is mixed with bile from the liver.

It must be plain to any sensible person who realizes this, that the stomach, liver and bowels must work in harmony if digestive troubles are to be avoided or overcome.

This fact also explains why sufferers from indigestion, also suffer more or less from headaches, biliousness and constipation.

If you are one of the many unfortunate persons who cannot eat without suffering afterward, if you are constipated, have bilious spells, headaches, coated tongue, indigestion, variable appetite, are nervous, losing energy and feel your health slipping away, take this advice and get a box of Nature's Remedy (NR Tablets) right today and start taking it.

Give it a trial for a week or two and just see how much better you feel. See how quickly your sluggish bowels will become as regular as clock work, how your coated tongue clears up and your good, old-time appetite returns. See how splendidly your food will digest and how your energy, "pep" and "ginger" revive.

You take no risk whatever for Nature's Remedy (NR Tablets) is only 25c a box, enough to test the best proof of its merit. It must help and benefit you to your entire satisfaction, or money returned.

Five million boxes are used every year—one million NR Tablets are taken by ailing people every day—that's the best proof of its merit. Nature's Remedy is the best and safest thing you can take for biliousness, constipation, indigestion and similar complaints. It is sold, guaranteed and recommended by your druggist.

This will often bring quick relief from the distressing head noises. Clogged nostrils should open, breathing become easy and the mucus stop dropping into the throat.
