AN OLD IDEA.

Shown to be Absolutely False by Modern Science.

People used to think that baldness was one of those things which are handed down from generation to generation, from father to son—just like a family heirloom.

Science has shown the falseness of this belief by proving that baldness itself is not a constitutional disease, but the result of a germ invasion of which only Herpicide can effectually rid the scalp.

Washing only cleans the scalp of dandruff, it doesn't kill the germs.

Destroy the cause you remove the effect.

Newborn's Herpicide will do this in every case. It is also a delightful dressing.

Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

Two sizes, 50c. and \$1.00. Bisbee Drug Co., Special Agent.

GUN CASE SATURDAY.

Go to the Indian Hot Springs. If sick, get well. If well, get rest and pleasure.

CIVIL CASES.

Among recent civil cases which have been disposed of in Justice Hogan's court are the following:

The Bank of Bisbee vs. James Murphy, for \$36.21, for money loaned the latter. The suit was dismissed upon motion of the plaintiff.

L. L. Miner vs. John Doe Staley, \$56, alleged to be due the former for services performed. The case was appealed to the district court.

Fisher & Hickey vs. A. P. Roberts, \$31.50, alleged to be due the former for merchandise. Verdict in favor of plaintiff with costs amounting to \$18.50.

BROKE THE PEACE.

John McAllister will be an inmate of the city jail for the next five days as a penalty for disturbing the peace and dignity of the city of Bisbee.

The case was tried before Justice Burdick who gave him the choice of five days or \$5. He chose the former.

He states that a beautiful location was found and that it is expected the camp this year will be the most successful the association has ever given.

DAILY PUZZLE PICTURE

There was a grocer from up state, Who always monkeyed with the weight. You never knew how much you'd get, Until he'd have the balance set. The artist made a mistake in this picture. Can you tell what it is?

The answer to this puzzle will appear in tomorrow's Review.
