Now Exposed to the Law. A man by the name of Jimmie Quinn was arrested last evening on a warrant sworn out in Police Judge Hogan's court for indecent exposure. He will have a hearing this afternoon in the city police court. Fines Drunk. One drunk, with countenance beaming with the map of Ireland as well as with a welt or two he had evidently received in a flat encounter, was picked up in the gutter by Constable McRea Thursday night. He had money, though, and paid Justice High the accustomed fine. STOCKHOLDERS' MEETING. Adjourned stockholders' meeting of the Cochise Building and Loan Association will be held Monday evening, April 11th, 1910, at offices of E. E. Ellinwood, Bisbee, Ariz., 7:30. No Regular Match. There will be no regular match Sunday at the range of the Bisbee Rifle club. Practicing by several of the members will, however, be indulged in. On Decoration day a big match will be held between picked teams of the Bisbee riflemen, a team from Fort Huachuca and one from the Arizona National Guard. Carrying Gun Costly. Harry Glean who thought he had a license to carry a gun, found out yesterday that it was something of a costly matter. He was arrested and brought before Justice Murphy and was forthwith fined \$25 and given a ten-day jail sentence besides. He didn't have the money, so he will serve a day in jail for each dollar of the fine, thirty-five days in all. Club to Meet Tuesday. The Warren District Democratic club will hold its regular meeting Tuesday night, and the various committees are making arrangements for a big time. Several noted speakers have promised to take part in the meeting and a profitable time is anticipated. Pitts Gets Patent. A patent has been granted to J. W. Pitts, who is employed at the Holbrook shaft, for a device to improve the action of the piston movement of a pump or engine. The invention is said to be revolutionary in character, and several local people are interested. The inventor expects to obtain patents in thirty-six foreign countries. Telephone Match Tonight. The Bisbee and Douglas Y. M. C. A. second teams will bowl a match game by telephone tonight. In the game two weeks ago Douglas was defeated by a good margin, and the spirit for revenge has caused them to evince the desire to clean the Bisbee bunch in the match tonight. The local bowlers are: Colton, captain, Fry, Dennis, Coe and Warren. Woman Goes to Jail. Mrs. Jose, a Mexican woman living on Chihuahuas hill, was arrested Thursday for disturbing the peace of the neighborhood. It is alleged that she used vile language and attempted to beat up several neighbor women while under the influence of "vino." She was fined \$5 and given a lecture by Justice High, but being unable to produce the amount she will serve out her sentence in jail. It is also said that she tried to lick her husband who, as a consequence, would not raise the amount necessary to liberate her. Piffers Chickens. Francisco Rodriguez, residence Chihuahuas hill, was arrested yesterday, charged with stealing eleven chickens from A. Griffiths. The latter swore to the complaint and alleges that Rodriguez proceeded to rob his hen-coop the other night and that later the chickens were found not guilty and the defendant pleaded not guilty and his trial is set for today. The feathered bipeds will be introduced as evidence, although Justice High is not doing Justice Murphy's stunt of maintaining them until the case comes off.

MISS HANNON HAS ORPHEUM LUCKY NUMBER

Leader Captures 3000 Votes and Year's Subscription. Today Ends Voting on the Special Prize at Gilman's. Miss Nellie Hannon, who is leading all the districts in the Review-Star-International \$6000.00 popularity contest, was the lucky one last night at the regular Friday night drawing at the Orpheum theater. The number that won a year's subscription to the Review and 3000 votes besides, was 5451. Notwithstanding the inclemency of the weather a large crowd attended both shows and were delighted with the novelty dancing of Chas. and Ada Kaimo and the fast work of Berling and Urban the "Dancing Kids." The privilege of entering the contest will not be withdrawn until due notice has been given and it is not too late to enter now. Now is the time to make the start to be a winner. The votes issued on subscriptions have an increasing ratio according to the term of the subscription. Doubling the length of the subscription more than doubles the number of votes. Extended subscriptions will be credited according to the vote schedule.

COUNTY OFFICERS ON A "HEALTH" JOURNEY

AUTO RIDE OF 150 MILES IS MUCH ENJOYED BY THE PARTICIPANTS. According to word received by local parties, District Attorney John S. Williams and Supervisor Joe McCabe left Tombstone Wednesday afternoon for a 150-mile automobile trip through Cochise county. Dr. Hickman also went along. It was given out that they were to make a sanitary inspection of the county, the expenses of which the county of course, pays. Their route was to Gleason, then taking in Courtland, Pearce, Wilcox, Dos Cabezas, Johnson, Benson, St. David and home. They returned yesterday. Jail Couldn't Sober Him. Thursday night the officers picked up a man helplessly drunk. He was an American, but was too far gone to give his name. He was taken to jail to sober up, and yesterday morning Deputy Marshal Stevens brought him up before Judge Hogan. On the way to court, however, the fact that he had not slept off his jug became fully apparent when he began raving about like a wild man and raising Cain, to say the least. He was in no condition to go to court and was taken back to jail again until the effects would fully wear off. He will be brought into court today, probably on two charges of drunkenness.
