The.... Hoover

Is an Electric Vacuum Cleaner—and more. The Hoover is an electric carpet sweeper—and more. For the Hoover also is an electric carpet beater.

It is three cleaners in one. And, therefore, neither buried dirt nor clinging dirt nor surface dirt can remain when you "just run your Hoover over."

The Hoover is a thorough cleaner. That is why you hear "The Hoover is the Best." That is why it is the most widely bought and used. Insist upon having a HOOVER—For only the HOOVER Beats..... as it sweeps..... as it cleans.

May We Demonstrate?

\$5 places a HOOVER in your home. Balance to suit your individual requirements. —Second Floor
