EVERYTHING IS IN READINESS FOR FAST GAME

El Paso Team and Rooters Come This Morning in Special Pullman—Grand March and Ball This Evening.

Everything is in readiness for the first game of the Bisbee and El Paso series at the local park this and the game promises to be a struggle for supremacy between the giants of the Cactus league. Doan and Gill will probably be the opposing twirlers.

Although things looked discouraging for Bisbee a few days ago the clouds have now passed away and the rainbow of hope is visible. It was feared that Lamar's game leg would keep him out of the game, but he is going to play despite a slight lameness. Then along came money matters in Los Angeles, and there were dangers of his pulling out. So serious did this situation become that he failed to report for practice Thursday, but Friday everything had been adjusted and the catcher was in trim again. The difficulty was not with any local parties. The playing of both Lamar and Grindle will allow the Miners to present their regular line up and they are sure to give a fine account of themselves.

The El Paso players expected to leave the Pass City Thursday night and to arrive here Friday, but changed their minds. They found out that enough fans were coming to guarantee a special Pullman and consequently waited for the bench. They left last night and will get in at the usual time this morning. The players have promised El Paso that they will take both of the games here, and it is up to the locals to make them break their promise. The determination which marks both teams assures fast ball playing. The diamond is in fine shape and

the new bleachers are ready to accommodate a large crowd as can be seen from the local team by the players be present.

In appreciation of the courtesy and fans of El Paso, Manager Dalrymple has spent an entire week arranging for a reception and dance by the visitors tonight. The affair will be held at the old opera house and a general invitation is extended. Especially are the ball fans and their partners urged to attend.

An unusual feature of the dance will be a grand march at 9 o'clock. In this march the players of both teams are to be the centers of attraction. The indications are that the dance will be largely attended and will prove a most pleasant affair. It is certain to be such if hard work can bring it about.

LEAGUE WILL SEE FIGHT FOR PENNANT

SECOND TEAM IN VOLLEY BALL LEAGUE CREEPS UP ON THE LEADERS

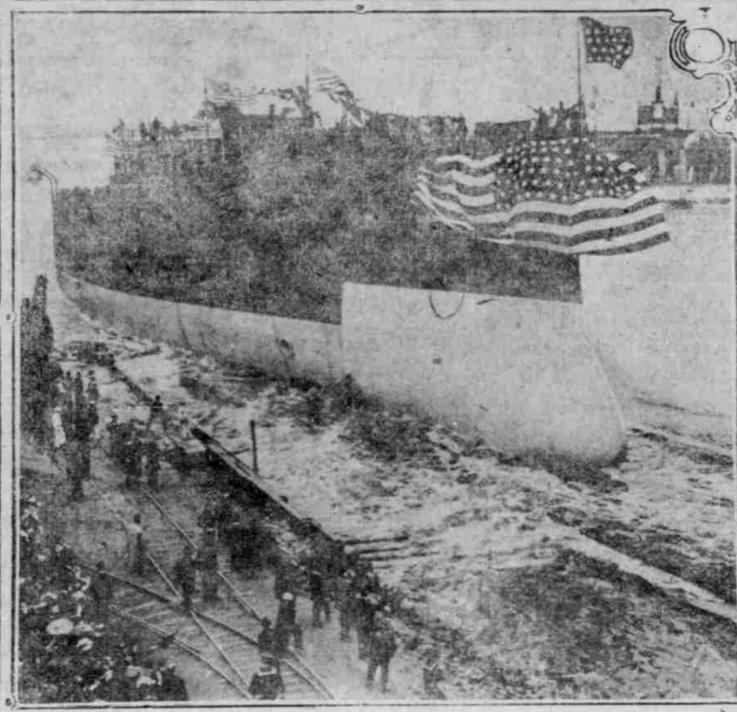

Team	W.	L.	P.	C.
Y. M. C. A. Reds	5	0	1	009
Y. M. C. A. Blues	4	1	1	800
City Blues	3	2	1	699
H. S. Reds	2	1	1	667
H. S. Blues	1	2	1	333
C. Q. Reds	1	4	1	290
City Reds	0	4	1	000

In interesting games at the Y. M. C. A. last night the Y. M. C. A. Blues took a long step toward the leading team in the league and the City Blues clinched their deathlike hold on the cellar position. It now looks as if the Y. M. C. A. Reds will have to fight for the honors of leading the league.

Two contests were played during the evening. In the first game of the set between the Y. M. C. A. Blues and the City Reds the latter put up a good contest and the score was held down to 21 to 15. In the next game the Reds went to pieces and the Blues took it by a score of 21 to 3, thus winning the set in straight games.

