One Group of Childrens Dresses—Half-Price
(1 to 14)

—This group includes smartest kinds of little wool dresses in ever so many different styles. The goods alone are equal to the finished garments.

—There never was a time when garments were so precious and hard to find—When production was so low and prices so high, yet we adhere strictly to our system of never carrying over garments from one season to another, which is the reason for this gigantic distribution of Women's high grade Ready-to-Wear.

—This sweeping sensational sale comes as the result of our time honored policy of keeping "Clean Stocks Clean."

—We will clean out every vestige of winter garments, (though many of them are advance models) in a few days and will invite you to see the empty stock cases and barren racks.
