

# Now for the Last Two Big Days

**FORESIGHTED SHOPPERS WILL DO THEIR HOLIDAY PURCHASING WHILE THIS SWEEPING DISCOUNT IS IN FORCE**

Tomorrow terminates the sweeping discounts which have been in force on practically our entire immense stocks for the past two weeks. Of course, we do not mean that everything in the store will revert back to the original prices in force before we took this drastic action.

EVERY ARTICLE FOR WHICH WE RECEIVE REVISED PRICES FROM THE MANUFACTURERS WILL BE MARKED AT THE NEW LOW PRICE LEVEL—this action we have strictly held to in the past and shall do so in the future—just as soon as we receive price concessions from a manufacturer, you may be certain that at "The Big Store" you will immediately receive advantage of the lower price.

On merchandise which we feel reasonably certain of receiving revised prices, we will not wait for the manufacturer to advise us of the lowered prices, but will put them into effect at once.