The second contest of the evening was between the City Blues and the Copper Queen Reds. This proved to be an interesting match. The Blues got the first clash by a score

of 21 to 17, but the Reds took the next by the exciting score of 21 to 20. The deciding round was won by the Blues 21 to 15.

LOCAL HITS AND FOREIGN ERRORS

"Bisbee or bust and back home hunted if the Mavericks do not do their expected Sapollo want to the Maroons on Saturday and Sunday, says the El Paso Herald. "The club is going over in state Friday night, get the same kind of state that the good old sport, King Esward, was put away with, but the best the Pullman company can supply. A shift in the arrangements has been made by which the team will go over to Bisbee Friday night instead of Thursday as first planned and the fans who go will have an opportunity to rub elbows with the bright and shining ones of the Mavericks layout. A private car is even hinted at for the trip to be manned by one of the best sports among the fans and should this be attached to the private Pullman in which the club and rooters are to make the trip, the entrance into Bisbee will be second only to Caesar's entrance into—let's see, where did old Caesar enter?"

The answer is easy. The most notable thing Caesar ever entered was a sarcophagus, and that is what the Texans will enter from a baseball standpoint before they leave Bisbee.

D. E. Reinhardt, who has been playing shortstop for the Cannans has been released. No cause is assigned. It is hoped that Guyup, Dugan and Goodman are also to go. "Making room for the Whaling family" is the explanation exchanges give.

The California State league is said on the verge of dissolution. This means that the players owned by that league will be reinstated in organized ball. Bill Kelly, of the Miners, and Lebraud, of Douglas, belong to the California league. There are many other players similarly tied up in Arizona, Texas and New Mexico.

The local management has agreed to set aside \$250 to recompense the Douglas team for the games here June 11 to 12. These games are substituted for the Morenci games and the Clifton games at Douglas on those dates. The change is made necessary by the destruction of the Douglas grandstand. O'Donovan appreciates the generosity of the Bisbee management and is appealing to Douglas rooters for a big crowd. He thinks that he can bring 200 rooters.

The managers of the different clubs have a hard nut to crack. The question has been raised by Bisbee and Cananea as to the propriety of counting the Friday games the standing of the clubs. Harbeck and O'Donovan say they could go as exhibition games. It

is presumed that the matter must be submitted to arbitration.

In his polite way Dalrymple has requested a shade over the visitors' bench at the park here and since old Dal wishes it the matter will be attended to at once. Anything that good old sport wishes in this part of the cactus he may have the asking, says the El Paso Herald.

TAFT SPEECH MADE BASIS FOR PANIC

PRESIDENT ANGRY OVER USE BY WALL STREET GAMBLERS OF GENERAL REMARKS.

DETROIT, June 3.—President Taft was half amused, half angry, when he learned today that a reference to business conditions in his speech before the students of the Ohio Northern University at Ada, Ohio, had been made the excuse for rumors in Wall street, of a panic to come some time in the next ten years.

Mr. Taft was telling the young graduates before him what they might expect in life as to business pursuits and the various professions. To those who proposed to go into business he merely gave voice to cautionary advice that conditions of prosperity must not be expected always.

The president regarded his remarks as entirely casual. This is what the president said:

"In the first place, let us take the business situation. It is impossible, of course, to expect the enormous trade, shall continue in the proportion we have seen it expand in the last ten years and reasonable to suppose that at some time within the next decade there will be some reaction or some financial stringency, or perhaps a financial panic. Nevertheless the progress made is real, a scaling of values, but these we have had from time to time, followed by a recovery which indicated only a momentary lapse."

JUDGE GOT EXCITED AND LEFT BENCH

FORGOT TO DISCHARGE MRS. DOXEY, SET FREE BY JURY IN MURDER TRIAL

ST. LOUIS, June 3.—Mrs. Dora Elizabeth Doxey was found not guilty tonight on the charge of murdering William J. Erder with arsenic. She wept hysterically when the verdict was announced and shrieked at the finish of the reading of the verdict. In the excitement that followed Judge Grim left the bench, forgetting to tell the defendant she was free. He returned, called her before him, and formally discharged her.

The case against Dr. Loren B. Doxey, who was charged jointly with his wife the murder of Erder, will come up for trial within the next two weeks, according to the announcement of Prosecutor Newton tonight.

ATTENTION BALL PLAYERS:

To any member of the Cactus league who bats a ball, that hits our sign during any game, we will give absolutely free a \$20.00 suit of tailor-made clothes. This is good for the remaining series of games this season.
