### Bank Crash Follows Run by Depositors

**CAPITAL NATIONAL OF GUTHRIE FORCED TO CLOSE ITS DOORS PRESIDENT SAYS ALL DEBTS WILL BE PAID.**

Cashier Farmers' Bank of Auburn Arrested For Embezzlement—Another Cashier Who Skipped is Arrested at St. Joseph, Mo.

Guthrie, Okla., April 8.—Shrinkage in deposits of more than \$500,000 in the past month, followed by a run of frightened depositors, caused the failure of the Capital National bank of this city today. The bank was weathering the storm this morning, and had paid out \$100,000 to depositors, when a report gained circulation that the institution was about to go under. With the spread of the rumor the number of frightened depositors increased, and the bank was forced to close its doors. National Bank Examiner Myron R. Sturtevant will take charge tomorrow.

President C. E. Billingsley tonight issued a statement that the bank was solvent and the depositors would be paid in full. He declares that a deal is under way whereby the assets of the institution will be sold and all obligations met. The assets are \$1,255,000, while the deposits total \$1,023,000. The directors endorse Mr. Billingsley's statement. Although the depositors will lose heavily, the suspension was caused indirectly by the failure of the Holdenville National bank last week, of which Mr. Billingsley was president.

Fort Wayne, Ind., April 8.—Albert Robbins, president, and Edward Robbins, cashier, of the defunct Farmers' bank of Auburn, were arrested today charged with having received money after the bank had become insolvent. They were brought at once before Justice of the Peace Walters, and were bound over to the circuit court in bonds of \$5,000 each. Their troubles are due to speculation in business enterprises started with money belonging to the bank and borrowed without adequate security. Other prosecutions are threatened, and the grand jury will take up the cases.

Cleveland, April 8.—A telegram was received today by Chief of Police Kohler from St. Joseph, Mo., announcing that George C. Clewell, the missing secretary and treasurer of the recently assigned Federal Trust company of Cleveland, had been arrested there. The charge against Clewell was a shortage of \$10,000 in his accounts with the Federal Trust company. The warrant for his arrest had been sworn out by J. C. Gilchrist, the president of that company, and it was placed in the hands of the Bankers' Surety company, which was on Clewell's bond in the sum of \$10,000.

It had been arranged some time ago that the Guardian Trust and the Federal Trust company were to combine their business, the latter company to be absorbed, but rumors of irregularities in the accounts of the Federal company made an assignment necessary before the program for the consolidation could be carried out. The Guardian Trust company has assumed all the business of the Federal company, and, other than the disappearance of Clewell the merger has been regarded as a closed incident.

### ISN'T THIS AWFUL?

Boys Man's Agony to Give Expression to Art.

Denver, April 8.—in order that she may get photographs of the face of a man in the greatest agony for reproduction in a realistic painting, Mrs. Josephine De Voir, an artist of Morristown, N. J., has hired a man who will consent to have his hand mutilated while the camera acts. This is the story told by Clerk Rudy of the Windsor hotel, where Miss De Voir stopped while engaged in a search for a man who would undergo agony for the advancement of art—and a consideration. Rudy quotes Miss De Voir as saying that the ordeal will be gone through with some time within the next month, and that the hand is to be crushed by a locomotive. Miss De Voir wishes to use the photographs in obtaining "expression" for an oil painting.

A disordered stomach may cause no end of trouble. When the stomach fails to perform its functions the bowels become deranged, the liver and kidneys congested, causing numerous diseases, the most fatal of which are painless and therefore the more to be dreaded. The important thing is to restore the stomach and liver to a healthy condition, and for this purpose no better preparation can be used than Chamberlain's Stomach and Liver Tablets. For sale by all druggists.
