Varsity Basketball Prospects Bright; Two of Vets Back

Missoula Coach Calls Candidates Out Minute Football Season Is Over.

Missoula, Dec. 16.—Scarcely had the timer's gun barked the end of the Washington State College-Montana game which ended the football season Thanksgiving day, than Coach Bernie Bierman issued his first call for candidates for the varsity basketball squad.

Prospects are considerably brighter for the sport than they were football. A trio of experienced men, Steve Sullivan, the fighting varsity halfback, who plays guard; Larkin, a former forward on the first team, and Court Howard, forms the nucleus of the basketball squad.

In addition to these three, Bierman will have on the floor; Boyd Adams, the fighting varsity halfback, who is a fast forward; Boyd, a guard; Fox, a forward, and McKain, center, the last three having been substituted on former varsity teams. Among other players who have some ability but have never had varsity experience are: Ahern, Ruppel, Spogon, Westby, Ross, McKoin, Lockwood, and McCullum.

There's No Picture Like the Picture of Health

The greatest master-piece in the Art Gallery of Life is Nature's "Picture of Health". It is a marvelous portrayal of the human body in its perfect working order, all parts of which are sound, well-organized and disposed, performing their functions freely, naturally.

LYKO
The Great General Tonic
Nothing is more efficacious as a restorer of exhausted nerves and physical forces than LYKO, the great general tonic. It tends to renew the worn-out tissues, replenish the blood, create new power and endurance, and revive the spirits of those who are weak, frail, languid and over-weighted as the result of sickness, excessive strain, worry or over-work. It is a reliable agent in the treatment of all nervous and circulatory disorders, and a functional regulator of the liver, kidneys and bowels.
