The Mason home is being vacated, and the family has already departed for the coast. MULLEN TOOK HIS GUN.

A tough Mexican lad who struck Bisbee late Friday night, having walked from Jerome, to which point he had been his way on a freight train, was relieved of a Winchester rifle which he carried with him by Officer Mullen who espied the stranger walking the streets with the gun on his arm. Owing to the story told by the young man, he was shown to a lodging house and his gun given over to the keeping of Deputy Sheriff Will White at the branch county jail.

FUNERAL OF BABY.

The remains of William R. Johnstone, the infant son of Mr. and Mrs. Johnstone, who have resided in Bisbee but a short time, were laid to rest yesterday afternoon. The funeral took place from the Episcopal church, Rev. Harvey M. Shields, the rector, officiating. Interment was in Evergreen cemetery.

AUTO AND MAN MISSING.

Advice received in Bisbee yesterday from Los Angeles, states that A. W. Hall is badly wanted by certain people in Los Angeles. Hall, it seems, leased an auto, a 1904 Winton, from C. H. Cox, dealer in such commodities at the coast city. It was understood that the machine was to be used as a stage between Florence and outlying mining camps. Hall and the machine disappeared from public view March 25, since which time the owner of the auto has heard nothing. The matter has been placed in the hands of Cox's lawyer, who is sending out descriptions of the missing chauffeur. He is described as being short, light complexioned, with a heavy mustache.

MANAGER WESTERN CANANEA.

General Manager James T. Wilkey, of the newly organized Western Cananea Company, said to be backed by Schwab capital, passed through Bisbee last evening en route to Douglas, from the property. Wilkey states that so far no further development work has been started, work on the road leading to the camp from Cananea, requiring all the attention of the management. Plans are, however, being prepared for the development of the property which is thought by many to be one of the best in that section of the Cananea field, and will be given out to the public in due time.

SHERIFF IS HERE.

Sheriff Jack White arrived in Bisbee last night from the county seat and spent the night in the city. This morning he will proceed to Douglas on official business. Sheriff White reports that outlying districts of Cochise county are quiet and his deputies are having little or no trouble.
